RESULTS OF THE SPORTING EVENTS OF THANKSGIVING DAY

WONDERFUL GAME ON NORFOLK FIELD

Indians Defeat Virginians by the Remarkable Score of 18 to 17.

EXCITING FROM THE KICK-OFF

Nine Thousand People Cheer Themselves Hoarse—Randolph and Hornicker.

[Special to The Times-Dispatch.]

NORFOLK, VA., November 29.—Spectacular to a degree never probably before witnessed on a Southern gridiron was the game between the Carlisle Indians and the University of Virginia on Lafayette Field this afternoon, won by the Indians by the score of 18 to 17. The failure by Virginia to kick an easy goal lost her the game.

Much kicking and long runs made the game such a one as spectators like best, and the 9,000 present were kept up to a high pitch of enthusiasm. The field and weather conditions were perfect for the game.

Virginia kicked off for the first ten minutes' of play; both sides were cautious, and neither appeared to have the advantage, the ball being in the air a great part of the time. This was kept up until Little Boy fumbled one of Randolph's kicks on Carlisle's thirty-yard line. Johnson was there. Snapping up the ball and avoiding two Indians who were in his way he took the ball over for the first touchdown. Joy and excitement in the ranks of Virginia supporters went riot.

Indians' Touchdown.

The ball was kicked out and Johnson caught it fairly in an easy position, but Randolph missed the goal that lost the game to Virginia. The Indians played with redoubled determination after this. Securing the ball on a kick-off on Virginia's forty-yard line, by line bucking and end runs they made several first downs, and Little Boy was forced over the line for a touchdown. Mount Pleasant kicked goal. The Indians kept up their aggressive playing. Little Boy, on a double pass from Dillon took the ball to within striking distance of Virginia's goal, and by line smashing Little Boy was soon sent over for another touchdown. Mount Pleasant kicked goal. After the play had progressed less than a minute in the second half Johnson made another sensational run. Receiving the ball from Hornicker on a double pass, he dashed through a broken field for a distance of eighty yards and another touchdown. Randolph kicked goal. The Indians were quick to get back in the game. Mount Pleasant on a double pass, and with practically no interference at right end, sprinted fifty yards for another touchdown. He kicked the goal within five minutes after the resumption of play. The play was fast and furious. It kept up for another twenty minutes without further scoring until Hornicker was seen to emerge with the ball from a scrimmage on the Indians' eighty-yard line.

Flying through a broken field, he led three Indians a merry chase, which did not end until the ball had been placed safely over the Indian goal. Randolph kicked goal, and the game ended five minutes later, with the Indians one point to the good.

The line-up follows:

Indians.	Position.	Virginia.
Lubo (Tomahawk)	right end	Maddux
Bowen	right tackle	Cooke
Laroque	right guard	Williams
Hunt	centre	Gloth
Dillon (Oldman)	left guard	Vaughan
Wausek	left tackle	Woods
Gardner	left end	Myers
Archie Libby	quarter	Hornicker
Mt. Pleasant	left half	Johnson (J. Libby)
Henricks	right half	Randolph
Little Boy	fullback	Neff

Summary—Touchdowns: Johnson, 2; Hornicker, 1; Little Boy, 2; Mt. Pleasant, 1. Goals from touchdowns: Randolph, 2; Mt. Pleasant, 3. Umpire: Mike Johnson, Georgetown. Referee: Poe, Princeton. Head lineman: Barry, Georgetown.

IN HIGH SPIRITS OVER THE RESULT

CHARLOTTESVILLE, VA., November 29.—The Virginia students who did not go to Norfolk to see the contest with the Carlisle Indians are highly elated over the splendid showing made by the team, and are celebrating to-night almost as much as they would have done had Virginia won out. A detailed report of the game was received at the University, and the stay-at-homes were worked up to a high pitch of enthusiasm, as first one eleven scored and then the other. The crowd was especially delighted at the brilliant work of Honaker, whose abilities as quarterback were first discovered in the contest with George Washington, next to the last game on the schedule.

His run to-day for eighty-two yards for Virginia's final touchdown stamps him as a coming star and a worthy successor to the fleet-footed Randolph, who to-day played his last game for the Orange and Blue, as next session he enters the theological seminary near Alexandria to complete his studies for the ministry. Randolph is eligible, however, to play one more year at Virginia.

Virginia rooters are congratulating themselves on the large number of points scored by the team against the Redskins, only six less than the total made against them throughout the entire season. Before to-day only two touchdowns had been made on the Indians this season, one by Pennsylvania and the other by Harvard. Syracuse, Vanderbilt and Pennsylvania State each tallied on either a field goal or goal from placement.

Sheaves of congratulatory telegrams were sent to-night to Captain Johnson and members of the eleven.

DESPERATE FIGHT SAVES PENNSY

Only Hardest Struggle of Their Existence Staves Off Defeat for Quakers.

PHILADELPHIA, November 29.—With the ball within one foot of the home team's line, the annual game between the Pennsylvania and Cornell football elevens on Franklin Field came to an end without either side being able to score. The finish of the contest, with Pennsylvania fighting desperately to ward off defeat, was as sensational a piece of football play as has been seen on the Red and Blue gridiron in a long time.

Within but a few minutes of time left when Hollenback, for Pennsylvania, kicked against the wind to the home team's forty-five-yard line, where a Cornell man got the ball. Two line plays and a quarterback kick put the ball on Pennsylvania's fifteen-yard line, still in Cornell's possession.

Here the Ithacans tried a forward pass. Hollenback intercepted the pass, but was unable to hold the ball, and Van Ormon, for Cornell, fell on it seven yards from Pennsylvania's goal. Two plays against the tackles, and Cornell was on the one-yard line. It seemed as if nothing could stop her, but on the next plunge into the line the Pennsylvania men held, and Cornell dropped in her tracks. It was then Pennsylvania's ball on downs. Pennsylvania decided not to take a chance to carry the ball with it practically on her goal line, and Hollenback was sent far back of the goal posts to kick out. He was directly behind the crossbar, and in order to avoid it, he kicked to one side. The punt was bad, and the ball went out of bounds about two yards from the goal line.

Again on the One-Yard Line.

With the ball in her possession, two yards from Pennsylvania's goal line, the Ithacan made a yard on the first play, but at the second plunge into the Pennsylvania line failed to gain. The ball was then on the Quakers' one-yard line. Cornell had one more try, while Pennsylvania was in the last ditch and desperate. The signal was given, the teams crashed against one another, and half of Cornell's players on top of the struggling mass of men spilled over Pennsylvania's goal line.

As the teams plunged into each other the timekeeper's whistle announced the end of the game. Every one believed Cornell had won, but when Referee Corbin and Umpire Edwards finally separated the struggling players they found a Cornell man hugging the ball a foot short of the line of victory.

Outside of the desperate finish the game did not afford either side much opportunity for cheering.

VIRGINIA TEAM WON FROM A. & M.

(Continued from First Page.)

superiority of the Virginians in running back punts about equalized the advantage. Throughout the first half luck, alertness, or what you will, favored the Virginians. Several times they punted and then regained the ball through a Carolina fumble or by the quickness of their own ends. Forward passes were attempted by both sides in this half, but generally proved abortive. Both sides made one try at a field goal from placement in this half, but each try fell short.

Despite the apparent evenness of the battle in the first half, and the game rally of the Carolinians after Virginia's score in the second half, roughly compiled figures show that Virginia advanced the ball further by rushes in this half than did the Down-homers.

In the entire game, including running back punts, runs on fake kicks and advances of forward passes, the Virginia eleven advanced the ball nearly 500 yards, to about 175 for North Carolina. Carolina punted oftener than the Virginians.

Brilliant and Well Fought.

Throughout the entire game it was a brilliant and a stubbornly contested game. The betting odds favored the Carolinians, and it was difficult to find Virginia money during the first half, but after the score all felt that it would be decisive, and the tide turned suddenly and completely. The visitors were crestfallen, but rallied later, when their team, by old-fashioned line-plunging, pushed the ball down to Virginia's four-yard line. Just as anticipation had reached its highest, the sudden transformation came, and Carolina hopes were dashed.

DETAIL OF THE PLAY.

Story of How the Virginians Wrenched Their Victory.

Captain Wilson, of Carolina, won the toss and decided to defend the west goal. V. P. I. chose to kick. After some discussion it was decided to play halves of twenty-seven and one-half minutes' duration.

Nutter kicked off to Eskridge on the thirty-yard line, and the ball was advanced one yard. Wilson went round the end for nine yards and then kicked the ball outside. It was brought back and given to V. P. I. on the forty-five-yard line. V. P. I., after three downs, lost the ball, being unable to gain against the strong A. and M. line. A. and M. tried an on-side kick and Wilson gained twenty yards on it. On an end run Wilson nets five more yards. A second attempt, however, lost him the same amount. With the ball on the twelve-yard line Wilson attempted a place kick, but it was blocked by a V. P. I. line man, and Wilson (V. P. I.) fell on it on the eighteen-yard line.

Nutter tried around the end, but was tackled for a loss of one yard. Hodgson also failed to gain, and Nutter kicked, but the next play failed, and Worthington kicked to the middle of the field, where Eskridge was downed in his tracks. Thompson gets three yards through the line, and follows it up by seven more in the same place. A forward pass touches the ground, and V. P. I. gets the ball on the twenty-five-yard line.

Nutter Goes Through Line.

Nutter went through the line for five yards, and Smith followed it by one. Worthington kicked to the forty-eight-yard line, where Eskridge tried a fair catch, but missed the ball. Varner fell on it, and was downed where he fell. Smith slipped off one yard. Hodgson got four, and Worthington kicked to the twenty-yard line, where Diffendal (V. P. I.) got the ball on a fumble. An end play fails to gain, and Nutter is thrown for a loss. A forward pass was tried, and Carolina got the ball on a fumble.

Wilson punted to the forty-yard line. In the mix-up Thompson was injured, but recovered in time to enter the game again. The A. and M. rooters cheered him to the echo when he came back.

Nutter lost three yards on a double pass and followed it by an end run which nets V. P. I. twelve yards. Smith bit the line for two yards, and a forward pass add fifteen more to the gains. Diffendal then took the ball through the line with the whole team clinging to him for ten yards.

At this point Eskridge twisted his ankle, but after much bandaging he went back into the game. Hodgson got three yards through the line and another three around the end. Nutter then goes around the end for seven yards. Two line plays are fruitless, and Hodgson attempts a place kick, which failed.

A. and M. kicked out from the twenty-yard line to Wilson, who advances for ten yards. Nutter gained five yards around the end, but lost the same number on a line buck. Worthington punted to the forty-four-yard line, to Eskridge, who was downed in his tracks by Varner. In the first scrimmage A. and M. lost the ball on a fumble, and Worthington kicked again. The ball went over the goal line, and was kicked out from the twenty-yard line. A. and M. got the ball on a fumble, but after the first down Eskridge fumbled, and V. P. I. got the ball on the forty-yard line. Nutter loses ground on a double pass, and Worthington kicked again. Eskridge fumbled and Varner again fell on the ball on A. and M.'s thirty-yard line. Nutter lost five yards on an end run, and on a forward pass the ball is given to A. and M. On a forward pass Wilson ran twenty yards, but before another play was used time was called, with the ball on V. P. I.'s thirty-yard line.

Second Half.

V. P. I. received the kick on the ten-yard line, and again began to use Nutter through line and around the end. After two attempts Worthington kicked to the twenty-yard line, where Wilson is dropped in his tracks. A. and M. tries three times, and the ball is lost on downs. Worthington immediately kicked again, and A. and M. got the ball on the forty-eight-yard line. A. and M. kicked, and Nutter advanced the ball twenty yards. Eskridge tackled him, and received an injury to his ankle which compelled him to retire from the game. Drake took his place at quarterback.

Two line plays were tried by V. P. I., but the required distance was not made, and Worthington kicked to the five-yard line, where the ball was advanced five yards. A. and M. returned the kick to the forty-five-yard line. Nutter advanced fifteen yards around the end, and Branch gets four through the line.

On a fake place-kick Nutter then made the most sensational and telling run of the game. He passed the whole A. and M. team, and was finally brought to the ground when the ball was only four yards from a touchdown. On the next play Nutter went through the line and scored the only touchdown of the game. Hodgson kicked goal.

Spectators Go Wild.

The spectators went wild at this point, and nothing could be heard except the roar from the Virginia side of the bleachers. Score: V. P. I., 6; A. and M., 0.

The last part of this half was an occasion of the wildest excitement on the part of the Carolinians. The A. and M. team, by steady gains around end and through the line, advanced the ball up to the two-yard line, and it seemed to be impossible to stop them. On the last down a tackle play was used, the ball was fumbled, going fairly into Wilson's (V. P. I.) hands. He cleared the field and sprinted seventy yards, but was tackled from behind on the thirty-five-yard line. Another scene of the wildest enthusiasm on the Virginia side of the field was witnessed, and Wilson's name was yelled back and forth for fully two minutes. After this the ball was kept in the middle of the field without any chance of a touchdown for either team. The whistle blew, with the ball on V. P. I.'s thirty-five-yard line.

Injury to Nutter.

Right Halfback Nutter, the star ground-gainer of the Virginia Polytechnic Institute football eleven, who made the touchdown for his team and was at all times a tower of strength, was injured near the close of the game yesterday and had to retire in favor of Tredwell. Dr. Lawrence T. Price, who was summoned to attend the player after the game, made an examination and found that he had fractured his right collar-bone. The fracture was reduced, and Mr. Nutter is suffering little pain from the casualty.

STIRRING SCENES AFTER THE GAME

Enthusiasm and Mirth in the Lobby and at the Theatre Last Night.

The scene last night at the theatres and hotel lobbies was one of the greatest brilliancy, taking in as it did the colors, songs and yells of the football enthusiasts and college men. Until a late hour the crowd remained in the hotel lobbies, and sang and yelled with the greatest spirit. Red and white was mixed with the crowd as largely as was the orange and maroon, and the Carolinians gave their cheers and songs with as much spirit as if they had been the victors in the great contest yesterday afternoon.

Only one fight was registered during the night, and that was between men not connected with the two institutions, although they were rooters on opposite sides. One tore the colors from another's sleeve, and the action was answered with a blow. Except for this one slip the crowd was as orderly as could be, and no undesirable incidents were noticed.

The colors and appearance of the cadets and supporters made the scene most brilliant and interesting. At the Bijou Theatre, where both teams were entertained by the management, the chorus came out decorated with the colors of the institutions and sang songs in which the game was mentioned. Every time this was done the audience broke out in the most enthusiastic applause, and the teams and supporters gave their college yells. All through the performance the yells were rattling along and the play was lost sight of in the interest shown in the teams.

At 12 o'clock last night a special train over the Seaboard carried the Carolina cadets and team back to Raleigh. The other Carolinians left at short intervals all during the night, and this morning there is not a corporal's guard of them in the city.

The V. P. I. team will leave this morning at 9 o'clock over the Norfolk and Western, and will arrive in Blacksburg by nightfall.

One of the distasteful features of the game and day yesterday was the action of the Raleigh of North Carolina men in sending telegrams to the V. P. I. team all during the game, commending them and wishing the best of luck. In one of the messages it was said, "God bless you, if you win from the farmers." Such messages, when it is known the attitude between the two institutions, struck the V. P. I. management and team as superfluous. The A. and M. men took it as a matter of course, and were not hurt by it.

CALLED UMPIRE ROBBER.

Many Did Not Understand Decision on Fair Catch Yesterday.

During the latter half of the football game yesterday a ruling of the umpire caused great dissatisfaction among the V. P. I. adherents who did not know the details of the game. North Carolina had punted from about midfield to a V. P. I. player on his own twenty-five-yard line, and the Virginian who caught the ball made a sensational sprint through the Carolina team and carried the ball back to about where it had been punted. Hardly had the cheers died away, before the official in question was seen carrying the ball back to where it had been caught. There were many and loud protests from the north stand, and the umpire was called a robber by many partisans of the Virginia boys. As a matter of fact the player had signalled for a fair catch, or at least the umpire so understood, and, that being the case he was required to heel the catch instead of running with the ball. The players understood the decision, and so made no protest.

RING TO COACH.

Token Given "Sally" Miles in Recognition of His Work.

Before the game yesterday afternoon the V. P. I. management presented Coach "Sally" Miles with a handsome seal ring as a token of the regard and appreciation of the services rendered by the coach held by the students of V. P. I. The ring was presented in the Richmond Hotel by Manager Williams, when all the team was present.

Mr. Miles has done with the V. P. I. team what few men could do. At the beginning of the season he took hold of a set of green men and whipped them into one of the best teams ever had at the V. P. I. When the team first made its appearance this season even the supporters felt that all would be lost. The Bucknell and Navy games, however, showed that the team was a good one, and it is known that this is due entirely to the efforts of Coach Miles.

Immediately after the game yesterday the team got together on the field and elected Diffendal as captain for the next year's team. The selection was made unanimously, and all the men are jubilant over the good choice.

This is the second year Diffendal has played on the team, and during that time he has made a reputation for himself that is most enviable. In the game yesterday he was noticeable all during the game, and has always been mentioned most favorably. He is a senior next year and will from that position be able to wield a great influence over the men.

HANDLED CROWD WELL.

Excellent Street-Car Service to and From Football Game.

The Virginia Passenger and Power Company yesterday handled the enormous crowd of football enthusiasts comfortably and expeditiously, landing nearly ten thousand people at Broad Street Park in time for the big game. The service was excellent, long strings of cars being available to transport the throngs. These filled as rapidly as they reached First Street, and many of them long before then. Many of the cars were operated from Ninth and Broad to Lombardy Street, where they were turned back and refilled. So far as reported the day was without accident of any kind.

The car traffic was exceptionally heavy all day, and especially on the Main Street line, about 7 P. M., and until 8:30, when the cars were even more crowded for a while than on Broad Street.

His Ankle Sprained.

The Agricultural and Mechanical College of North Carolina was somewhat weakened in the last half of the game yesterday by the injury and consequent retirement of its brilliant quarterback, Eskridge. This player twisted his ankle severely and probably sprained it, being unable to continue play thereafter. He was replaced by Drake, who played very well, but not up to his predecessor's form.

Little Stephens, right end of the Carolina eleven, although the lightest man on the team, played a fast and brilliant game throughout, and was one of the stars of his team.

DAVIDSON COLLEGE WINS.

North Carolina Boys Defeat the V. M. I. by Score of 5 to 0.

[Special to The Times-Dispatch.]

LYNCHBURG, VA., November 29.—Davidson College, of North Carolina, this afternoon here defeated the Virginia Military Institute in a pretty game of football by the score of 5 to 0. The Cadets played a more skillful game than Davidson, but the team from Carolina was a strong factor in the defeat of the Lexington team.

The Yemassees Win.

In the annual game of basket ball between the Yemassee and Mohican teams, at the Hollins Institute yesterday, the Yemassees won the game by a score of 13 to 2. The contest was a hard one from start to finish and both teams put up an excellent game. Miss Laura Armitage, of Richmond, is the captain of the winning team.

RICHMOND WINS ITS FINAL GAME

The William and Mary Boys Gave Them a Hard Fight for the Victory.

MADE BUT ONE TOUCHDOWN

The First Half Was Scoreless, But Richmond Scored in the Second Half.

[Special to The Times-Dispatch.]

NEWPORT NEWS, VA., November 29.—Nearly three thousand people, the largest crowd that ever gathered here to witness an athletic event of any kind, saw the Richmond College eleven beat the William and Mary College boys on the Casino gridiron this afternoon by the score of 6 to 0.

To the surprise of everybody, the teams were as nearly evenly matched as possible, and during the first half the ball was in Richmond territory constantly. After twenty minutes of play, the ball was on Richmond's five-yard line, and it seemed that a touchdown for the Yellow and White was inevitable, but the Blue and Red rallied, held their opponents for downs, and soon had the pigskin away from the danger line.

The first half ended with the ball in William and Mary's hands and on the William and Mary three-yard line. Score, 0 to 0.

How Richmond Won.

In the second half the Richmond fellows seemed to take a brace, and the Yellow and White was on the defensive thereafter. After seventeen minutes of play, William and Mary punted. Gooch received the ball on the fifty-five-yard line, ran back ten yards, and then was sent through for eight yards. Then, by steady line plunging the ball was taken to William and Mary's one-yard line, and then Waite was sped over the line for a touchdown. Mench kicked an easy goal, and the score was 6 to 0.

The ball was not near a goal line again, and the game was finished with it in William and Mary's hands at the centre of the field.

The stars of the game were Gooch, Bowen and Mench, for Richmond, and Carter, Somers, Dovell and Kirkmeyer, for Williamsburg. Both teams were in splendid condition, and no one was hurt during the game. Applause was generous and enthusiastic, the spectators being about evenly divided in the "rooting." The teams lined up as follows:

Richmond.	Positions.	William and Mary.
Woolfin	right end	Strong
Robertson	right tackle	Capt. Hopkins
Thrower	right guard	MacDonald
Tillson	centre	Hall
Chamblin	left guard	Dovell
Miller	left tackle	Taylor
Loulhan (Wright)	left end	(Dad) Pinton
Mench	quarterback	Carter
Gooch	right halfback	Kirkmeyer
Bowen (capt.)	left halfback	Somers
Waite	fullback	G. A. Dovell

Touchdown—Waite. Goal from touchdown—Mench. Referee—Jone, of Harvard. Umpire—Warren, of Virginia. Linesman—Curtis, of Dickinson. Time of halves, 20 and 25 minutes.

Clemson, 10; Techs, 0.

ATLANTA, GA., November 29.—The Clemson College football eleven had no trouble in defeating the team from the Georgia School of technology here to-day, winning by the score of 10 to 0. Clemson made two touchdowns in the first half, but missed both goals. In the second half Tech put up a hard fight and kept the South Carolinians from scoring, although they made a touchdown, which was not allowed. Clemson easily outplayed the Georgia School of Technology here to-day, game except in kicking.

Needed Another Minute.

WOODSTOCK, VA., November 29.—Massanutten Academy defeated Randolph-Macon Academy, of Front Royal, in the last game of football of the season here this afternoon by the close score of 6 to 5. Had the game continued another minute Randolph-Macon would have won, as they were almost on the goal line when time was called.

Alabama, 51; Tennessee, 0.

BIRMINGHAM, ALA., November 29.—The University of Alabama defeated the University of Tennessee here to-day in the annual Thanksgiving game by a score of 51 to 0. The visitors were completely outclassed.
