RUNNING SORES COVERED LIMBS

Little Girl's Obstinate Case of Eczema — Instantaneous Relief By Cuticura—Little Boy's Hands and Arms Also Were a Mass of Torturing Sores — Grateful Mother Says:

"CUTICURA REMEDIES A HOUSEHOLD STANDBY"

'In reply to your letter I write you my experience, and you are privileged to use it as you see fit. Last year, after having my little girl treated by a very prominent physician for an obstinate case of eczema, I resorted to the Cuticura Remedies, and was so well pleased with the almost instantaneous relief afforded that we discarded the physician's prescription and relied entirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When we commenced with the Cuticura Remedies her feet and limbs were covered with running sores. In about six weeks we had her completely well, and there has been no recurrence of the trouble.

"In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resolvent. In about three weeks his hands and arms healed up; so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to come up on the mountain. Respectfully, Mrs. Lizzie Vincent Thomas, Fairmount, Walden's Ridge, Tenn., Oct. 13, 1905."

King Quality SHOES FOR MEN

They Fit the Foot That's Inside — King Quality — They Please the Eye That's Outside

Not ordinary shoes, not shoes that merely look good but hurt your feet; not shoes that are merely comfortable either, although King Quality Shoes are certainly that, but shoes that unite comfort and style.

King Quality Shoes

are comfort giving shoes, foot beautifying shoes, instep supporting shoes, ease conferring shoes and rest bestowing shoes. The best-dressed man can find no more elegant and correctly shaped shoe; the pedestrian can find none more easy to wear. Shoes that add distinction to every man who dons them.

GREAT GATHERING OF NOTED PRELATES IN CITY TO-NIGHT

(Continued from First Page.)

Street, is widely known as a composer and musician. He received his degree as Doctor of Music from the University of New York, and is recognized as an authority on church music.

In speaking of the new Cathedral, Dr. Brown said:

"It is the most imposing cathedral I have seen on this side of the water. It is simply magnificent."

Father Nolan is also vastly pleased with the great edifice. He said:

"One of the most inspiring church buildings in America. It gives one an idea of the great cathedrals of Europe. Its lines are majestic and strictly architectural in every detail.

"One of the unique features, which suggests the cathedral of Cologne, is the ambulatorium.

"Of course the difference is that in Cologne the altars are in the ambulatorium."

At consecrations it is usual to deposit the relics that will be placed on the altar in a temporary chapel built in front of the cathedral main entrance, but at Sacred Heart the relics will be kept on the the altar in the sacristy and will be taken by the four priests, vested in red, from the sacristy into the cathedral.

It is also customary for the prelate and the priests of the cathedral to fast and pray during the day preceding the consecration, but Bishop Van de Vyver has given those under his charge dispensation on account of there being so much to be done.

Coming To-Night.

Mr. and Mrs. Thomas F. Ryan, the donors of the cathedral, will reach Richmond in their private car to-night with several friends. They will stop at the Jefferson Hotel, but on account of the recent death of their son will remain in seclusion.

It is expected that Monsignour Falconio, the papal delegate, will bring special greetings from the Holy Father as well as his blessing to the people of the diocese.

The following reverend fathers will act as chaplains:

To Bishop Kenny, Father Patrick Doulon, O. S. B., of Manassas.

To Bishop Canevin, Father T. Crowe.

To Bishop Ludden, Father Charles.

Mr. Sullivan, chairman of the guard of honor, calls especial attention to the following rule:

Except for illness or other good cause no one should be permitted to leave the cathedral during the services. Should it become necessary to remove any one during the services, it should be arranged with as little confusion as possible and through the most convenient exit.

U. S. CIRCUIT COURT.

Important Cases Argued and Decisions Reserved by Judges.

Two cases were argued in the United States Circuit Court of Appeals yesterday. Judge Pritchard presided, and Judges Waddill and McDowell are sitting with him.

Hon. James E. Boyd left for his home at Greensboro, N. C., on Saturday, and on yesterday Hon. William H. Brawley left for Columbia, S. C., where he is to hold a term of the United States courts for the next two weeks. He will likely return here to sit in the Zell case, which has been fixed for hearing in this court on December 10, 1906, and in which case he presided when it was on hearing here during the last week. The bond was raised from $25,000 to $50,000 late yesterday afternoon, conditioned on his paying all costs and damages to any party in interest if he fails to make his plea good.

The cases argued yesterday were:

The Jacob Tome Institute vs. James A. Whitcomb, cross-appeals from the Circuit Court at Baltimore, Md., continued from yesterday. Further argued by Joseph R. Gunther, of Baltimore, and L. Marshall Haines, of Elkton, Md., for the Tome Institute, and by John E. Semmes, of Baltimore, and Charles F. Carusi, of Washington, D. C., for Mr. Whitcomb, and submitted.

Palatine Insurance Company (Limited), of Manchester, Eng., appellant, vs. Katherine T. O'Brien, appellee; appeal from the Circuit Court at Baltimore. Argued by John J. Donaldson, of Baltimore, for the appellant, and by Ryland P. Stewart, of Baltimore, for the appellee.

The court will most likely adjourn tomorrow for Thanksgiving, to convene on Monday next.

FAREWELL SERVICE.

Rev. Mr. Betty to Preach at Clay-Street Church To-Night.

Rev. L. B. Betty will occupy the pulpit of Clay Street Methodist Church to-night at the midweek prayer service.

Mr. Betty, who has just completed a three-year pastorate at Park Place Church, and has been assigned to Centenary Church, Norfolk, for the coming year, was for four years the pastor of the Clay Street congregation, preceding their present pastor, Rev. Dr. T. McN. Simpson, and is much beloved by his old congregation, who will doubtless turn out to-night in full force to hear him and bid him God-speed to his new field of labor.

MOUNTAIN FIRE ON VIRGINIA LINE

WINCHESTER, VA., November 27.—Telephone messages received here this evening state that the mountains on the line dividing Frederick county, Va., and Hampshire county, W. Va., are afire and that a stiff wind is blowing, threatening to cause great damage.

The fires extend nearly ten miles along the mountains, and although property-owners have been fighting it for the past day and night, the flames continue to spread. It is said the fires were started in this county by West Virginia mountaineers, who desired to drive game birds and animals back into that State, and that an investigation will be made by game wardens of Virginia.

The fifth fire, destroying entire wheat crops in Clarke county within the past few weeks, is raging to-night on the farm of James T. Berlin, near Berryville, and a message from that place says the entire crop of over two thousand bushels, including a fine quality of straw is a total loss. The conflagration is thought to have originated from a traction engine.

ELIXIR BABEK

Cures Malaria, Chill and Fever When All Others Fail.

Its Effect is the Same in All Countries.

To the Manufacturers of "ELIXIR BABEK."

Gentlemen: During the summer of 18— I contracted the disease known as malaria. After a year's fruitless treatment by a prominent Washington physician, I was entirely cured by your ELIXIR BABEK. Upon my arrival in this country I was again stricken with malaria, but this time in a worse form—the tropical malaria. Remembering the merits of your remedy, I immediately sent for some. Again it proved to me that for malaria it was far superior to any physician's treatment.

Elixir Babek in this country is worth its weight in gold. Respectfully yours,
