Take westbound Chesapeake and Ohio trains.

SURVIVORS OF FORT FISHER ORGANIZE

Colonel William Lamb, of Norfolk, Elected President of Association.

WILMINGTON, N. C., September 18.—Survivors of the memorable engagement at Fort Fisher, the gateway of the South during the closing years of the Civil War, met here to-day and permanently effected an organization of the Fort Fisher Survivor's Association.

Colonel William Lamb, of Norfolk, was elected president; Captain R. W. Price, of Wilmington, secretary, and H. C. McQueen, of Wilmington, treasurer. Plans were made for a reunion of the Blue and the Grey on the grounds of the famous bombardment in November of next year.

Congressman G. B. Patterson, of North Carolina, was present and addressed the old soldiers on the outlook for the purchase of the grounds by the government, and its conversion into a national park.

At the reunion in 1907, President Roosevelt will be invited to make an address.

DENTISTS MEET.

Abolition of State Examining Books of Dentistry Advocated.

ATLANTA, GA., September 18.—Representatives from nearly every State in the Union were present at the opening session of the tenth annual convention of the National Dental Association, which began here to-day. Following an address of welcome by Governor Joseph M. Terrell, and appropriate responses, the address of President M. F. Finley, of Washington, was given. The principal address of the day on the "Educational Problem," by Dr. C. S. Butler, of Buffalo, advocated the abolition of State examining boards of dentistry, and the creation of an annual commission to have plenary powers over schools of dentistry and the granting of diplomas with the endorsement of such commission, to be accepted as license to practice in all States and Territories of the United States. The convention will continue until Friday.

BOY BANDITS, BOUND BY OATH ON SKULL, GUILTY

Jesse James, Jr., Gang Swore to Kill Parents if Leader Ordered.—Poison Plot Revealed at Hearing.

EASTON, PA., September 18.—Two members of the Jesse James, Jr., gang, of Hellertown, were arraigned before Judge Scott yesterday morning, pleaded guilty to the theft of books and other articles from the school buildings and were sent to the House of Refuge. They were William Bast, fifteen years old, captain of the gang, and Floyd Ettwein, sixteen years of age.

Chief of Police Zimpfer told of the oath each member of the gang took. This oath was administered by the captain while the candidate had his hand resting on a skull that had been stolen:

"I swear on this skull, the emblem of death, to be true to the black flag under which I have enlisted. I will be faithful and true to my comrades in all action, and will obey the commands of my captain. Father or mother, wife or child, shall not be sacred in my eyes if duty demands their death. If I fail in any of these things, may I be killed and my bones left to bleach like this skull I now grasp."

After he had been sentenced, "Captain" Bast yesterday reported that Christopher Sassaman, another member of the gang, had decided to kill William Clay, of Hellertown. Sassaman had had trouble with Clay's son, and the father had offended Sassaman by telling people he was a bad boy.

Sassaman decided to send Clay a letter requesting a reply to certain questions. In the letter he planned to place a poisoned postage stamp for the reply. This was intended to kill Mr. Clay when he moistened it with his tongue.

NEWS GATHERED FROM SOUTHSIDE

City Attorney to Give Opinion on Free Tickets to Officials.

RESOLUTION FROM PATRAM

School Board Elected Mrs. Davis Assistant Principal and Extends High School Course.

Manchester Bureau, Times-Dispatch, No. 1112 Hull Street.

As to whether the members of the Manchester Council who have for years accepted complimentary tickets over the street car lines of the Passenger and Power Company shall continue to accept and use such courtesies is to be determined in a written opinion from City Attorney Charles L. Page, this official having been instructed by a resolution from Alderman R. L. Patram at last night's session of the upper branch of the Council to advise the city's legislators as to their rights as Fire Commissioners.

City Attorney Page was present when the resolution was offered, and he did not hesitate to say that his opinion would be that the Fire Commissioners had a privilege under the new Constitution which is not allowed to members of a City Council who are not also acting in the dual capacity. In fact, Mr. Page said he had once in the past given an opinion on this subject and he was under the impression that his predecessor, Judge William I. Clopton, had likewise held that Fire Commissioners had a right to ride on badges or book tickets.

The introduction of the resolution is the result of the outcry raised by Mr. D. L. Toney in the Assembly against the acceptance of complimentary tickets by the members of the Council who are elected Fire Commissioners. Mr. Toney explained at a joint meeting of the body last week that the Councilmen—sixteen in number—who were elected Fire Commissioners were so chosen to get free tickets, and that it was "beating the devil around the stump." Mr. Patram was not at this joint meeting, and when the regular business of the Board had been attended to last night, he offered the resolution which will be replied to by Mr. Page.

Session in Detail.

Those present at last night's meeting were Messrs. J. R. Perdue, J. T. Abbott, R. M. Robertson, R. L. Patram, A. R. Hooker and W. R. Rudd. Messrs. John W. Moore and L. B. Tillery were the absentees.

The ordinance from the City Assembly giving the special clear water committee authority to change or order slight changes at the new filtering plant was the cause of much discussion.

Mr. C. P. E. Burgwyn, special engineer of the work, had recommended that the committee secure authority to make any slight change in the plant, and therefore save time in the construction of the plant.

City Attorney Charles L. Page explained the ordinance. One proviso in the ordinance is to the effect that the changes, whatever they may be, shall not carry the amount over the total appropriation of $20,000.

Another proviso is that the consent of the security company bonding the Roberts Filtering Company must be obtained before any change can be made.

On motion of Mr. Abbott, the rules were suspended and the ordinance was unanimously concurred in.

The Assembly ordinance to amend the rules so as to provide for the appointment of an additional standing committee, the duty of which shall be to look after prospective manufacturing sites, came up from the conference committee of the two bodies, which had recommended its passage.

The ordinance was adopted unanimously, although some of the ayes were rather weak. Messrs. Rudd and Robertson were appointed by President Perdue to constitute the committee.

No Horses at Large.

An ordinance prohibiting the running at large of swine, goats or horses in the city at night time was read. The present ordinance, under the ruling of Judge Clopton, will convict an owner for allowing his horses to run on the streets only when it is proven that the owner knows that his horse is at large. Mr. Rudd offered the ordinance, which is the direct result of an opinion of Judge Clopton in dismissing Mr. D. L. Toney, who was convicted in the Police Court of allowing his horse to be on the street at night, and who was dismissed before the Hustings Court. The ordinance, if it passes, will fine an owner for negligence. It was referring to the Ordinance Committee.

Mrs. Davis Elected.

The School Board met last night and elected Mrs. B. A. Davis, a graduate of the Alabama Institute, as assistant principal of the High School. She will enter upon her duties at once.

The election of Mrs. Davis is to carry into effect a resolution of the Board to install a business course in the school. Mrs. Davis will have charge of the business course, bookkeeping, shorthand and typewriting.

The Board has also decided to establish a four years' course in the High School. The class in the past taught by Miss Fannie French, and which has not been in the High School, will be elevated this year. To graduate from the High School a pupil had to attend for two years and a half. In the future the course will be lengthened just eighteen months. This raised the school to the first class and puts it on a par with any High School in the State.

All graduates of the school under twenty years of age may attend the school this year and take advantage of the business course.

The enrolment thus far has been 729 old pupils and 140 new ones.

Grand Jury's Work.

The grand jury, which has been in session in the Corporation Court for two days, yesterday afternoon returned true bills against Moore and Burke and A. S. Donald for selling liquor to minors. Several boys under the age of twenty-one have been examined by the members of the jury, and the result is that the indictments are found.

Both firms claim that they are innocent and will be able to establish this fact. Several boys have been seen drunk in the city of late, and they were summoned before the jury.

Miss Beadles Dead.

Miss Nannie Beadles, sister of Mrs. Parke Howle, died Monday afternoon at 6 o'clock at her home, "Liberty Hall," Hanover county. The deceased was a young lady very well known in Manchester. She was a graduate of the Manchester High School and had many friends here. The funeral will take place from Shady Grove Methodist Church, in Hanover county, at 11 o'clock this morning.

Mr. Betty to Leave.

The handsome dwelling of Mr. T. H. Betty, at No. 1123 Decatur Street, has been sold by the real estate firm of A. L. Adamson and Company, to Mrs. J. L. Lowrie and her daughter, Mrs. Marian Paul, for $2,800. Mr. Betty will move his family to Birmingham, Ala. The same firm has also sold several lots in the city to purchasers out of the city.

The K. G. Barkett Amusement Company, which is giving a carnival in the city this week, drew large crowds to the lot at Fifteenth and Hull Streets last night.

Married in Washington.

Mr. John Blankenship and Miss Daisy Fowlkes left on the 8 o'clock train yesterday for Washington, where they were married. The bride lived in Manchester with her sister, Mrs. Browning Franklin, No. 322 East Twelfth Street, and was accompanied on her trip by her brother, Mr. Hester Fowlkes. Mr. Blankenship holds a responsible position at the Richmond Cedar Works, and is very well known in the city.

Personals and Briefs

Miss Alma Saxety and Mrs. M. L. Rogdon, of the city, are visiting friends in Washington and Baltimore.

Messrs. A. L. Adamson & Co. will sell at public auction Friday afternoon the house and lot at No. 1410 Porter Street. The house contains six rooms, and has all modern conveniences.

Mr. F. Neurath, who for years has conducted a bakery at Eleventh and Hull Streets, has retired from business. Mr. J. S. McFall will conduct the business in the future.

High Constable George W. Blankenship is out, after being confined to his home one week with sickness.

Mrs. R. A. Rudd, wife of Alderman Rudd, is sick at her home in Stockton Street.

Miss Adah Cooke, who has been critically ill for several weeks, is much improved.

Henry Childress, for hitting a man over the head with a bottle, waived trial by a jury in the Corporation Court yesterday morning, and was sentenced to thirty days in jail.

WATCHES RECOVERED.

Chief of Police Has Several Valuable Cases Awaiting Claimants.

Losers of gold watches in this city and throughout the country may be interested in the result of a police investigation of the pawnbrokers' shops, made yesterday.

Chief of Police Werner stated last night that the detectives had recovered a number of gold watch cases, some of them set with diamonds, and many of which may be identified by the numbers and engraving thereon. Efforts are being made to locate the owners of these watches, and if the losers can prove their property they may recover it.

Careful police surveillance of the pawnshops has had the effect of diminishing this disposition of stolen goods and of recovering much of that stolen and pawned. Even when the thief who "hocked" the "swag" cannot be apprehended, the booty itself is often recovered and restored to its rightful owners.

THIS CARRIED IT HOME.

(Honolulu Evening Bulletin.)

It is a curious but satisfactory fact that chronic Bright's Disease, which, according to medical authorities, is an incurable and fatal disease, is now actually being cured. We have not attached importance to the statements of recoveries we have seen in the papers from the States, but that they are not all rumors is now evident from several recoveries here.

A. H. Otis, of the Honolulu Drug Co., tells us of two interesting cases. One was swollen with dropsy due to advanced Bright's Disease, and both the patient and his physician had given up hope. Otis kept urging a trial of the new specific until the patient finally consented. Recovery was complete, the patient leaving a few months later for California, where he now resides.

Another case was that of an officer on one of the Island steamers. He was in a hospital and considered hopeless when put on the treatment. He has now been back at his post for some time.

The specific that was employed is called Fulton's Compound for Bright's Disease. It seems to be a genuine discovery. Otis says there are very few failures, but that it requires patience.—Honolulu Bulletin.

We are agents for this Compound.

OWENS & MINOR DRUG CO., Richmond, Va.

When to suspect Bright's Disease: Weakness or loss of weight; dropsy; puffy ankles, hands or eyelids; Kidney trouble after the third month; urine may show sediment; failing vision; drowsiness. If you have any of these, send for free booklet.
