NEW COLD STORAGE PLANT

Policeman Who Lost a Prisoner Will Probably Resign.

[Special to The Times-Dispatch.]
WINSTON-SALEM, N. C., September 6.—James Pike, a seventeen-year-old white boy, of Westfield, Surry county, was carried to jail at Dobson yesterday to await trial in the Superior Court on the charge of shooting Millard Goins, another boy, in Westfield. It seems that the two boys were friends, and Pike claims that the shooting was purely accidental, but at a preliminary hearing the magistrate decided to send the defendant to jail without bail, to await the result of the wound. The ball that entered Goins's body was of thirty-eight calibre, and went through his body. The wounded boy is in a precarious condition and is hardly expected to live. The Pike boy tells the story of the shooting in a manner that carries conviction with it.

The announcement that Mr. Bryan would deliver an address in Winston-Salem was gladly received here. As soon as it was announced that the Nebraskan would visit the State, Chairman A. H. Eller, of the county Democratic Executive Committee, wrote to State Chairman Simmons, urging that a date be arranged for a speech in Winston-Salem. Mr. Bryan's speech here will be his first in this State. It will be delivered Monday morning, September 12th. While in the city Mr. Bryan will be the guest of Hon. J. G. Buxton at his home on Summit Street.

Winston-Salem is to have a large cold storage plant. It will be the only enterprise of the kind in the State, and will be conducted by the Catawba Cold Storage and Ice Company, which was chartered by the Secretary of State yesterday, with an authorized capital of $125,000. Of this amount $50,000 has been paid in. Two of the incorporators and stockholders are Baltimore capitalists. Mr. Frank S. Verney, who is to be manager, has been a resident of this city for two years, and is engaged in the brokerage business. In an interview Mr. Verney stated that his company had purchased from the heirs of the late W. L. and R. H. Brown the six-story building on the corner of Fourth and Depot Streets, used for several years by Brown Brothers Company as a tobacco manufacturing plant. Mr. Verney says that the main purpose of the company was to establish a large cold storage, but they will install and operate in the same building two fifteen-ton ice plants, and will put on the market about twenty-five tons of ice per day.

It is reported that Policeman Samuels, of Kernersville, has tendered his resignation to Mayor Linville, of that town. It appears that Mr. Samuels arrested a negro for larceny. He was tried before the Mayor and bound over to the Superior Court. The officer took his prisoner to the depot in Kernersville, and was awaiting the arrival of the train to bring the negro to jail. While the engineer was giving the station blow, Policeman Samuels's prisoner skipped out. The negro made his escape. Last night one of the boys of Kernersville wrote this on the bulletin board at the Kernersville station: "Samuels, forty-five minutes late." A Kernersville man is authority for the statement that Samuels allowed a white boy to get away from him a few days ago.

At Calvary parsonage yesterday Mr. Moody Heath and Miss Mary Bess Kime, were married. Rev. E. S. Clealand, pastor of Calvary Moravian Church, officiating. A few friends of the contracting parties were in attendance upon this happy event.

LYNCHBURG, VA., September 6.—In the Corporation Court this morning Paul Garland (colored), who cut his wife of a few months with a knife several days ago, was given one year in the city jail and fined $5 on the charge of felonious cutting.
