CAPT. LAMB FILES EXPENSE ACCOUNT

Spent Small Amount in Recent Campaign for General Election.

INSTITUTE DATES FIXED

Meetings in Three Counties. Pardon for Negro Convict Who Killed Man.

It cost Representative John Lamb in the Third District, only about 16 per cent. as much to get elected as it did to be nominated over Judge T. Ashby Wickham. According to his statement of expenses, filed yesterday with the Secretary of the Commonwealth, he expended $180.25.

This amount was divided as follows: Contribution to county Democratic committees, $60; contribution to city committee, $44; postage and stationery, $20; traveling and hotel expenses, $30; livery and incidentals, $26; notary's fee for acknowledging statement, 25 cents.

It will be remembered that when Captain Lamb filed his account of primary expenses, he made the unique statement that he knew of a sum which had been spent in his behalf by his friends for advertising, and that he had tendered repayment, but it had been declined.

FARMERS' MEETING

Series of Institute Dates for Trip on Danville and Western.

Director of Institutes J. J. Owen has completed the portion of the schedule for the next farmers' institute trip, which refers to the Danville and Western division of the Southern. The railroad tenders the train to the Department of Agriculture free of all cost.

It is now the intention to begin the institute trip at Danville on the morning of December 5. The first stop will be at Cascade, in Pittsylvania county, where a meeting will be held at 10 A. M. Proceeding to Axton, just across the line in Henry county, another institute will be held at 2 o'clock in the afternoon of the same day. Here the visiting lecturers will be welcomed by J. M. Barker, president of the State Board of Agriculture, whose home is at Axton.

Martinsville, the county seat of Henry, will be reached for a meeting at 10 o'clock on the morning of December 6, and in the afternoon, at 2 o'clock, there will be an institute at Spencer, in the western part of the county. The end of the line at Stuart, the county seat of Patrick, will have a meeting at 10 o'clock on December 7, while another meeting, the last on the road, will be had at Patrick Springs, a few miles east of Stuart, on the return trip.

It is planned to have the lecturers take a train at Danville on the night of December 7 for Richmond, and start from this city the next morning for a series of meetings on the Atlantic Coast Line between Richmond and the North Carolina line. It is expected that meetings for the year will end with a trip on the Southern between Danville and Norfolk. The stops for these two runs have not yet been arranged.

PARDONS TRUSTY

Capitol Square Workman Gets Three Weeks Off Sentence.

Governor Mann yesterday granted a pardon to Sheffey Thomas, one of the convicts assigned to labor in Capitol Square. The negro boy had only about three weeks to serve of a term of two years, for the killing of a white man named John Hager, in Tazewell county.

Thomas has been a trusty for some time, and a great number of people about the Capitol interested themselves in his case. The Governor said in connection with the case that he thinks it a good plan to reward faithful service in such a manner. The boy claims that the killing was accidental.

EXPRESS CASES UP

Companies Desire to Have Modification of Regulations.

An informal conference will be had Monday morning between the State Corporation Commission and representatives of the express companies doing business in this State, in connection with the recent petition of these concerns.

The companies desire to have the interstate regulations as to express traffic made the intrastate regulations in Virginia. They say that they have so nearly complied with the Virginia regulations in interstate matters, that they should have some concession from the commission. Several points are involved.

Requisitions Issued.

Two requisitions were issued yesterday by Governor Mann. One of these is on the Governor of New York for Alfred G. Bolton, who is wanted in Richmond for a serious crime. Bolton is in custody at Fort Slocum.

A requisition was also issued on the chief justice of the Supreme Court of the District of Columbia for George L. Brown, whose presence is desired in Campbell county for larceny. It is alleged that he took some watches from a railway car. Brown was put on trial in Washington, but it appeared that the crime was committed in Virginia. Robert L. Perrow, sheriff of Campbell county, will go for him.

Will Conclude To-Day.

The examination of applicants for license to practice as certified public accountants proceeded yesterday at the Capitol. It will be completed to-day.

To Adjust Account.

Second Lieutenant Charles F. Higginbotham, of the Fourth Regiment, Portsmouth, was yesterday appointed by Adjutant-General Sale as a disinterested surveying officer in the case of certain lost articles for which Captain J. W. Leigh, of Company K, Fourth Regiment, is responsible. The law provides for such an officer when military property is lost.

MAKE VISIT TO SALISBURY.

Party of New Yorkers Inspect Federal Cemetery.

[Special to The Times-Dispatch.]

Salisbury, N. C., November 18.—Headed by Lieutenant-Governor George H. Cobb, of New York State, a party of prominent politicians, financiers, United States senators, members of the New York state Historical Memorial Association, nearly 200 in number, inspected the Federal cemetery in Salisbury yesterday. This was the first visit of the kind ever made to the national cemetery. The party, which found the cemetery in good condition, left on a special train this evening for New York.

FALLS 250 FEET TO DEATH.

Petersburg Man Killed While at Work on Railroad Bridge.

[Special to The Times-Dispatch.]

Nicholasville, Ky., November 18.—The first accident that has occurred in the construction of the new Cincinnati-Southern Railroad bridge over the Kentucky River, at High Bridge, happened yesterday afternoon, when Thomas Bridges was killed while handling a piece of timber. He lost his balance and fell into the water, 250 feet below. In falling he struck the stone tower on the Mercer county side, and his neck was broken. He was about fifty years old, lived at Petersburg, Va., and leaves a wife and four children.

CRUSHED TO DEATH.

Danville Carpenter Buried Under Tons of Debris—Dies as He Is Rescued.

[Special to The Times-Dispatch.]

Danville, Va., November 18.—John W. Milner, a carpenter, was crushed to death here to-day by the collapse of the floor of a portion of the Star warehouse, on Spring Street. Milner was engaged in doing some repairing in the basement of the building, when one of the outer brick walls gave in, causing the floor for a distance of sixty feet square to fall down on him.

The doomed man, still alive, was held prisoner two hours under thousands of pounds of debris and tobacco. He was pinioned under two heavy steel girders. The alarm was quickly given, and everything done to extricate the unfortunate man, but he died just as he was brought out in the fresh air. Physicians were in waiting to render medical assistance, but he died before anything could be done. He was regarded as a hard working man, and his death is deeply deplored. The financial loss resulting from the crash will amount to several thousand dollars.

Clark—Smith.

South Hill, Va., November 18.—A beautiful home wedding was solemnized at the home of Mr. and Mrs. W. S. Smith Wednesday afternoon, when William Clark, of Meredithville, and Miss Annie Smith were married in the presence of a few relatives and friends. Rev. A. L. Carson performed the ceremony. Miss Dora Firesheets, of Crewe, was maid of honor, and J. A. Dugger, of Meredithville, best man. The ushers were B. F. Jones, of Richmond, and R. L. Andrews, of South Hill. The home was beautifully decorated for the occasion. Immediately after the ceremony, the couple drove down to LaCrosse and boarded the Seaboard for Petersburg, where they were given an elegant reception at the home of the groom's sister, Mrs. Edith Kirkland, last night.

LEAVES PATHETIC NOTE TO FATHER

Man Assigns Drinking and Cigarette Smoking as Cause of His Suicide.

[Special to The Times-Dispatch.]

Lumberton, N. C., November 18.—Archie G. McKay, chief clerk for the Seaboard Air Line Railway Company here, committed suicide shortly before 7 o'clock last night by shooting himself through the heart with a twenty-five-calibre Colt's revolver. Mr. McKay shot himself at the home of J. W. Morris, another railroad employe, death resulting in five minutes after he fired the shot. When seen on the streets this afternoon he was in happy mood, and his death came as a distinct shock to the community. Mr. McKay came here a few months ago from Laurinburg, where his people live. He left a pathetic note to his father, telling him not to be surprised at his deed, asking him to kiss his sisters for him, assigning as his cause for ending his life his inability to stop smoking cigarettes and drinking.
