CRIPPLED TEAM TO GO TO RALEIGH

Wake Forest Has No Hopes of Winning from A. & M. Eleven.

Wake Forest, N. C., November 18.—The football team is now in the most crippled condition it has been in this year. Wake Forest has no hopes whatever of winning from A. and M. to-morrow, for many of the best men will not play, for fear they will not be able to participate in the game with Davidson on Thanksgiving. It is not known who will play the ends, although it is probable that Faucette, Betts, Highsmith and Roberson will all be used. Pointer, the big tackle, will be unable to play on account of an injury. He is able to run through signals, but will not be used for fear that he will not be able to play Thanksgiving. His place will probably be taken by Hogan, the scrub tackle, as Parker, the substitute tackle, is also out of the game on account of injuries. Holding will occupy the other tackle.

Hawood and Carter will play guard, with Green, an able substitute. Ramseur will probably play centre. It is in the back field that practically all will be substitutes. Aydlett will play his usual place at quarter. There has been three different men to play full-back this year. Murchinson started the season, with Riddick in the line and Huntley at half. He was hurt the early part of the fall, and Riddick was shifted to the back field. He now has water on the knee, and will be unable to play Saturday, though it is believed that he can play Thanksgiving. When Riddick was hurt, Huntley was shifted from half to full. He is sick with a cold, besides being badly bruised from the Sailor game, and will be unable to play. Broughton will probably occupy this position. Savage will be unable to play his place at halfback, as he has been sick in bed all the week. Either Stringfield or Dowd will play in his position. Captain Utley may or may not play left half, as he has a bad shoulder.

POOR CARD RUN OFF AT LATONIA

Feature Race Won Without Effort by Boca Grande.

Latonia, Ky., November 18.—One of the poorest cards of the meeting was run off at Latonia to-day. The feature, a six-furlong dash, was a procession, Boca Grande getting off in front and making every post a winning one.

FISHBURNE MILITARY SCHOOL PLAYS TIE WITH ROLLER'S

(Special to The Times-Dispatch.)

Warrenton, Va., November 18.—Twice this season Fishburne Military School has played Roller Institute. The first game resulted in a score of 5 to 5 in favor of the military lads, while the second, played Thursday, resulted in a tie, neither side scoring, and this despite the fact that Fishburne was sorely crippled by the absence of five of the regular men from the line-up. The game was clean and fast.

TEAM CAN PLAY GAME, ROOTERS STAY AT HOME

Action of Randolph-Macon Faculty Will Prevent Students From Attending Game Next Saturday—Eleven in Good Condition.

Ashland, Va., November 18.—The Yellow Jacket camp is half jubilant, half sorrowful, half glad and half mad, today as the result of the final action of the faculty in regard to the football team. Jubilant and glad it is because permission was passed that the game should be played, and the student body to a man is eager for the game, whether it be won or lost. At any rate, the eleven in lemon and black will be on the field to play the Richmond Spiders on Saturday of next week, in an effort to obtain the championship title and possession of the cup. But against this permission to play is set the ruling that not a student shall see the game. Every Yellow Jacket rooter must stay in Ashland on the eventful afternoon, and the student body is gloomy over the prospect, yet nevertheless silent, because it is the only alternative by which the game can be played. It is certain that the team will be backed unanimously in spirit, although not in fact, as college spirit has seldom run as high in support of a team as the students' enthusiasm has been this year.

Change Follows Explanation.

The change in the attitude of the faculty from its original vote to disband the team is due to a lengthy set of resolutions sent by the student body, and to the explanation and apology carried by a special committee of three elected by the student body. The stand taken by the students is that, technically, the team had the right to go to Richmond, inasmuch as the previously granted half-holiday had not officially been withdrawn; that as the action of the students did have the appearance of a slight to several members of the faculty, who had expressed it as their opinion that it was not necessary for the team to go as early as desired, the students were willing and did offer an apology for the unintentional slight; that insubordination was impossible without intention, and there had been no intention in that direction. These statements and the fact of the damage to the athletic treasury and to Richmond College, an entirely innocent third party, which would be attendant to its first action, caused the faculty to change its punishment.

However the whole matter may be, and however much gloom and unrest is prevalent among the Yellow Jackets, it is certain now that the team will be ready to play, rooters being conspicuous by their absence.

Has Long Scrimmage.

The eleven had a long scrimmage this afternoon. They have been resting up since last Saturday from the hard fight they put up against Hampden-Sidney. The men are all in good shape now, except Gordon, and nothing is in sight for them except hard work. They realize that such a thing as the Yale-Princeton game is liable of repetition in miniature, and that the Spiders have a strong fighting team. Jordan is laid up with indigestion, but will be out in a couple of days.

QUINN LEADS TEAM IN WINNING STREAK

Takes Three Straights From Strong Locomotive Works Team—High Averages Made—Application for Membership by Two More Teams—Consider Monday.

The third series of games in the race for the loving cup given by The Times-Dispatch in the championship bowling games of the Richmond Bowling Association was played last night at the Newport Bowling Alleys, when the Engravers won three straights from the American Locomotive Works. The Engravers played a strong game throughout, and the outcome was a distinct disappointment to the locomotive makers, who had been reputed to have probably the strongest aggregation in the league.

The Engravers scored a total of 2,451 pins against the Locomotive Works's 2,171. No one of the games was close, the winners always having a safe lead. Captain Quinn led his team with a total of 538 pins. The losers were perceptibly frightened, and never recovered from the scare. The rooting was intense, and each team had a strong band of supporters on hand. The feature of the games was the high team average of the winners.

Marked improvement can be noted in the rolling of all of the men in the league. There appears to be more interest than at the beginning of the matches, and as each of the teams has now had a try on the alleys the race will really begin. Two additional teams desire to enter the organization, and a meeting will be held on Monday night to decide upon the desirability of making it an eight-club affair.

Following are the scores of last night's games, together with the official standing of the clubs:

WILLIAMS WILL HAVE BUSY TIME

President of League Will Undertake Settlement of All Troubles

(Special to The Times-Dispatch.)

Lynchburg, Va., November 18.—It is to be expected that the affairs of the Virginia League will take on new life upon the return of President Williams from the meeting of the National Association in Chicago. President Williams will have a big job on his hands to straighten the affairs of the league out before the coming of another season. The settlement of the trouble in Norfolk will probably be dealt with first, and after that will come a rearrangement that will be necessary to get all of the teams within the new limit of $1,200 a month. A decrease of $500 a month in salaries means that many of the high-salaried players will be turned adrift and that new material will come into the league in their places.

Conditions appear brighter for the circuit for next season than heretofore, and President Williams is looked upon by the fans over the circuit as the man of the hour to put it on a firm basis.

The indications are now that the games here next season will be played on new grounds, which promise to be as good as any on the circuit.

TEAM ENGAGES IN SIGNAL PRACTICE

Eighteen Washington and Lee Players Will Make Trip to Alabama.

(Special to The Times-Dispatch.)

Lexington, Va., November 18.—With the long trip to Birmingham to meet Alabama Thanksgiving only three days off, Coach Pollard ran his team through another strenuous signal practice on Wilson Field to-day, with the purpose of still further smoothing up the rough edges that appeared in the North Carolina game. In that contest the dash and snap so necessary to a winning eleven was not lacking, but with a comparatively new back field certain details in the interference and special formations were necessarily rather crudely executed. Marked improvement has been shown in this week's work.

Waddill, Ordeman and O'Quinn have been constantly drilled in punting, and it is certain that this branch of the team's play will be well taken care of against Alabama, as each of the three men has a reliable and steady toe. Waddill's kicking has been a cause of comment ever since he has played on Washington and Lee, but, of course, his work this season has suffered by his being kept out to such an extent by injuries. Ordeman, at sub quarter last year, was known as a good drop kicker, but never attempted punting until this fall. The third of the trio, O'Quinn, is playing his first year of college football.

Coach Pollard and Manager Thach announced definitely to-night that eighteen players would be taken on the trip to Birmingham, and it is understood that several students will accompany the team.

It is to be regretted that the opportunity is not allowed to take more men to the final game of the season, but the expense of the long trip renders this impossible. The personnel of the squad that will go will probably not be finally given out until after practice Saturday afternoon.

SCRAPPY GAME BY COLLEGIANS

William and Mary Tackle Spiders and Hope to Wipe Out Past Defeats.

Richmond College and William and Mary clash at Broad Street Park this afternoon. The eleven from Williamsburg have not won a game this season, but nevertheless they are a scrappy bunch, and fight until the referee's final whistle. Richmond College will present her strongest line-up in the game to-day.

The Spiders will have a strong line and a fast back field. The local team is determined to wipe out the defeats of the last two years, and will fight with a grim determination to win.

Coach Long and Captain Sadler both look for a hard fight, but expect to win by two touchdowns.

The collegians from the West End will line up as follows: L. E. Gilliam, L. T. Clark, L. G. Sadler, C. George, R. G. Decker, R. T. Johnson, R. E. Taylor, quarter; Jones, left half; Lankford, right half; Tyler, full back. Lutz, Cole, Benton and Duval will probably replace some of the line men before the game ends, and Ancarrow and Meredith will probably be behind the line sometime during the game. Play will be called at 3 P. M.

RUNAWAY GAME WON BY M'GUIRE

Richmond Academy Is Swamped Through Sweeping End Runs

Gains of Sixty and Seventy Yards Prove Order of Day--Score 45 to 0

McGuire's University School handed an awful drubbing to Richmond Academy at Broad Street Park yesterday afternoon, when a score of 45 to 0 was rolled up. It was not a good game of football, unless one was a supporter of the University School. As a matter of fact, it was a runaway race. Academy was woefully lacking, and with the exception of Walsh's line bucking, which carried the crowd back to the olden games, there was no one on the Academy team able to advance the ball against the strong line of the McGuire warriors.

It took just four minutes of play in the first quarter for Cottrell to carry the ball over for the first score of the game, after a sixty-yard run, marked by the splendid interference of Ebel. Scott promptly kicked an easy goal.

The crowd on hand was woefully slim, though rooting was indulged in by the adherents of the two schools. Academy had few chances to yell, but twice the losing eleven stopped McGuire on downs and took the ball away. Only twice during the game did Academy earn first down. Long end runs marked the contest. Ebel and Mercer had little trouble getting down the field on punts, and invariably gained on an exchange of kicks.

McGuire Had Easy Time.

As a matter of fact, McGuire's scored at will. Several times the whistle saved the Academy lads from more inglorious defeat. The whole game proved beyond doubt that there was little comparison between the two teams. Academy lacked aggressiveness, and time and again tackles were missed which, to the observer, looked easy. It was really a shame the way Scott and Moseley and Mercer and Cottrell and Gregory played havoc with the ends of the Academy. Paschal seemed literally to be covered with oil. Time and again he emerged from tight places and eluded his would-be capturers, running forty and fifty and sixty yards.

Desportes, captain of the Academy team, who did the kicking, is really responsible for the showing made by his team. Had it not been for his trusty toe in booting the leather away from dangerous positions there is no telling what the score might have been. Walsh, a big, husky lad, was also a big factor. Both on offensive and defensive play he was strong, and frequently got by Williams and Thompkins and threw his man before he was started. With several Walshes on the team Academy might have won.

Everybody Happy.

Naturally, the McGuire squad was happy. Even though Richmond High School had taken the measure of the boys wearing Orange and Blue, and had won the prep school championship, McGuire's was anxious to win. The decisive score will leave little doubts as to the relative merits of the teams playing, and, in addition, will bear out the statements in this paper that McGuire's and John Marshall High School are more evenly matched than the scores of the previous games would seem to indicate.

The features of the game yesterday were the great number of long runs. Cottrell, Moseley, Paschal, Scott and Gregory carried the ball at will for appreciable gains.

The great trouble with the Academy team was that the men did not get started in time. At some moments the team really showed remarkable ability, but the energy oozed out when most needed, and McGuire's won in a walk.

To many the prep school race was marred because of the weakness of the Academy team. Had the aggregation from this school put up the games that many thought them capable of playing, the race would have been far closer and would have attracted more people.

The Game in Detail.

McGuire won the toss and defended the west goal. Des Portes kicked to Scott on his five-yard line, and the sturdy fullback brought the oval along for twelve yards before being halted. Walsh was hurt and time out. Des Portes punted twenty-five yards, and Cottrell fell on the ball. He went through centre on scrimmage for four yards. Gregory failed to gain and Scott kicked thirty yards to Durham. Academy was penalized five yards, offside, Walsh went through centre for three yards. Des Portes kicked twenty-five yards to Cottrell, who, with Ebell leading, the interference came back twenty-seven yards. A forward pass was caught by Nettles, who ran the ball back fifteen yards.

Walsh got four yards through tackle and Des Portes kicked twenty-eight yards to Cottrell, who, with Ebel again leading the interference, went sixty yards for a touchdown. Scott kicked goal. Time consumed, four minutes. Score: McGuire's 6; Academy, 0.

Scott kicked to Academy's ten-yard line to Walsh, who was downed in his tracks by Paschal. Des Portes kicked twenty yards to Cottrell, who was under the ball, and came back fifteen yards. A forward pass from Scott to Ebel netted twelve yards. Paschal added five yards around left end and the ball was on Academy's six-yard line. Paschal got one yard on a delayed pass, and Gregory dodged outside tackle for four yards. Cottrell on the next line-up, went over for the second touchdown, and Scott kicked goal. Score: McGuire's 12; Academy, 0.

Des Portes kicked off to McGuire's fifteen-yard line, and Scott brought the leather back eighteen yards. Paschal got eight yards around end, but Gregory failed to gain, and Scott punted twenty-five yards. Quarter over with ball on forty-three-yard line, in Academy's possession; first down. Score: McGuire's, 13; Academy, 0.

Score Freely.

An attempted pass was nipped in the bud by Gregory, who got the ball. Paschall failed to gain and so did Gregory, and Scott kicked twenty-five yards. Walsh got eight yards and made it first down through tackle. Walsh failed to gain, and McGuire's was penalized five yards. Whitehead offside. Trivette got three yards, and Walsh added two. A forward pass was incompleted, and the ball went to McGuire's on Academy's forty-yard line. Moseley fumbled the next pass, but Gregory was on the job, recovered the ball and went eight yards before being stopped. Paschall added eight more around left end, but a forward pass was captured by Academy.

Des Portes took no chances and kicked twenty-five yards to Moseley, who was downed in his tracks. Walsh broke through tackle and got Paschall throwing him for a loss of two yards. Scott kicked thirty yards, but Academy was offside, and the ball was brought back and given to McGuire's. Paschall failed to gain and Gregory got six yards. A forward pass was again intercepted, and the ball went to Academy. Des Portes kicked twenty-five yards to Moseley, who ran the ball forty-two yards with the assistance of Ebel. Paschall went around end and landed the ball on Academy's one-foot line. Moseley went over for a touchdown. Scott missed goal. Score: McGuire's 17; Academy, 0.

Des Portes kicked to McGuire's fifteen-yard line, and Moseley came back twelve yards. Time up, for period. Ball on McGuire's twenty-seven-yard line in their possession. Score: McGuire's, 17; Academy, 0.

Long Runs the Feature.

Scott started the third period by kicking to Academy's five-yard line, and the ball was brought back eleven yards. Des Portes kicked twenty-five yards, to Paschall, who got back twenty. Scott went through centre for five yards, and then Cottrell ran seventeen yards for a touchdown. Scott kicked goal. Score: McGuire's, 23; Academy, 0.

Desportes kicked to Scott on his ten-yard line, and the sturdy full back, with splendid interference, ran eighty-five yards. Time was taken out, Scott and Ebel both hurt. Both recovered. A forward pass from Scott to Ebel brought another touchdown. Walsh and Cottrell were both put out of the game for slugging. Scott kicked goal. Score: McGuire's, 29; Academy, 0.

Ebel Scores, Too.

Scott kicked over the goal line, and the ball was brought out twenty-five yards. Academy elected to take the scrimmage. Johnson failed to gain, and Desportes again kicked twenty-five yards to Moseley, who fumbled, but Ebel caught the ball and ran fifty-five yards for a touchdown. Scott kicked goal. Score: McGuire's, 35; Academy, 0.

Desportes kicked to the five-yard line, and Mercer brought the ball back to the middle of the field. Moseley lost seven yards, and Scott kicked twenty-eight yards. Desportes kicked thirty yards and Ebel caught the others. Scott ran fifty-two yards inside tackle and then added two in the same place. McGuire's was offside and penalized five yards. Moseley lost seven yards. Clements breaking through and making a beautiful tackle. Scott failed to gain, and the ball went over on downs.

Desportes kicked thirty-five yards to Mercer. Paschal gain sixty-five yards, and time was up. Ball on Academy's eight-yard line. First down. Score: McGuire's, 35; Academy, 0.

Final Period.

The final period started with Scott carrying the ball. He got one yard. Gregory got two yards, and the next try the ball went over. Desportes kicked thirty yards and Moseley came back twelve. He then added six more around end. Paschal pulled down five, and a forward pass from Ebel to Scott did not get the distance, and the ball again went over. Desportes kicked thirty-two yards and Moseley ran eight yards before being thrown. Scott kicked forty yards, and Desportes returned the compliment, sending the leather to Moseley, thirty yards away. On a fake kick Scott got twenty-seven yards, Gregory added two yards and Scott kicked thirty-five yards. Mercer throwing Walsh in his tracks. Desportes kicked twenty-five yards to Scott, who recovered the distance of the punt and added five yards for good measure. Time out. McGuire's. A double pass from Moseley to Gregory brought twenty-seven yards and another touchdown. Scott missed goal. Score: McGuire's, 40; Academy, 0.

Desportes kicked to the ten-yard line and Scott came back twenty yards. Moseley got four yards and [illegible] who had been substituted, got four. Scott kicked thirty yards and recovered the punt. Moseley won eight yards and was then held for no gain. A forward pass, Scott to Mercer, scored another touchdown, and then Scott missed goal. Score: McGuire's, 45; Academy, 0.

Desportes again kicked to the ten-yard line and Moseley came back forty-two yards. Gregory added two yards, and time was called with the ball on Academy's forty-yard line, in McGuire's possession. Score: McGuire, 45; Academy, 0.

Remarkable Christmas Present.

Among the curous Christmas presents of this year will be one for a man of national reputation, which has been all year in the making.

Way last January the present was decided upon, and a friend of the prominent gentleman requested the Burrelle Press Clipping Bureau, of New York, to watch every paper in America, and to take up every item which appeared concerning the man.

The clipping bureau people followed instructions, and now present the history of one year in the life of this especial man.

The history ends just after election, and the 20,642 newspaper items found include everything from a three-line editorial mention to full-page illustrated stories. These have been mounted on 3,203 great sheets of Irish linen paper and bound into three massive volumes.

At the head of each item is the name and date of paper clipped from, this information having been put in with a book typewriter. The words thus inserted amount to 153,852.

In actual time, a very strict record of which has been kept, the work has required sixty-four working days throughout the year, and has kept in employment during that time thirty people as readers, clippers, sorters, mounters and binders. Every newspaper of importance is represented.

This is merely a specimen of some of the unique orders which get into the Burrelle Bureau, for the extent to which clippings are used by individuals and by business concerns seems to be remarkable.

There are many people in private as well as in public life who need press clippings and don't know it. It might be well for them to look up this man Burrelle, who is said to be so well known that a letter simply addressed "Burrelle, New York," will reach him with no delay.

YALE AND HARVARD WILL MEET TO-DAY

Coaches of Both Teams Express Confidence of Victory.

New Haven, Conn., November 18.—The football team that wins here to-morrow—Yale or Harvard—will take place not only as undisputed champion of the East, but among the great teams in the history of the sport.

If Yale wins she will have shown a resiliency, courage against odds and ability not only to will but to do, that, although these things have always been part of the very name Yale, will mark her 1910 eleven as the plucklest fighting team she ever put out.

If Harvard wins she will only establish more firmly the reputation she has been making for herself all season.

Yale always plays her best against Harvard.

Harvard is the favorite, as she logically ought to be. Haughton says to-night, as he did to the undergraduates a week or more ago: "I don't fear them in the least, but I have a tremendous respect for them."

Tom Shevlin and Walter Camp say simply: "Yale will win."

Ted Coy, Brink Thorne and Foster Sanford, all Yale veterans and skilled coaches, can't see how Yale can lose.

The crowd to-morrow will be all the field can hold. From applications in hand it seems probable that 100,000 would flock to the field to-morrow if there were seats enough to hold them. But that is precisely what the athletic committees in charge do not want. They fear to commercialize the game.

There hinges on the result of to-morrow's game more than victory itself. Harvard, led by Haughton, has become the exponent of advanced football, and is under obligations to show what can be made of it. If Harvard should win, Haughton and the other progressive coaches would gain added power in the councils to be held this winter on the rules. The winner's voice is always loudest. If Yale wins her opposition to the forward pass, which she has accepted, and with which she won at Princeton last Saturday, but of which she does not approve, will be correspondingly more powerful.

The last practice of the Harvard team was held this afternoon on the links of the Country Club at Farmington. The varsity and first substitutes lined up, and while there was no actual scrimmage, the formations to be used Saturday were carried through to completion.

WEEKLY HUNT OF TOMAHAWK CLUB

(Special to The Times-Dispatch.)

Orange, Va., November 18.—The regular weekly hunt of the Tomahawk Hunt Club was held at Piedmont Wednesday, the beautiful country home of Egbert G. Leigh, Jr., and was most successful there being the largest number of riders present that they have so far had this year.

After the run, which was over Piedmont Farm, through Jones's farm and the Fletcher estate, ending in Campbell Field, a delicious breakfast was served by Mrs. Leigh, over fifty members being present.
