MANY EDUCATORS MAKE ADDRESSES

Unusually Interesting Program Is Rendered at Teachers' Conference at Manassas.

[Special to The Times-Dispatch.]

MANASSAS, VA., March 27.—The second day of the educational conference brought forth many instructive and splendid addresses on various subjects connected with public schools. At the morning session, Dr. Julian A. Burruss and Dr. W. H. Heck, of the University of Virginia, delivered fine addresses on "Education." H. Crawford Bound spoke on the subject of "School Supervision."

At the afternoon session Mrs. M. S. Moffett, principal of the Manassas High School, gave a talk on "Model Classes in Reading." Miss Ruth O. Dyer's talk on the subject of "Reading" was most interesting and instructive. "Schools Fairs" was the subject assigned to Mrs. W. W. King, and the speaker handled this subject with much ease and grace.

Dr. H. N. McIlwaine, State Librarian, was to have addressed the conference at the afternoon session, but owing to lack of time his address was postponed to the night session. Dr. McIlwaine had for his subject "School Libraries," and he read a very learned paper on this subject.

Dr. E. E. Brown, United States Commissioner of Education, was the next speaker at the evening meeting. Dr. Brown emphasized the necessity for making the work of teachers a profession, and arranging to get the very best teachers for the public schools who can be obtained. Dr. Brown advanced the argument that the same class of men who are sent into the profession of law, medicine and the pulpit should be put into the school to train the youth intellectually and morally.

Senator Lassiter attended the conference at night and spoke briefly on the subject of "Good Roads."

HAD FREE-FOR-ALL

W. R. and Herbert L. Isaacs Arrested for Fighting in Byrd Park.

W. R. and Herbert L. Isaacs, two young white men, were arrested yesterday evening in Byrd Park by a special officer for alleged disorderly conduct and resisting and interfering with him in the discharge of his duty.

It seems that four young men were engaged in a fre-for-all fight in the park when the officer interfered and attempted to arrest the crowd. Two ran off, but he got hold of William Isaacs and placed him under arrest. Herbert, it is alleged, interfered with the officer, and tried to rescue his brother.

INTERESTING MEETING.

Teachers of Botetourt County Have Two Days' Session.

[Special to The Times-Dispatch.]

BUCHANAN, VA., March 27.—The Botetourt Teachers' Association, which was held here on Thursday and Friday, has proved a pronounced success. The attendance was large and the discussions were practical and beneficial. Miss Wyatt, of Buchanan, opened the meeting with the reading of an excellently prepared paper on "How to Reach a Boy's Heart." The most interesting feature of the afternoon session was the discussion of "Corporal Punishment." The body was unanimously in favor of this mode of punishment in extreme cases.

At the night session the teachers and visitors were addressed by Senator King, of Alleghany, the patron of the teachers' pension bill, and by Dr. E. C. Crawford, of Buchanan. The High School Glee Club furnished some excellent music, using the new piano recently purchased by the glee club for the school.

At 9 o'clock Friday morning the teachers assembled at the High School to be shown the normal methods used, the fire drill and other interesting features of the Buchanan Normal School.

Two Homes Destroyed.

[Special to The Times-Dispatch.]

ASHEVILLE, N. C., March 27.—Two fires broke out almost simultaneously here shortly before midnight last night, destroying two homes. The first alarm was turned in at about 11:30 o'clock.

The first fire destroyed a tenement house at the Elk Mountain Mills, a few miles outside the city. A telephone message this morning stated that Mrs. Harkins, wife of one of the superintendents of the bleachery, was in a critical condition because of fright.

The second fire damaged a house in the city to the extent of about $3,000.

Stieff

Miniature Grand.

Just think—a wee little grand piano only five feet long! A wee little grand piano, so small it requires only a little more space than an upright, yet contains all the tonal beauties and the perfect action of the large grand and a wonderful volume.

Small enough for the smallest parlor; tone enough for the largest parlor.

Costs little more than an upright piano and within reach of the most economical buyer.

RIVERSIDE DRAG.

Horses and Hounds Are Sent Over Stiffest Course.

[Special to The Times-Dispatch.]

PETERSBURG, VA., March 27.—The regular weekly drag of the Riverside Hunt was run this afternoon over the most difficult course the club runs. The hounds were thrown in at Kenilworth Park and ran across Harvell's field; thence over to Osage farm, through Miller's, to the first check. They were again thrown in at Matoax farm, where two of the most difficult jumps on the course were encountered, being two four and a half foot gates on either side of the farmyard, about fifty feet aptrt. They then continued on through Falconer's to the Plank Road, thence across Kull's and Fisher's fields to the kill at the kennels.

Those riding were M. C. Jackson, M. F. H., on Black Sox; Lemroy Jones, huntsman, on Lady Modoc; Leroy Roper, whip, on Setback; Irving Hartley, on E. B. BIG MATCH RUMORED.

CHICAGO, March 27.—Rumors of a purse of $25,000 for a meeting between Frank Gotch and George Hackenschmidt in Australia for the heavyweight wrestling championship of the world have taken definite shape. Mr. Sanderson, of the Sanderson-Vincent syndicate, which is promoting the match, is here, and has received a cable from his partner making an offer of $25,000 for the contest to take place at Melbourne next November during the Melbourne cup race week.

Hackenschmidt already has consented to the terms and Gotch's signature is all that is needed.

FIFTEEN-INNING TIE.

Woodberry Forest and McGuire's Academy Play Great Game.

[Special to The Times-Dispatch.]

ORANGE, VA., March 27.—Woodberry Forest School and McGuire's Academy played fifteen innings here to-day to a tie, with a score of 5 to 5. The game was characterized by the brilliant work of both pitchers. After the ninth inning the contest resolved itself into a real pitchers' battle, and the game had to be called on account of darkness. Lewis, of Woodberry, seemed to have his opponents entirely at his mercy both before and after the seventh and eighth innings, when the visitors bunched three hits, for a total of five runs. Lewis struck out twenty men. Boehling, of McGuire's, the southpaw, did wonderful work, striking out twenty-three Woodberry batters. In his work only did McGuire's School show superiority. Indeed, the teams were remarkably evenly matched, Woodberry having a slight advantage in its total of ten hits to the visitors' seven. The line-up:

Woodberry—Lewis, pitcher; Chambers, catcher; Archie Christian, first base; Galt, second base; Worth, third base; Wrenn, shortstop; Andrew Christian, left field; Hyslop, centre field; Davis, right field.

McGuire's—Boehling, pitcher; C. Gruner, catcher; H. Gruner, first base; Strother, second base; Miller, third base; Saunders, shortstop; Carroll, left field; Hulcher, centre field; Adair, right field.

Umpire, Mr. Spencer, of Woodberry.
