S.S.S. CURES SKIN DISEASES

There is an evaporation from the body going on continually, day and night, through the pores and glands of the skin. This is nature's way of maintaining the proper temperature of our bodies and of preserving the softness and flexibility of the skin, and so long as the blood is free from impurities no trouble will result. When however, the blood, from any cause, becomes infected with humors and impurities these, too, must be expelled, and coming in contact with the delicate tissues and fibres with which the skin is so abundantly supplied they produce irritation and inflammation, and the effect is shown by Eczema, Acne, Tetter, pimples, rashes and skin troubles of various kinds. To effect a cure the blood must be cleansed and purified. This cannot be done with external applications, but requires constitutional treatment. S. S. S. is the best treatment for all skin diseases. It goes down into the circulation, neutralizes and removes the humors and acids and thoroughly cures skin affections of every kind. S. S. S. supplies the blood with the proper nutritive qualities so that the skin instead of being irritated and diseased by unhealthy humors, is fed and sustained by cooling, healthy blood. HUNT AND FISH AT MOUNTAIN LAKE

(Special to The Times-Dispatch.)
MOUNTAIN LAKE, VA., August 10.—Hunting and fishing, bowling and tennis are still being engaged in by the sportsmen. Many remarkable "catches" are made daily. For the more quiet folks, there are the ever-ready "bridge" players, and dancing prevails among the younger set.

Last Saturday night a most delightful favor german was given. The ballroom, prettily decorated with bowls of beautiful cut flowers, and filled with lovely maidens, handsomely gowned, handsome youths, and interested spectators presented a most pleasing and animated appearance. The german was most charmingly led by Mr. R. C. Lamkin, of Roanoke. Many graceful figures were led, including the Maypole dance, four-in-hand and many others. Favors of dainty riding whips, harps, horns and quaintly-shaped boxes of bonbons were given, and the dancing continued until the strains of "Home, Sweet Home," warned the enthusiastic dancers that Sunday morn had dawned, they must needs call a halt for a season to their festivities. Punch was served during the dance and more substantial refreshments at the close, after which the guests, unanimously declaring it to have been one of the most delightful evenings they had ever spent, dispersed.

Wednesday night another highly interesting euchre party was given—couples participated and great enthusiasm was displayed. Those on whom fortune smiled this time were: Lady's prize, Mrs. Joseph Robinson; second lady's prize, Miss Virginia Millspaugh; gentleman's prize, Dr. John Epes; second gentleman's prize, Mr. E. H. Miller; lone hand, Mrs. Joseph Robinson. After the game delicious refreshments brought another "long to be remembered" evening to a close.
