MONEY MARKET NOT SATISFACTORY

Traders Are Uneasy, Thinking That There Will Be Tight Money Shortly.

PROFESSIONAL ONLY TRADERS

The Harriman Investigation Is Not Calculated to Inspire Faith in the Future.

NEW YORK, April 10.—The narrow professional limitations of the present stock market continued very much in evidence to-day. The inconstant course of the price movement was accepted as reflecting nothing more than the shifting sentiments of the professional traders seeking to scalp a profit. The market seemed to be equally free from either buying or selling transactions of a substantial character. With no selling pressure on the market the room traders found it easy to advance prices as a result of their own limited buying and bidding up; but the futility of the process was demonstrated when they attempted a resale to take profits. The buying demand being as torpid as the selling pressure, the profit-taking simply resulted in prices retracing the previous course. There was not much news to account for the day's movements. The spirit of caution reflected in the diminishing activity of the market is generally attributed to a distrust of the permanence or genuineness of the present easy conditions in the money market. The financial district is full of reports of renewed negotiation for term borrowing by railroads and corporations, and this gives the impression that a waiting demand exists for all available credits, which may prevent any effective relaxation in the money market.

The determination of the Interstate Commerce Commission to push the examination of E. H. Harriman concerning certain stock transactions, by legal process, is regarded as of sinister import to the securities market, owing to the recollection of the response of the market to the last inquiry in that field. A sharp recession in the price of copper at the metal exchange was a feature of the day. The day's net changes were small, although prices were at one time considerably above and then considerably below last night's closing level.

Bonds were irregular. Total sales, par value, $1,712,000. United States 2s advanced 1-2 and the old 4s 1-4 per cent. on call. Total sales stocks to-day, 875,500 shares.

NEW YORK, April 10.—Money on call easy; 1 3-4@2 per cent.; ruling rate, 2; closing bid, 1 3-4; offered at 2. Time loans dull; sixty days, 3 3-4 and ninety days, 4 1-2@4 3-4 per cent.; six months, 5 per cent. Prime mercantile paper, 6@6 1-2 per cent. Sterling exchange firmer, with actual business in bankers' bills at $4.8560@$4.8565 for demand, and at $4.8220@$4.8225 for sixty day bills. Posted rates, $4.82 1-2@$4.83 and $4.86@4.86 1-2. Commercial bills, $4.82. Bar silver, 64 7-8. Mexican dollars, 4 9-4. Government bonds firm. Railroad bonds irregular.

BALTIMORE STOCK MARKET

BALTIMORE, MD., April 10.—Seaboard Air Line, common and preferred—Nothing doing.

COTTON MARKETS.

NEW YORK, April 10.—The cotton market was quiet during to-day's session with fluctuations narrow and irregular. The close was quiet but steady at a net decline of 3 points to an advance of 3 points, the new crop being relatively steady. Sales were estimated at 100,000 bales. The opening was steady at a decline of 1 point to an advance of 1 point, which was about as due on the cables. The weather map was a little better than blocked for. Temperatures were still unseasonably low, but frost was reported at only a couple of points, averaging little warmer than the previous day, and there were rumors that Western jobbers were cutting the price of goods. Advices from Fall River and Eastern centres generally indicated continued firmness in cotton products, however, and after some little early irregularity the market gradually worked up to a net gain of about 3@4 points. This was followed by a setback, which seemed to be the result of selling by houses with Southwestern connections, but the list was steadied slightly under the closing figures of the previous day by a renewal of covering, and later fluctuations were irregular with the new crop showing steadiness on buying for a turn and undoing of straddles. Port receipts were well under those of last year, but exports were light. Southern spot markets were generally unchanged.

Receipts at the ports to-day were 12,772 bales against 13,669 last week and 23,887 last year. For the week 90,000 bales against 110,217 last week and 115,676 last year. To-day's receipts at New Orleans, 5,355 bales against 9,921 last year, and at Houston 6,162 bales against 3,286 last year.

Cotton futures closed quiet and steady:

NEW ORLEANS, April 10.—COTTON—Spot cotton closed quiet and steady with prices unchanged; middling, 10 9-16; sales were 1,250 bales on the spot and 450 to arrive. Futures opened quiet and steady at a decline of 1 point under the close of yesterday. Little activity was displayed during the early session, but the market fell off somewhat as a result of the selling in anticipation of a bearish semi-weekly report. When the report was posted around the noon hour, however, it was construed as bullish, and the market regained those points which had been lost earlier in the day, closing quiet and steady from 1 point below to unchanged as compared with the close yesterday.

ON THE LOCAL MARKETS

PRODUCE MARKET ACTIVE AND FIRM

The business on the wholesale produce and fruit market was more active yesterday than on the previous day. The receipts of down-South vegetables were somewhat larger, and the demand was more pronounced. Virginia stuff, such as fowls, eggs and butter, were not in such heavy receipt, and prices on all were a shade stiffer, eggs getting up a cent in the dozen. Fruits remain firm at former quotations. The supply of apples is not so bountiful as it has been, but California oranges and bananas are in good receipt, with prices unchanged. It is said that a trust controls these fruits, and therefore the figures vary but little, the buyer and consumer having but little if any voice in fixing prices.

TOBACCO BREAKS DECIDEDLY SMALL

The leaf tobacco breaks at all the warehouses were light yesterday, there being no recipts by wagon, and those by rail very limited. The few goods that were offered were of the better grades of fillers, with a few wrappers added. All of these sold well, the manufacturers being anxious for stock, and regretting that there was not more of the weed to buy.

The outlook for breaks to-day is very poor, but some stock came in yesterday afternoon by rail, and the houses may have some small breaks this morning. The sales are scheduled to run as follows: First, at Shockoe; second, at Crenshaw's; third, at Shelburne's, and fourth, at Stonewall.

GOULD QUITS POLO.

Sells His Ponies—May Take Up Sport Again in a Year.

LAKEWOOD, N. J., April 10.—George J. Gould is disposing of his stable of polo ponies at private sale and is withdrawing from the game temporarily. For a year, at least, there will be no polo games at Georgian Court.

Mr. Gould has by no means lost his interest in the sport. He is every bit as enthusiastic over polo now as he was when he organized the Lakewood Polo Club and promoted several championship tournaments here. Georgian Court became the home of polo in America. The polo fields here represent an outlay of about $75,000, and are said to be the finest playing courses in this country.

Mr. Gould's railroad enterprises have kept him so busy that he has spent little time at Georgian Court this winter. His sons, Kingdon and Jay, have been too busy with their studies to give much time to polo. Kingdon is a junior at Columbia, and Jay will enter the same university next September. Jay, who recently successfully defended his title of American amateur court tennis champion, is now in London, preparing for the British championship contest. Mr. and Mrs. Gould and Kingdon are to join him on the other side early in June.

MIDDIES' NEW CAPTAIN.

F. T. Van Auken to Head the Baseball Nine.

ANNAPOLIS, MD., April 10—The Midshipmen have been compelled to elect a new captain of the baseball nine, owing to the illness of Benjamin L. Lombard, captain and third-baseman, and Frederick T. Van Auken, of Plainfield, N. J., has been selected for the place.

Van Auken is the most experienced pitcher on the team, and is expected to do the bulk of the work during the season. Lombard, who is from Hill House, Mass., has a nervous affection. He returned from sick leave just before the opening of the season, but has been in the hospital twice since, and is not able to continue to play baseball.

LATIMER TO CAPTAIN TIGERS' WRESTLERS

PRINCETON, N. J., April 10.—At a meeting of the Tiger wrestling team, held last night, Empire Latimer, 1908, was elected captain of the team for the coming season. Latimer has wrestled for Princeton in the lightweight division for two years, and has an excellent record behind him. In the intercollegiate meet he tied for the individual championship in his class, while for the last season he has a record of four bouts won and one tied out of the total of six matches in which he contested.

The only serious loss that the Tiger grapplers will suffer this year is the graduation of Captain E. C. Howell, the special weight man. All the other members of the team will still be in college next year, though the heavyweight class will need some new material.
