## CHAMPIONSHIP GAME SATURDAY

Richmond College to Meet Randolph-Macon in Broad-Street Park.

### THE SPIDERS ARE FAVORITES

Struggle Promises to Be Sharp, and Big Crowd Is Expected to Attend.

Saturday's game with Virginia Military Institute showed that Richmond College could put up a good exhibition of football that is full of interest to spectators. The Collegians came out from the contest with V. M. I.'s scalp dangling at their belt, and on the strength of this victory are looking forward to landing another, and also the championship of the eastern division of the State next Saturday. Randolph-Macon is the team that Richmond hopes to defeat.

Yesterday afternoon there was a large squad out to practice, and Coach Dunlap put the men through some stiff work, ending up with scrimmaging. Dunlap is still thinking out all kinds of trick plays and training the team in getting them off properly, and when Randolph-Macon meets Richmond Saturday several will be used that have not been seen here before this season. The men are also being worked in different places, so that in case of accident they may be changed about.

It is not known what Randolph-Macon is doing, but no doubt they are also hard at work, as this is the real game of the season for them. But in comparative scores Richmond has the better of it. They will, however, play a hard game, as this contest is the deciding championship match of this season. Randolph-Macon beat William and Mary in their championship game with that college. Richmond did the same stunt, only somewhat worse. Since Hampden-Sidney has withdrawn, the championship lies between Richmond and Randolph-Macon. For this reason the game will be a hard-fought one, and every inch of ground will be contested. A great crowd is expected, the entire student bodies of both institutions coming out to do some rooting. The game will be called at 2 P. M.

## RECORDS MAY FALL IN SIX-DAY BICYCLE RACE

World's Best Distance Riders Are Entered in the Contest to Be Held Next Month.

NEW YORK, November 20.—The six-day bicycle race at Madison Square Garden, which will be held this year during the week beginning December 3th, promises to play havoc with cycling records, as nearly every rider who establishes a new mark during the past season will appear in either the big race or the short distance events, which will be held in connection with it.

Among the record smashers who have already signed are Paul Guignard, Bobby Walthour, Ernest K. Pye, Louis Metting, Charles Schlee and W. M. Samuelson. Paul Guignard rode fifty-nine miles thirty and one-half yards in one hour Munich, Germany, making a record performance. On October 28th, at Leipsic, Guignard made another notable ride, and in two hours behind pace covered one hundred and five miles one hundred and ninety-five yards, a new world's record.

### ANNAPOLIS CRIPPLES ROUNDING INTO FORM

ANNAPOLIS, MD., November 20.—The practice at the Naval Academy this afternoon was secret and consisted largely of kicking and handling the ball and signal work. The ground was wet and soft, and the chances of twisted knees or sprained ankles was too great for a real scrimmage. Douglass, the star halfback, is developing into a splendid distance punter, his kicks quite equaling those of Howard last season, who was one of the best punters of the year.

The team has been worked into fine physical condition by Trainer McMasters. Captain Spencer, Douglass and Piersol are rapidly getting into the best of trim, and Centre Meyer, who hurt the leaders of the top of his foot in the Swarthmore game, could get in the fight if necessary.

Meyer and Bernard, who have had the longest season out of the game on account of injuries of any of the squad, are now back in the game. Bernard played part of Saturday's game without bad result. He still has a chance to replace Dague at right end, while Meyer has the best chance for left guard.

### "Buck" Ewing Left $20,000.

CINCINNATI, O., November 20.—According to the will of the late William Ewing, the great catcher, the estate amounts to $20,400, largely in real estate, and it is to go to the widow, to be hers as long as she remains unmarried. In case of her remarriage or death the estate is to be divided between their two children, Arthur and Florence, ten and twelve years old, respectively.

## OPERATION ON GIANT LION AT BOSTOCK'S TO-DAY

BOB FITZSIMMONS AND THE LION.

Bostock's Animal Show opens at Idlewood to-night. Captains Robert Agnton, Miller and Lewis have spared no time nor expense in making this opening one of the best ever presented, and the crowd is assured of a good performance by the many wild beasts.

This afternoon Dr. Charles Epps, a local veterinarian, will perform a very delicate operation upon the cranium of Bob Fitzsimmons, the giant lion, formerly owned by the pugilist of the same name.

Several years ago when Mr. Bostock gave the lion to Fitzsimmons, the latter had great sport with him. One day in New York the beast became obstreperous, and it was necessary for the fighter to use something more persuasive than his fists. Fitzsimmons gave the beast a hat over the head with a half-pound hammer, and since that time Bob Fitzsimmons, lion, has been known as a lunatic.

At present he is not fit for anything. He does not perform with the rest of the lions and others of his ilk. He is having too easy a time of it, and it will be the business of Captain Miller to see that he gets in the game and does something to earn his meat.

Menelick, the great lion presented to Mr. Bostock by King Menelick, of Abyssinia, is among the number to be seen at the Bostock Show. This beast was captured in the wilds of Africa about fifteen years ago. The King, himself kept him in his own menagerie for several years. Seven years ago Mr. Bostock was traveling through that country in search of animals when he accidentally ran across the ruler. After learning that Mr. Bostock was the "Animal King" the boss of the province of Abyssinia promptly showed his appreciation of the visit by presenting the great animal to him.

## O'BRIEN AND BURNS ARE NEXT TO SHOW

Fight Fans Turn Their Attention to Elimination Trial No. 2.

NEW YORK, November 20.—The next bout of importance will be that between Philadelphia Jack O'Brien and Tommy Burns, which is to be fought at the Pacific Athletic Club, at Los Angeles, on Thanksgiving. This is an elimination contest in the race for the heavy-weight title, and the winner will doubtless be matched with Al Kaufman, who captured the first preliminary from Sam Berger.

Whoever wins in the final heat of the preliminary trials will be called on to meet Jack Johnson for the title.

Burns is a rugged, combative fellow, but he is not believed to possess enough science to cope with the tricky and clever Quaker, but it is not at all likely that the latter will be able to put Burns down for the count.

Burns and his friends are of the opinion that his strength will enable him to keep going till he can reach the mid-section of his nimble footed opponent and settle him.

The hard part of the heavy-weight problem for O'Brien if he wins will be when he is called on to face the large, black Johnson, for no man will be credited with the right to hold the title until he has beaten the negro.

Just how O'Brien will manage to avoid a combat with the black fellow will be the cause of much interested observation on the part of fight fans. But the Quaker is a shifty fellow with the gab and he may invent some excuse for avoiding the dangerous black.

### AUTOMOBILE LAW.

Barton Heights Has Ordinance Similar to That of Richmond.

Autoists who slowly send their machines through the city streets in accordance with the eight miles an hour ordinance are now up against a similar proposition in Barton Heights. If a benzene-buzzing buggy flies through the streets of the suburban town there will be a penalty inflicted a la Crutchfield—$10 for the first offense and double the amount for the second offense.

The Town Council of Barton Heights passed the ordinance last week without a dissenting voice.

### Foreign Golf Balls Barred.

From now on the sale of foreign-made golf balls in this country will cease. Further legal trouble was averted by the defendant in the suit confessing judgment, paying damages and agreeing to return his stock of balls of foreign manufacture. According to Charles Neave, lawyer for the American patentee, there was no other course for the dealers in the foreign makes to pursue.

## FOUL BLOW FAINT IN GANS-NELSON PICTURES

Films Give Good General Idea of Battle, But Fine Points Are Obscured.

PHILADELPHIA, PA., November 20.—The Joe Gans-Battling Nelson moving fight pictures, the subject of an animated controversy in the sporting world, were shown for the first time in Philadelphia last night.

The reproduction of the famous battle for the world's lightweight championship, which was fought in far-off Goldfield, Nev., last Labor Day, and resulted in a victory for Gans on a foul in the forty-second round, was exhibited in conjunction with the Merry Makers' Extravaganza at the Bijou Theatre.

Twenty rounds of the fight are thrown on the screen. The first six rounds are reeled off, and then there is a jump to the eleventh, when the rounds are exhibited in order to the nineteenth. There is another jump to the thirty-eighth, when the fight is reproduced until the finish, in the forty-second round.

The moving films gave a good general idea of the battle, but the fighting figures are so small and the pictures are so frequently blurred that the fine points of the bout are lost on spectators.

### Little Eagles vs. Brothers' School.

The Little Eagles defeated the Brothers' School eleven in a game of football yesterday afternoon. The touchdowns were made by Burke and Lloyd. The feature of the game was the playing of the backs and ends. The line-up follows:

| Eagles. | Position. | Brothers. |
|---|---|---|
| F. Chastwood | right end | F. Poh |
| H. Fickey | right tackle | F. Nott |
| P. Philips | right guard | A. Hulcher |
| H. Pringle | centre | Talley |
| Webster | left guard | W. Nott |
| (Oppenheimer.) | | |
| Devereux | left tackle | C. Shanan |
| (Wingfield.) | | |
| F. Anderson | left end | T. Toefy |
| A. Slaughter | quarterback | W. Poh |
| J. Burk | right halfback | G. Perkins |
| E. V. Lloyd | left halfback | A. Cannon |
| Midget | fullback | W. Cavedo |

The only time taken out was when Webster was knocked out. The halves were fifteen and twenty minutes, and ten minutes' rest.

Company "F," Seventieth Regiment, Captain J. H. Stone, held its shoot at the Armory last night in the contest for the Hardy Cup.

The last shoot will take place to-morrow night. It is said that the averages are far above those of the last contest, and the men are all taking interest in the affair.

## V. P. I. WILL PLAY TWO MORE GAMES

They Will Meet the Middies at the Naval Academy Next Saturday.

### THE HONORS ARE NOW EVEN

Following the Navy Game V. P. I. Will Meet the North Carolina Farmers Here.

[Special to The Times-Dispatch.]

BLACKSBURG, VA., November 20.—The game between Virginia Polytechnic Institute and Davidson College, on the former's grounds, Saturday afternoon, was the best exhibition of football seen here for several years. The visitors made the home team fight for every gain they made, and but for the muddy condition of the field and minor injuries received by several of their players, it is probable they would have scored. This team played both the University of North Carolina and Clemson to a standstill, and the 'Techs met these teams with a like result.

The North Carolina men were particularly good on defensive work, and their opponents, as well as the spectators, were loud in praise of the clean, sportsmanlike playing of the team.

Coach Miles has his men hard at work, getting ready for the two remaining games of the season, which will be the hardest the team has played so far. They are to meet the Naval Academy at Annapolis next Saturday, and as each team has a victory and a defeat to its credit, the result of the contest on the 24th is awaited with great interest. The team will leave here Friday for Washington, and will be joined there by a number of the alumni, who will go with them to Annapolis.

Following the Navy game will come the big Thanksgiving game at Richmond with the Agricultural and Mechanical College of North Carolina. The debarring of Wilson from the latter's line-up will have no effect on the game, as their manager has announced that his team will be there, and expects to win. As the 'Techs would rather lose any game than the one at Thanksgiving, it is probable that this part of the statement may be a trifle premature.

As none of the old-time rivals in Virginia are to play on that day, this will be the great game in the State, and already several excursions are announced to run to Richmond that day. The V. P. I. line-up will be the same as that in the Bucknell game at Norfolk on the 10th, with the exception of Grant at left end instead of Noland.

The coach is giving his men daily practice in working the forward pass and new trick plays, and the members of the squad are all in good condition, with only one game between now and the great game in Richmond on the 29th.

## BOWLERS PLAY BY TELEGRAPH

Richmonders Will Compete With Atlanta Champions on Thursday Night.

### DUCK-PIN ARTISTS MEET

Lynchburg Pushed to Last Place After Games on Monday Night.

A picked team of Richmond bowlers will play the champion team of Atlanta, Ga., Thursday night. Operators will be in the bowling alleys of each city and the scores will be telegraphed to one another. I. will be bowling by telegraphy.

The team to bowl here as against the Atlanta team in Atlanta will be picked from the following bowlers: Spilling, Williams, Rowsey, Hicks, Myers, Riley, Bath, Sevorg, Bell and Knef.

### Good Scores Made.

Duck-pin bowling seems to be gaining in popularity in the city, and the teams representing Portsmouth, Richmond and Lynchburg are keeping close together. Lynchburg was pushed to last place after the games Monday night. Atkinson was the high man, with 127 pins to his credit, a very good score. The scores follow:

### Hagan Returns to Ring.

READING, PA., November 20.—After an absence from the ring of more than a year and a half, "Jimmie" Hagan has issued a challenge to meet any bantamweight in the State. "Jack" Cardiff, this city's well-known lightweight, has Hagan in charge. Hagan had a good chance to win the bantamweight championship of Pennsylvania. An effort is being made to match him with "Tommy" Feltz, of Philadelphia.

### LARGE FIELDS FACE STARTER

Red Knight and Lee Harrison II. Take First and Second Prizes.

## YOUNG CORBETT WANTS TO FIGHT SOMEBODY

He Is Not Particular, But Says He Would Prefer to Battle With Joe Gans.

NEW YORK, November 20.—Harry Pollock, manager of the rejuvenated fighter, Young Corbett, is deploring the fact that he can find no good, capable fighter to meet his man. Harry says that when Corbett is tied up with a match all of the fighters in the country, except, of course, the champions, hurl challenges at his charge; but when Corbett is free to accept these challenges they are never forthcoming.

Pollock has declared Corbett's fight with Terry McGovern off because the Brooklynite's injured hand prevents him training for a battle with Corbett. And while waiting for something to turn up Pollock will be pleased to arrange a match with any of the pugilists in the lightweight division, preferably Joe Gans. Reports from Pollock say that Corbett is still training hard at Stratford, Conn.

### WILL PLAY BALTIMORE.

Richmond Pool Shots to Contest With Oriole Boys.

The crack pool players of the Commonwealth and Westmoreland Clubs will leave here on December 8 for Baltimore, where they will play the champions of that city.

Some weeks ago there was a game in this city between the same forces, and the Baltimore men won. The local men have been practicing "overtime" since the last contest, and are confident they will be able to do beter in the coming contest.

The two clubs will each send some of their best players, as follows:

Commonwealth—Messrs. Allen Talbot, Jr., E. R. Graves and H. A. Williams.

Westmoreland—Roger A. Pryor, Jr., Charles A. Davenport, H. Stewart Jones, E. D. Hotchkiss, Jr., and Harry Haywood.

The players and their friends will travel in a private car, and will be in charge of the following committee: Messrs. L. T. Myers (chairman), George L. Street, Lewis W. Brander, Calvin Whitely, Jr. and Henry H. Williams. The games will be played on the evening of December 8.

## MISS ALLEN GRAY CREATES A FURORE

Appearance of the Young Virginia Girl Arouses Wild Enthusiasm.

### CANADA HORSES DO WELL

Prize-Winners of Monday Get Place in Final Trials To-Day.

NEW YORK, November 20.—The National Horse Show at Madison Square Garden was continued to-night with no less brilliance and interest than that of the opening day, on Monday. The crowds were equally as large, and the enthusiasm of the spectators as great. Twenty-three classes were on the program for judgment.

Canada again showed up well in the program of to-day. In the Corinthian class for qualified hunters, a preliminary event, Lord Minto, owned by George Pepper, of Toronto, and Confidence, belonging to Captain W. H. Evans, of Montreal, both prize winners yesterday, got places for the final trials to-morrow. Again in the hunters' class for horses that have been hunted at least eight times with some recognized pack of hounds, the first prize went to Captain Evans's bay mare Sweet Briar.

In the contest between Alfred and Reginald Vanderbilt, the former still retains his advantage. There was an exciting struggle between them in class 49 for a pair of horses shown before a private omnibus. Reginald drove his pair, Amazement and Astonishment, and Alfred beat him for the first place with Sweet Marie and The Major.

Reginald took the red ribbon. Later on, however, Reginald had his revenge, for in class 47, for single horses shown before a lady's single horse victoria, Amazement secured the blue ribbon, while Sweet Marie was placed second to it.

One of the prettiest contests of the horse show to-day developed in the afternoon's opening event for ponies in harness. It brought forth the youngest driver who has ever guided an entrant. She is Miss Allen Gray, of Orange, Va., with a wealth of blonde tresses and dainty features. The appearance of such a young driver created quite a sensation, and when Miss Gray drove into the ring the big amphitheatre fairly shook with applause. She drove her pony, Finah, to a smart cart. Spectators sighed when she clattered out at the gate. The contest narrowed down to Mrs. John Gerkin, driving the famous Don Caster Model and twelve-year-old Harold Richards, a nephew of Judge Moore, driving Berkeley Bantam, a new aspirant for honors. The boy won.

### INSTRUCT HOWITZERS.

Mr. Vaughan-Lloyd to Give Soldiers Physical Training.

Mr. Randolph Vaughan-Lloyd, the well-known physical culture instructor of this city, has been engaged to train the members of the Howitzers in this line. The Howitzers have secured the Stuart Horse Guard building, adjoining their armory, and this will be used as a gymnasium. Mr. Vaughan-Lloyd will teach all the well-known indoor sports, including boxing and wrestling. His classes will meet on Tuesday and Thursday nights.

The instructor is well pleased with his new field, and declares that he has some fine subjects, as all the members of the Howitzers are healthy specimens of manhood.

Mr. Vaughan-Lloyd suffered a broken rib some time ago in a wrestling match, but he declares that it is now stronger than ever, and he is in fine shape for his work.

Interest in boxing, wrestling and other methods of physical training is evidently increasing here and in other portions of the State, and the Howitzer boys are enthusiastic ever securing the services of Mr. Vaughan-Lloyd.

### A PRIZE-FIGHT BLOW RESULTED IN DEATH

GRAND RAPIDS, MICH., November 20.—The coroner's jury, which investigated the death of Mike Ward last Friday, returned a verdict to-day finding that Ward came to his death "through a fall, as the result of a blow struck by Harry Lewis (Besterman), while engaged in a prize-fight." The verdict says that blame should be laid upon the promoters and abettors of the fight as fully as upon the principals themselves.

After the return of the verdict a warrant was issued for the arrest of Lewis, who has been in custody since the fight, charging him with wilful murder.

Frank Lynch, of this city, who promoted the boxing-match between Mike Ward and Harry Lewis, was arrested today on a warrant charging him with making an agreement to promote a prize-fight. He was held under $1,000 bonds.

### "STONEY" M'GLYNN IS POLICEMAN IN YORK

YORK, PA., November 20.—Ulysses Grant McGlynn, who, after finishing the season as the star twirler on the York team, of the Tristate League, played with the St. Louis Nationals, donned a police uniform here last evening, reporting at the City Hall for duty at 6 o'clock.

McGlynn has been assigned to the north district of the Twelfth Ward as a night patrolman. Mayor McCall, who appointed the baseball star to a place on the force, administered the oath of office to him at the City Hall at 8 o'clock this morning.

McGlynn said, after having been sworn in: "I think I will like this business of being a cop. No, I don't think I will go back to the diamond again. I have had enough of it, and I don't want to make the mistake of staying in the baseball profession until I am a dead one and have to get out." McGlynn's pay as a night patrolman is $60 a month.
