GILLIAM DEFEATED FOR LEGISLATURE

R. W. Price Wins Nomination in Petersburg Primary for House of Delegates.

VOTE IS UNUSUALLY HEAVY

Evans, Smith and Mallory Renominated, and for Other Places New Selections Are Made.

[Special to The Times-Dispatch.]

Petersburg, Va., June 19.—At midnight there are enough returns in to show that F. G. Stratton is nominated for treasurer; John B. Evans, renominated for sergeant; Robert G. Bass defeats Robert Gilliam for the nomination of clerk of the court; J. J. Nelms defeats William H. Camp for collector of city taxes; H. B. Smith is renominated for commissioner of revenue; John A. Mallory is renominated for high constable, and R. W. Price defeats Robert Gilliam, Jr., for the nomination for the House of Delegates. The total vote of the city was 2202, the largest vote cast in the city since the adoption of the new Constitution.

The interest shown was manifested by the large crowd which gathered at the headquarters of the City Democratic Committee counting the returns.

The primary election for the nomination of candidates for municipal offices passed off without special incident to-day. A heavy vote was cast, almost the full registered strength in every ward. The primary election rules were strictly enforced. While small crowds were gathered in the vicinity of the polls, no one but the voters were allowed to approach within speaking distance of the booths. Outside of the roped-off space candidates and their friends were active all day in each ward. Conjectures were many as to the result, but as the balloting was strictly secret, no just estimates could be formed. The qualified vote of the city is 2,389.

COURT WILL CONVENE MONDAY.

Arson and Bigamy Cases Most Important on Docket.

[Special to The Times-Dispatch.]

Amelia, Va., June 19.—The June term of Amelia Circuit Court will convene on Monday. The most important cases are those against Spandovick for alleged arson, and a colored man from Keysville for bigamy. This man, West Almond, was engaged in work here as general contractor from Keysville, and while at work married a respectable colored woman. It then transpired that he was already married, and the suit results.

Owing to illness of the clerk of Powhatan County, who has been sent to the hospital, Judge R. G. Southall, who is holding court in Powhatan, telegraphed for Clerk S. L. Farrar, of Amelia, who went to Powhatan to-day to assist the court. Clerk Farrar is well read in court matters, and, with the assistance of Deputy Clerk Nuckolls, keeps his office in Amelia in perfect order.

The road forces in Amelia are making things look different. The new road is much admired. The convict force is short of teams. The men are building a mile of road a month now and with two more teams the Assistant State Highway Commissioner says he can build one and one-half miles per month.

The turn at Five Forks has been reached, and they are now working on the Bevill's Bridge Road, going towards Mannsboro.

Elegant harvest weather has prevailed, and everywhere the hay and wheat and oats have been gathered by the mowers and binders and the yield promises to exceed.

The executive committee of the Amelia County Fair will issue an appeal next week to all citizens to gather specimens of the crops for exhibit at the fair to be held the first week in October in the spacious Imperial Tobacco factory building.

Amelia citizens are now arranging for the Fourth of July picnic and concert at the courthouse, lasting day and night. Good speakers will address the crowd on current topics, and athletic games and sports will be held.

VICTIM OF SPINAL MENINGITIS.

Ten-Year-Old Boy of Amherst Critically Ill.

[Special to The Times-Dispatch.]

Amherst, Va., June 19.—Otho Wrenn, ten-year-old son, is extremely ill of spinal meningitis at the home of his father, W. B. Harrison, of this place. It is said that the child contracted the disease eating ice cream made from the milk of a cow suffering with meningitis. The little sufferer is slightly better this morning, but is still in a critical condition.

A small deed of assignment has been recorded in the clerk's office here from R. C. Camden and wife, of Woodson, this county, conveying to W. M. Burford, trustee, all of Camden's real estate, stock of goods and store fixtures, for the benefit of his creditors. The liabilities are said to be in the neighborhood of $700, with assets amounting to about the same sum.

County Sheriff R. H. Drummond has sold to Versalle & Ford, of Lynchburg, his beautiful farm near Amherst. It is said that the purchasers will divide the property up into building lots, the price paid for the farm was $60.

Oliver Whitton, son of J. H. Whitton, was severely hurt about the head at the C. & O. yards, Richmond, last Sunday. He is now at his home here recovering from his injuries.

FIRE TAKES FREIGHT HOUSES.

East St. Louis Blaze Also Damages Water Works—Loss $300,000.

St. Louis, June 19.—Fire in East St. Louis to-day destroyed two large freight warehouses and damaged the water works plant of the city. The loss is estimated at $300,000.

One of the warehouses was used jointly by the Toledo, St. Louis and Western and the Chicago and Alton Railroads. The other was used by the Chicago, Peoria and St. Louis. Seventy cars of freight also were destroyed.

The flames leaped across a narrow street to the city water works plant. It was necessary to shut down the plants for a time and thus cut off water for which to fight the fire.

Shelton—White.

[Special to The Times-Dispatch.]

Norfolk, Va., June 19.—The first wedding in the new St. Thomas's P. E. Church Berkley was celebrated yesterday afternoon at 4 o'clock, when Miss Bianca White, daughter of Mr. and Mrs. H. Baker White, of Lakeside Park, South Norfolk, became the bride of Alfred West Shelton. The matron of honor was Mrs. Frank D. Jacobs, of Elizabeth City, N. C., and the bridesmaids were Misses Marie Ninaly, Nellie Smith, Grace Leighton, Anye Dent, Lillian and Grace Kegebein. Thomas P. White, brother of the bride, was best man. The ushers were Walter Barnards, Herman Knecht, Mr. Logan, Joseph B. White, Jr., Horace Hamilton and James Shelton.

Safe for Women's Use

Lee's Green Antiseptic Powder. Destroys all of poisonous tablets or liquids. Best germicide, disease preventive or wash. 25c. All druggists. Booklet and sample free.

J. S. TYREE, Chemist, Washington, D. C.

THE BERRY MIDDY

Attracts every girl who sees it.

There's distinctiveness enough about it to put it in the class of "something different"—"better"!

All shades of trimmings, all non-fadable.

Prices, $1 to $2.

The Bulgarian Blouse may be had here, too, at $1.00.

Boys' thin, summery clothes are sometimes hard to find.

Not so here!

From the tot of 3 to the sturdy youth of 18, here's comfy clothes just like we have for men.

Linen Suits, Athletic Underwear, Wash Suits, Play Suits, Bathing Suits, Hats, Shoes and stockings—guaranteed by US.

A. N. Berry Co.

THIRD CANDIDATE EXPECTS TO WIN

"Dark Horse" Enters Race for Appointment as Postmaster of Danville.

[Special to The Times-Dispatch.]

Danville, Va., June 19.—The fight for the local postmastership, which, for the past few months, has been bitterly waged between friends of W. R. Mitchell, known as the machine candidate, and the adherents of J. A. Lawson, who has the backing of the Wilson-Marshall Club, took another turn to-day when a dark horse entered the race in the person of W. N. Ruffin, another prominent citizen.

The entry of a new candidate at this late date came as a distinct surprise to both sides, as it was generally conceded by both factions that with the two aspirants, one from the machine, the other from the antimachine camp, it had narrowed down to a test of strength between the two, and would indicate very conclusively whether the former influential leaders of State politics or the new element now in the saddle, would have control over the distribution of offices in Virginia.

Mr. Ruffin, who had just returned from Washington from a three-day trip, immediately put petitions into circulation asking indorsements. He is credited with saying that neither of the other candidates now have a chance for the appointment, and that he will land the job.

KILLED BY MISTAKE.

Bullet Intended for Negro Reaches Prominent Citizen.

Montgomery, Ala., June 19.—A dispatch from Pensacola, Fla., says that Charles Henderson, a prominent resident of Marianna, Fla., was shot and instantly killed by Deputy Sheriff Gregory late yesterday evening. Henderson was a member of a posse chasing a negro wanted on various charges. He crossed a corn-field, meeting two other members of the posse and discovered the negro running in advance. He started in pursuit, ahead of the others, who attracted the attention of the main posse. Gregory, leading the posse, thought Henderson was the negro, 300 yards ahead, and fired several times, one bullet penetrating the heart. Gregory was exonerated by the coroner's jury.

Master McLean Well Cared For.

[Special to The Times-Dispatch.]

Newport, R. I., June 19.—Master Vincent McLean, son of Mr. and Mrs. Edward B. McLean, arrived this afternoon from Bar Harbor, with his retinue of nurses, detectives and others, who are keeping the handsome boy in a happy frame of mind every moment he is awake. With him and his big automobile to-day came a donkey, several ducks, various sorts of birds and other pet animals, all trained.

BULGARIA GIVES ITS ULTIMATUM

Will Declare War if Servia Does Not Withdraw From Disputed Territory.

[Special Cable to The Times-Dispatch.]

Vienna, June 19.—Bulgaria to-day formally demanded the withdrawal of all Servian troops from the Balkan territory claimed by Bulgaria. If this is not complied with in one week, Bulgaria will take the territory by force.

Bulgaria's demand is based on the treaty contracted with Servia before the outbreak of the Balkan War, and served on Servia to-day, is in reality an ultimatum. By this treaty, Bulgaria, Servia and Greece agreed to allow Russia to arbitrate all differences arising between the three countries, but Bulgaria claims that Servia occupies territory which rightly belongs to the former, and over which there can be no arbitration.

Canada and South Africa Divide.

London, June 19.—South Africa divided tennis honors with Canada to-day by winning the second singles match in the elimination challenge round for the Dwight Davis international trophy. A. R. Gauntlett, of Johannesburg, defeated the Canadian champion, R. P. Schwengers, 11-9, 6-3, 6-0. Canada won the first singles match. The doubles will be played to-morrow and the second set of singles on Saturday.

CURRENCY BILL IS MADE PUBLIC BY CARTER GLASS

(Continued From First Page.)

quire one Federal reserve bank to rediscount the paper of another, and would establish a rate on discount not necessarily uniform for all reserve banks, but made with a view to accommodating the commerce of the country and promoting a stable price level.

Market Shock Avoided.

For recasting the present bank reserve system, the bill proposes to transfer the reserve from national banks in the present reserve and central reserve cities to Federal reserve banks, carrying the process of transfer over thirty-eight months to avoid shock to market conditions.

The bill proposes, according to Mr. Glass's statement, "ultimately the establishment of a reserve system in which country banks will have 15 per cent of reserve (i. e. 15 per cent of total demand liabilities), such 15 per cent to be held 5 per cent in the banks' vaults, 5 per cent with the national reserve bank, and 5 per cent either at home or with the reserve bank, while reserve and central reserve city banks have reserves of 20 per cent of demand liabilities, of which 10 per cent will be at home, 5 per cent with the reserve bank of the district, and 5 per cent either at home or with the reserve bank." The statement says:

"The presumed effect of this plan will be to end the placing of reserves with central reserve city banks for use in stock market operations, to keep reserves in some measure at home, and to require speculators to get the funds they need in their operations either by directly borrowing them from persons who hold them and want to lend the cash for that purpose, or else by borrowing from the banks in the places where the operations are to be carried on.

"In the belief that the present reserve system is antiquated and unsatisfactory, that to the massing of funds in New York and other financial centres, of which so much has been said in recent years, is largely due to the present reserve requirements of national banks, and that, in order to get the real benefit from the system of rediscount, which has been proposed as a remedy for many existing evils, it is necessary to base such a system upon an actual control of reserves, provision has been made for recasting the present bank reserve system.

Its Basic Principle.

"The bill is based on the belief that no one should participate in control of the system unless he is financially interested himself, or chosen by those who are, except in so far as the government steps in and asserts the authority of the whole community. With this in mind, the system has been devised so as to provide for the continuation of existing national banks with their organization, powers and functions unchanged. In addition, there is established a system of Federal reserve banks which are incorporated stations holding Federal charters and in all respects managed like national banks except as to the election of directors.

"There are twelve of these Federal reserve banks, each managed by a board of directors, three of whom will be expert bankers selected by the banks, three will be members selected in the same way, but required to represent the commercial, industrial or agricultural interests of the districts, and subject to removal by the Federal reserve board in case they do not fairly represent these interests. The remaining three directors are to be chosen by the Federal reserve board.

"The object of the bill is to effect a moderate division and classification of banking business along indicated lines the net result presumably being summed up as follows:

"National reserve banks will be strictly limited to rediscounting actual commercial and industrial transactions evidenced by very short-term paper, and, on rare occasions, under carefully prescribed conditions, to financial operations protected by collateral. They will also be able to engage in foreign exchange operations, etc.

"National banks will be subject to precisely the same restrictions as at present, with a relaxation in favor of a moderate amount of real estate loans by country banks under carefully guarded conditions.

"By a revision of the administrative features of the national bank, provision will be made for close oversight of national institutions with a view to holding them strictly up to the requirements of a legitimate banking business.

"In order to possess themselves of the kind of paper entitling them to rediscounts, national banks will find themselves obliged to keep a reasonable proportion of their assets in the form of paper eligible for rediscounting.

Present System Wrong.

"It is believed that the present subtreasury system is unsatisfactory, clumsy, injurious to business and difficult to manage in times of stress. The bill, therefore, provides for:

"The placing of all current funds of the treasury in Federal reserve banks, and the payment of government creditors by checks thereon.

"The equalization of the public funds between the different reserve banks by direction of the Secretary of the Treasury and subject to a rate of interest to be fixed by the Federal reserve board.

"The trust funds of the treasury are to be held as at present in the vaults of the treasury.

"Under the terms of the bill, the Federal reserve banks, after the payment of all expenses and taxes, are entitled to pay an annual cumulative dividend of 5 per cent on paid-in capital to its stockholding members. One-half the net earnings of the bank must be paid into the surplus fund until said fund shall amount to 20 per cent of the paid-in capital of the bank.

"The remaining one-half of the bank's earnings shall be paid to the United States, and whenever and so long as the surplus fund of each Federal reserve bank amounts to 20 per cent of the paid-in capital, the shareholders having received their permissible dividend of 5 per cent, all excess earnings shall be paid to the United States. Every Federal reserve bank is exempt from Federal, State and local taxation, except in respect to taxes upon real estate.

Reluctant to Discuss It.

[Special to The Times-Dispatch.]

Boston, June 19.—Boston bankers were reluctant about discussing the text of the Wilson currency bill to-night. Most of the heads of trust companies and national banks admitted that they were not familiar with the text of the bill. Max Mitchell, vice-president of the Cosmopolitan Trust Company, said:

"I think the bill is a good one, but not broad enough. Five hundred million is not enough for a reserve fund. The amount should be much greater. The provision giving country banks the authority to lend money on farming lands is a splendid feature."

Charles B. Strecker, editor of the Financial News:

"I have only had time to glance at the heading of the story of the new bill, but from a first glance it strikes me that it is a very safe and a very sound bill."

ORGANIZED IN WARRENTON.

Branch of Equal Suffrage League Starts With One Hundred Members.

[Special to The Times-Dispatch.]

Warrenton, Va., June 19.—A meeting of the persons interested in the cause of equal suffrage in Virginia, was held at the rooms of the Warrenton Library on Wednesday morning at 11 o'clock. About fifty women were present. Mrs. B. B. Valentine, of Richmond, State president, and Mrs. L. L. Lewis, of Lynchburg, and Mrs. Stephen Putney, of Wytheville, both State vice-presidents, addressed the meeting. After the meeting a branch of the league was formed in Warrenton, with the following officers: Mrs. Richard W. Hilleary, president; Mrs. Alice Payne Carr, first vice-president; Mrs. Isham Keith, Jr., second vice-president; Mrs. Dennis H. Mahan, recording secretary, and Miss Meta Gaskins, secretary. About one hundred members were enrolled among the women of Warrenton. Mrs. C. Shirley Carter and Mrs. Harry C. Groome, both refused offices. Mrs. Groome entetrained the women of the league and their guests, Mrs. Valentine, Mrs. Lewis and Mrs. Putney, at tea at "Airlie" farm yesterday afternoon.

DISPENSES WITH LEGATION.

Portuguese Government Suppresses That at Rome—Change in Others.

Lisbon, Portugal, June 19.—The Portuguese Senate, in accord with the Chamber of Deputies, to-day decided to suppress the Portuguese legation in Rome and the Portuguese consulates in Berlin, Madrid and Rome.

At the same time it was determined to raise the Portuguese legation at Rio de Janiero to the rank of an embassy, and the consulate at Guatemala to a legation, to create a legation in the republic of Panama, and to send military and naval attaches to Madrid.

TWO GERMAN AIRMEN KILLED.

Biplane Turns Somersault at Height of 100 Feet.

Berlin, June 19.—Two German airmen were killed this morning at the Johannisthal Aerodrome. Aviator Kraftet, carrying a passenger named Gerbitz, had ascended with the intention of making a two-hour flight. There was practically no wind, and the biplane was making good speed when it suddenly turned a somersault at a height of 100 feet, throwing its passengers to the ground, dead.

GET MILLIONS IN INSTALLMENTS

Daughters of Wealthy Piano Man Not to Receive Fortunes Outright.

[Special to The Times-Dispatch.]

New York, June 19.—The Misses Olga V., Vera M. and Rita M. Kohler, young daughters of Charles Kohler, millionaire piano manufacturer, are to receive fortunes of $1,000,000 or more on the installment plan. Through the will of their father, who died June 4 last in Paris, they are to share the proceeds piecemeal, until the entire fortune of the $5,000,000 estate is placed at their disposal. The three children are living with their mother.

Mr. Kohler accumulated his large fortune in a comparatively short time in the manufacture of pianos and other musical instruments. He was a liberal contributor to charitable and religious organizations. His Holiness, Pope Pius X., decorated Mr. Kohler with the Order of St. Sylvester. King Alfonso honored him by election to the Constellation of the White Cross, and he was also decorated by the King of Persia. Had he survived until June 14 last he was to have been made a member of the Legion of Honor in France.

During the latter years of his life he was a noted turfman. Many of the thoroughbreds from his racing stable were in France and England when he died in a Paris hotel.

The three girls, all of whom are less than twenty-one years old, are to receive $25,000 a year in addition to large installment payments. When they become twenty-five years of age, each is to get $100,000 outright, and a like sum is to be paid each of them when they are thirty-five and forty-five. The residue is to be held in trust for them for life and be distributed among their issue after their deaths.

Mrs. Kohler is to receive $25,000 a year income in lieu of dower.

REORGANIZATION GETS UNDER WAY

McAdoo Issues Instructions for Sweeping Changes in Customs Service.

Washington, June 19.—The first step toward the sweeping reorganization of the customs service, which goes into effect on July 1, was taken to-day, when Secretary McAdoo sent detailed instructions to collectors and officers of customs throughout the country.

With the reduction of the number of customs districts, the keynote of the new regulations is concentration. Final appraisal of July 1, 1912, importations will be made by the appraiser at each port, an estimated amount of duties deposited and the merchandise immediately released. The appraisal will then be sent to the collector at the headquarters of the districts, where final liquidation will be made. In questions of classification the decision of the deputy collectors in charge of each port will be tentative, the collector at district headquarters making final decision.

Under the new regulations the authority of the customs officers will be extended so that they will examine the accounts of the entire district. No changes will be made in the duties of the supervisors of collections.

One hundred and thirteen collectors automatically will lose their jobs on July 1.

C&O

Week-End Rates to Norfolk and Seaside

$3.00—ROUND TRIP—$3.00 TO OLD POINT AND NORFOLK.

Tickets sold for all trains Friday and Saturday. Good until Monday.

Round trip to Virginia Beach, $3.25.

Fast trains, parlor cars, leave Richmond 9 A. M. and 12 noon and 4 P. M. daily. 12 noon train carries dining car.

HERMITAGE SITE STRONGLY URGED BY MERCHANTS

(Continued From First Page.)

West Broad Street for the following reasons:

"First. The centre of population of Richmond has rapidly grown westward so that it is now reliably placed west of Seventh Street.

"Second. The great bulk of the retail business of the city is located on Broad Street, which street is rapidly growing in importance and extending westwardly, and the said retail trade brings to Richmond a very large majority of those who visit the city on business.

"Third. The delivery of Northern and Southern mail can easily be so arranged as to suffer no delay.

"Fourth. There are at present daily three trains from the North arriving at, and three for the North departing from, the passenger station at Fifteenth and Main Streets, which should sufficiently meet the requirements of those who favor a downtown station.

"Fifth. The approach to the city from the West End is much more desirable and beautiful, and would give a better impression to strangers after arrival to be driven to their hotels via either Broad Street or Monument Avenue.

"Sixth. Main Street at and near Fifteenth Street is narrow and badly congested, and will be more so after the completion of the new Mayo Bridge, and being located at the bottom of a hill is, in our opinion, not the proper site for a union station."

Eliminate Grade Crossings.

The location of the station on Main Street was urged by the Wholesale Merchants' Association in a petition setting forth the argument in four clauses:

"First. Fifteenth and Main Streets is the only site to eliminate grade crossings where the five lines pass in and out of the city.

"Second. It is located in the heart of the wholesale and manufacturing section.

"Third. It is within a block of Mayo Bridge, which is to shortly be the outlet for all traffic passing to and from South Richmond, adjacent to the docks, the hotels, the banks and the State, city and Federal government buildings.

"Fourth. Passengers arriving at this station can be more readily distributed to all sections of the city than from the Hermitage site."

A sharp clash between Mr. Dabney and Mr. Duke occurred following the reply which the railway officials made to Mr. Dabney's argument in favor of the Main Street site. Mr. Dabney stated emphatically that it was his belief that in the course of a very short time after the completion of a Hermitage station, the Atlantic Coast Line Railroad would send its through Florida specials around Richmond without a stop, backing in passengers for Richmond from Acca on a shuttle train. Mr. Duke again reiterated his denial of any such intention on the part of the railway, saying that such a plan to sidetrack Richmond is preposterous in view of the fact that the railway is about to join with the Richmond, Fredericksburg and Potomac in the expenditure of $2,000,000 for a passenger station on the Hermitage property.

Hermitage Accessible.

To refute the statements regarding the ready accessibility of the Main Street Station by street car and the inaccessibility of Byrd Street and the Hermitage, Mr. Duke produced statistics to show that in the last few years the sale of passenger tickets for the Richmond, Fredericksburg and Potomac Railway trains leaving Main Street Station have decreased 23 per cent, while the sale of tickets at Byrd Street has increased 19 per cent, and at Elba Station, 40 per cent. This, Mr. Duke declared, was conclusive proof that the uptown site would be as convenient to passengers in all portions of the city as the Main Street location.

Engineer Burgwyn stated his belief that the one possible site for the station, from an engineering standpoint, is Fifteenth and Main Streets. He defended the features of his report to the Chamber of Commerce inland trade committee, which had been assailed by engineers and officials of the railways. He denied that it is impossible to lower the grade of the Seaboard Air Line track up Shockoe Valley to Acca, and refused to believe a station on Main Street would cost between $4,500,000 and $6,000,000.

Engineer Scarborough stated in reply to questions from Alderman Grundy and Councilman Pollard that the location of the proposed union station at Fifteenth and Main will destroy the present freight facilities of the two railways using that station at this time. He said that the two railways favoring the Hermitage site do not believe in locating a passenger station in a freight district. He claimed that the construction of an adequate union station at Fifteenth and Main would be a herculean engineering feat, and would result in such a network of tracks above Main Street as to make of the section fronting on the station a dark tunnel.

Committee to Act.

Resolutions indorsing the Main Street site were presented by representatives of the Travelers' Protective Association, the Richmond Advertisers' Club, the Business Men's Association of South Richmond, the Richmond Rotary Club, the Manufacturers' Exhibit. The committee adjourned at 11:30 o'clock without fixing a day for meeting. The impression was given last night that no more public hearings are to be had, unless some extraordinary arguments are to be advanced in either side, and that the committee will begin meeting to formulate its recommendations to the Council.

ELECTION IN WARRENTON.

Lucien Leath Re-Elected Mayor by Small Majority.

[Special to The Times-Dispatch.]

Warrenton, Va., June 19.—At the recent municipal election held here at the town hall for Mayor and Councilmen and Recorder, Lucien Leith was re-elected Mayor, defeating by a small majority Commodore Dennia Hart Mahan, U. S. N., retired. Walter H. Robertson, a member of the Warrenton bar, defeated by a large majority F. D. Gaskins for recordership. Samuel C. Brittle, cashier of the People's National Bank; Thomas E. Pattie, merchant, and Robert E. Menagee, president of the Warrenton Plaining Mills Co., defeated for the Council, Dr. Morton G. Douglas, R. W. Hilleary and D. P. Wood, merchants. Mr. Wood was not a candidate for re-election. Dr. J. O. Hodgkins, who was opposed for Council by Murray Forbes, was not defeated. F. C. Brooks, Jr., a candidate for election, was defeated. It is stated Commodore D. H. Mahan has asked for a recount of the election for Mayor. This election was one of the most interesting and closest ever known in Warrenton. L. P. White, N. W. Owens and W. U. Parkinson were the judges.

JUDGE NORWOOD DEAD.

Confederate Veteran and Former United States Senator.

Savannah, Ga., June 19.—Judge Thomas M. Norwood died to-night at his residence here after an illness of several weeks. He served in the Confederate Army in the Civil War, and after a term in the Georgia Legislature he was elected to the United States Senate, entering that body in 1871. He was a member of the Forty-ninth and Fiftieth Congresses.

SCORES OF LIVES ARE LOST IN STORM

Frightful Damage Done When It Sweeps In From Gulf of Mexico.

Tallahassee, Fla., June 19.—It is believed that twenty persons lost their lives in and near this city by a terrific storm which swept in from the Gulf of Mexico in overwhelming force. Many are injured, but the results of the storm will not be known for another day, as telegraph wires are prostrated in every direction. The coast was severely hit, unconfirmed reports reaching here being to the effect that several hundred persons were drowned on the Florida Keys.

Fishermen and others say that a terrific swell passed over the low marsh grass islands, and that a considerable amount of wreckage has floated to the coast. The reports of heavy loss of life along these keys, however, is doubted.

Tallahassee's Capitol, with roof gone and walls gaping, is little more than a wreck to-night. Records of more than a century are exposed to the elements. Several of the side walls will have to be torn down.

Nearly every store in the city suffered.

Great oak trees that dated from before the time of the Spanish occupation were torn up by their roots. Numerous dwellings were wrecked or damaged badly, and in several cases minor fires added to the destruction. Numerous houses of the poorer class were carried from their foundations.

Crops suffered heavily. Cotton practically is ruined. Much live stock was killed or maimed.

CHICAGO BUILDING LOCKOUT.

Trades Council Threatens a General Strike in Retaliation.

Chicago, June 19.—The lockout of 20,000 men engaged in the building trade here recently threatened by contractors who are putting up buildings in the downtown district became effective to-day.

The lockout followed refusal of 150 striking stone masons to return to work on a big bank building.

Officials of the building trades council declared that they would retaliate by calling a strike and stopping building construction throughout the city.

EIGHTY BURNED TO DEATH.

Russian Villagers Wreak Horrible Revenge on Girl Laborers.

St. Petersburg, June 19.—Eighty young women were burned to death today by villagers enraged at the importation of cheap girl labor to work on a sugar estate in the district of Pirriatin, in the province of Poltava, Southern Russia, according to the Kiev newspaper Llamin.

The excited villagers first securely fastened all the means of exit from a wooden barn in which the girls were housed. They then set fire to the building, while the inmates were still asleep, and all were burned to death without a chance to escape.

DR. VAUGHN ELECTED.

He Is Chosen to Head American Medical Association.

Minneapolis, Minn., June 19.—The third day of the American Medical Association's annual convention opened in fifteen sections to-day.

Leprosy is steadily increasing in the United States, according to Dr. Rupert Blue, surgeon-general of the United States Public Health Service. Dr. Blue's address told of the continued propagation and spread of this disease. Government supervision was urged.

At an afternoon session, Dr. Victor C. Vaughn, Ann Arbor, Mich., dean of the medical school of the University of Michigan, was elected president.

Atlantic City was chosen for next convention.

POST-OFFICE BROKEN INTO.

Yeggmen Frightened Away After Getting Only $25 in Cash.

Charlotte, N. C., June 19.—Yeggmen at an early hour this morning forced an entrance into the North Charlotte post-office and blew open the safe with a charge of nitroglycerin. They were frightened away, however, and only secured $25 in cash that was in the safe, leaving approximately $1,500 in stamps together with the money-order books untouched. There is no clue to the robbers.

March Up Capitol Hill.

Washington, June 19.—Ardent workers for a constitutional amendment for women's suffrage, headed by Miss Alice Paul, will march up Capitol Hill and down again on June 20. The demonstration is planned to arouse more interest in the amendment, and to file more petitions with Congress. A group of men of the New York Men's League for Woman Suffrage is to start from New York and come by slow stages to Washington to join in the demonstration. Mrs. Helen Hoy Greeley will bring an automobile brigade from New York.

Bliss Is Rejected.

[Special Cable to The Times-Dispatch.]

Paris, June 19.—The Chamber of Deputies to-day rejected by a vote of 413 to 142 the bill introduced by Deputy Francis Fournier, and signed by forty Socialist Deputies, calling on the French government to initiate an international parliament.

Arrested for Embezzlement.

Mason City, Iowa, June 19.—John Knowles, son of George W. Knowles, assistant postmaster of Philadelphia, was arrested in the lobby of the post-office here to-day on the charge of embezzlement of about $1,000. He was taken to Fort Dodge for a hearing in the Federal Court, and will then be taken to Philadelphia.

Caught Between Cars.

Washington, June 19.—Representative H. Garland Dupre, of Louisiana, and James R. Murphy, a Commerce Court deputy marshal, were caught between two street cars here to-day as they were crossing a street. Representative Dupre escaped with a slight scalp wound and bruises, but Murphy had his right foot crushed so that it had to be amputated. The motormen and conductors of the cars were arrested.

OBITUARY

Joseph William Berry.

[Special to The Times-Dispatch.]

Norfolk, Va., June 19.—Joseph William Perry, one of the wealthiest and most influential citizens of Tidewater, died at 10 o'clock to-night at his home in Bute Street. He was sixty-eight years old. Mr. Perry was a native of North Carolina, but had been a resident of the city for many years. He was president of the I. W. Perry Company, one of the largest cotton brokerage houses in the South. He was also president of the Citizens' Bank, a director in a number of other banks and corporations. Mr. Perry was one of the first promoters of Willoughby Beach property, which is said to have been the biggest success financially of any suburban property developed around Norfolk in the last fifty years. Mr. Perry is survived by his widow and two daughters, Mrs. Gilbert Hinton, and Miss Mary Perry, both of this city.

W. Barbour Jones.

[Special to The Times-Dispatch.]

Lynchburg, Va., June 19.—W. Barbour Jones, aged seventy-two years, for some years publisher of the Farmers' Guide, a weekly newspaper published here for the country districts, died early this morning at his home in Rivermont after a brief illness. Mr. Jones was a Confederate veteran and a member of Garland-Rodes Camp, of this city.

Sister Laurencia Kane.

[Special to The Times-Dispatch.]

Norfolk, Va., June 19.—Sister Laurencia Kane, one of the best-known sisters of charity at St. Vincent's Hospital, died at that institution this afternoon after a lingering illness. She was thirty-two years old, and had been a resident of this city for seven years.

She came here from St. Louis, and during her residence here endeared herself to all who came in contact with her. She was devoted to her work, and until stricken down by illness was one of the most active and popular sisters at St. Vincent's. The funeral will take place Saturday morning, and the interment will be made in St. Mary's Catholic Cemetery, this city.

Edward Francis Britton.

Sea Breeze, Fla., June 19.—Edward Francis Britton, postmaster here for a number of years, died late yesterday afternoon. Mr. Britton followed the newspaper business in various states until he came here in 1905, when he was appointed postmaster.

Aurelius King Shay.

Charlottesville, Va., June 19.—Mrs. Bacon, of Clamont, this county, has received news of the death of her brother-in-law, Aurelius King Shay, in Seattle, Wash. Mr. Shay married Miss Julia Lewis, who was born and reared near Clamont. The couple spent their early married life in Albemarle.

Funeral of Judge Morton.

[Special to The Times-Dispatch.]

Orange, Va., June 19.—The funeral of the late Judge James W. Morton was held in St. Thomas's Episcopal Church this afternoon at 4 o'clock. Judge Morton's death took place on Wednesday, after a long illness lasting over a year. He leaves four children—Jackson, Williams and Miss Carrie Bruce Morton, of this place, and George Morton, of Appalachia.

A devoted churchman, he had served St. Thomas's Church as vestryman and warden for more than a quarter of a century. For years he had been president of the National Bank of Orange. In his death Orange loses one of its oldest and most prominent citizens. His loss will be greatly felt by the community.

Mrs. B. C. Flannagan.

[Special to The Times-Dispatch.]

Charlottesville, Va., June 19.—A telegram received here to-day announced the death at the home of her son, J. Frost Walker, in Columbia, S. C., of Mrs. B. C. Flannagan, widow of a former banker of this city. Her husband's death occurred about eighteen years ago. Mrs. Flannagan was eighty-four years of age.

Mrs. Virgil M. Wheeler.

[Special to The Times-Dispatch.]

Charlottesville, Va., June 19.—Mrs. Alice Virginia Wheeler, aged fifty-seven, wife of Virgil M. Wheeler, is dead at her home at Old Dominion, this county. She was, before marriage, Miss Alice V. Martin, eldest child of Hudson Martin, of Faber's. Besides her husband, she leaves her father and the following sisters and brothers: Mrs. J. Pace Chapman, Mrs. C. M. Pitzer and R. Lee Martin, of Faber's; Mrs. Charles H. Martin, of Greenfield; Mrs. John A. Wheeler, of Albemarle; Charles T. Martin, of Alexandria, Va., and Miss Sallie E. Martin, of Washington, D. C.

Mrs. D. P. Powers.

[Special to The Times-Dispatch.]

Scottsville, Va., June 19.—Mrs. Sarah Powers, eighty-two years old, widow of D. P. Powers, died Tuesday night at 11 o'clock. The funeral took place from the home this afternoon at 5 o'clock. The interment was in the family burying ground, near Glendowco. Mrs. Powers leaves four daughters—Mrs. A. G. Bell, Mrs. J. P. Blair, Misses Marietta and Lucie H. Powers, and two sons, William A. and Philip S. Powers, of Richmond. She also leaves one sister, Miss S. N. Staples.

Mrs. Sarah E. Burgess.

[Special to The Times-Dispatch.]

Scottsville, Va., June 19.—Mrs. Sarah Elizabeth Burgess, aged seventy-five years, widow of P. M. Burgess, died yesterday evening at 8 o'clock. The funeral will take place from the home of her son, W. E. Burgess, to-morrow afternoon at 2 o'clock. Interment will be in the family burying ground. Mrs. Burgess leaves three daughters—Mrs. J. L. Pitts, Mrs. Laura Colby, and Mrs. W. S. Dorrier; and two sons, W. E. Burgess and Garnett Burgess, all of Scottsville. She also leaves one brother, Charles Clark, of Putney, W. Va., and one sister, Mrs. Thomas Childress, of Esmont.
