FOXY GRANDPA

He Shows the Boys That Surprises Are Not Always One-Sided.

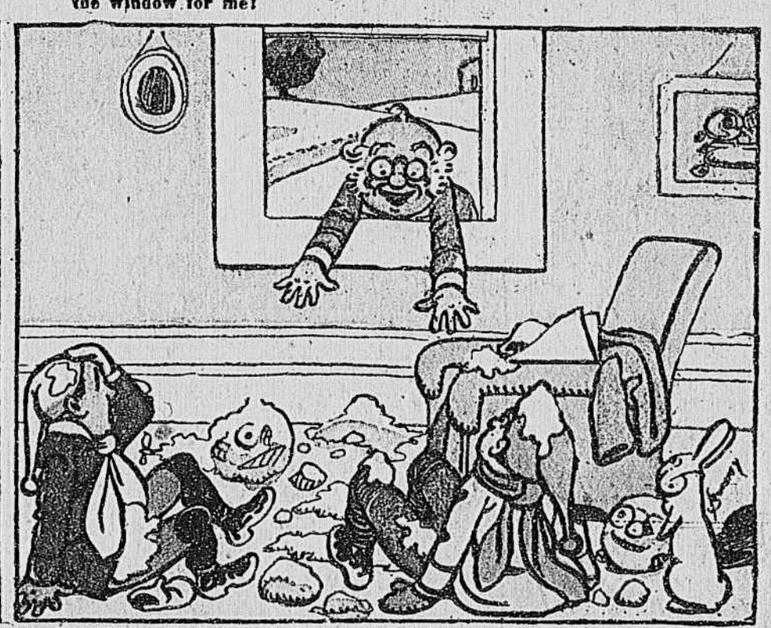
1. BOYS—This will be a gentle little surprise for Gran'pa.

2. GRANDPA—Ah, well! I think that I can have a little surprise for those merry youngsters!

3. GRANDPA—I'm through just in time. I hear them coming—now, out of the window for me!

4. BOYS—Come on, Gran'pa! Come on out. We have something to show you!

5. GRANDPA—My little arrangement seems to jar the boys a bit!



6. GRANDPA—Hello, boys! How was that for a good shot!
