YALE REGULARS IN FINE FETTLE

Two Days' Rest at Seashore Freshens Warriors—Getting Ready for Harvard.

New Haven, Conn., November 17.—Freshened and rested by their two days' stay at the summer mansion of Oliver Jennings, in Fairfield, the Yale football regulars returned to this city this morning in time for dinner at their training table. Captain Ketcham said that every member of the team was on the job. Practice for the first string men will begin to-morrow in secret at Yale Field, and the weights of the Yale players, which dropped heavily during the Yale-Princeton match are expected to be fully restored by to-morrow. Two hours were spent this afternoon brushing up the first substitutes for the Harvard game Saturday. Hal Pumpelly was placed at full back in the scrimmaging this afternoon, and although clearly lacking in many of the essentials of defensive play, he figured in some excellent rushes and some hard tackling, in which he broke down the opposing back. Russell Cooney was at center, and will be worked as Murthe's understudy for the place. "Dutch" Arnold at guard was one of the features of the practice, and one of the coaches said that if Arnold had three weeks longer he would push to the bench one of the regular guards.

REST IS GIVEN CRIMSON SQUAD

No Chances Taken by Coaches. Bradley Only Man Not in Good Shape.

Cambridge, Mass., November 17.—Harvard had an easy day's workout to-day in order that the men might get rid of any lameness caused by the Brown game of last Saturday. All of the men reported in good shape but Bradley, who was not in togs, as he hurt his ankle slightly on Saturday.

The work consisted mainly of dummy scrimmaging between the first team and the substitutes, in which the varsity run off plays smoothly and with great precision.

Much time was spent in punting and drop-kicking. Mahan and Hardwick were in good form, and got off some beautiful spirals. Brickley and Mahan practiced drop-kicking with very good success.

The work during the rest of the week will be very light. On Thursday night the whole squad will leave for the Vesper Country Club near Lowell, and remain there until Saturday morning, when it will return to Cambridge in time for luncheon at the varsity club before the game with Yale.

HOPPE DEFEATS CALVIN DEMAREST

New York, November 17.—Willie Hoppe, the wizard of the green baize, successfully defended his laurels at 18.2 balk-line billiards at the Hotel Astor to-night, vanquishing Challenger Calvin W. Demarest, of Chicago, by 300 to 294. Hoppe completed his string in his twenty-third at the table.

The youthful champion averaged 13.17-23, and his three high runs were 121, 81 and 57. Demarest averaged 12.18-23, and his best efforts were 115, 55, 48.

Hoppe played with all his old brilliancy after he assumed the lead in the fifteenth inning. Willie started off in front and led until the fourteenth, when Demarest took the lead momentarily, running 114. At this stage he was seven points in front, but Hoppe came back with 81, and never relinquished the advantage.

Colored Teams to Play.

The people of Richmond will have a chance to see one of the best football games played in this section of the State this season, when the Olympia Athletics, of Richmond, clash with the Monach Athletics, from Norfolk, Thanksgiving Day in Athletic Park, South Richmond, for the independent championship of the State. Both teams have been claiming these honors for five years, but have never met, and these two teams have gone through the season again with only one defeat against them, and, strange to say, both were defeated by the Virginia Normal and Industrial School, of Petersburg.

Giants Whip Chicago.

Medford, Oregon, November 17.—The New York Nationals defeated the Chicago Americans 3 to 0 in a five-inning game to-day. Score by innings:

		R.	H.	E.
New York	0 0 0 1 0 2 0	3	4	2
Chicago	0 0 0 0 0 0 0	0	4	4

Batteries—Wiltse and Wingo; Benz and Slight.

CAROLINA STARTS FINAL WORK-OUT

Alumni Coaches Arriving to Whip Eleven Into Shape for Virignia Game.

Chapel Hill, N. C., November 17.—The order for secret practice for the remainder of the season, coupled with the announcement that several football warriors of former years would return to the "hill" within the next few days, were the outspoken signs in evidence here to-day of the beginning of real practice for the annual football struggle with Virginia.

The regular coaching staff will be further strengthened by the arrival to-morrow of Bluethenthal, who comes direct from Princeton, where he has been regular trainer of the Tigers.

Of the alumni who will return to assist the coaching crew are Jim Wiggins, of Norfolk, Va., former end, who arrived to-day; W. A. Reynolds, a member of the Princeton team of 1895, and who coached Carolina in 1897, 1898, and 1899; Albert Cox, of Raleigh, end on the teams of 1902 and 1903; "Bull" Thompson, former tackle; Dr. Foy Robertson, an ex-full back; P. G. Seagle, a guard on the teams of 1904 and 1905, and George Thomas, full back on the 1908 eleven.

Every member of the squad enters upon the practice for the Virginia fray in splendid physical condition. The first practice since the Wake Forest game this afternoon saw a big outpouring of men, and they were rushed through a variety of practice until dark.

Before a large audience, Company B, of the Richmond Light Infantry Blues, won its third straight basketball game, defeating Company D by a score of 19 to 8.

The playing of Bruce for Company D was good. He followed the ball well and shot the baskets to perfection.

Company A and Company C will play to-night, and another exciting game will be had.

The line-up follows:

Company B.	Position.	Company D
Loreine	left forward	"Rock" King
Moncure	left guard	Allen

Cavanaugh	right forward	Cooper (Sharp)

MIDDIES CHEERED IN PRACTICE GAME

Annapolis, Md., November 17.—Encouraged by the yells and songs of the whole brigade, the Naval Academy team put vim in its work this afternoon. Most of the short practice period was devoted to signal drill. The coaches drove the team at a faster clip than has been previously used in match or practice this season. Nichols was at quarter-back most of the time, indicating that on account of his brilliant running he has been chosen over Mitchell to begin the Army game. Nichols, who did not report until midseason, will now be given every opportunity of working with the team, though there is much satisfaction over the fact that there is such a capable understudy as Mitchell.

Rodel Held Too Cheap.

Milwaukee, Wis., November 17.—Jess Willard made the mistake of holding Beer Rodel too cheap to-night. The Kansas giant showed up in the Southside A. C. arena carrying enough excess weight to slow up into a boxing truck horse, and the man from South Africa held him even during ten rounds of mediocre mauling. It was a shambling, collar and elbow affair all through. Willard was so fat that the flesh on his midsection and roly-poly legs shook as he shuffled about.

King College Near-Champions.

[Special to The Times-Dispatch.]

Bristol, Va., November 17.—Following its victory of 22 to 0 over Tusculum College on the Greeneville field Saturday, the King College gridiron team of this city bids fair to be proclaimed the champion of all college teams in East Tennessee. The Bristol lads have not lost a game played on Tennessee soil this season, but did sustain two defeats in North Carolina, one being administered by the Bingham School team and the other by the Asheville team.

ALFRED J. HILL GETS PRESIDENCY

Named as Head of Amateur Athletic Union—James E. Sullivan Re-Elected.

New York, November 17.—Alfred J. Hill, Jr., of Boston, this afternoon was elected president of the Amateur Athletic Union. Other officers elected were:

First vice-president, John Elliott, of San Francisco; second vice-president, Theodore R. Bland, of St. Louis; third vice-president, George J. Turner, of Baltimore; fourth vice-president, Frederick W. Bauer, of Philadelphia.

James E. Sullivan, of this city, was re-elected secretary and treasurer.

The elections took place at the annual meeting of the Amateur Athletic Union office.

In all ninety-two records made during the last year were approved at the meeting. Seventy-eight of these were in track and field events and the remaining fourteen for swimming. Of the swimming records, Duke P. Kahanamoku, of Honolulu, was credited with seven, Hannes Kolehmainen, the Finnish Olympic distance runner, was given forty-three new records (twelve indoor and thirty-one outdoor track records) at distances from two and one-quarter miles to ten miles.

Retiring President Gustavus T. Kirby advocated that competitions under strict conditions and limitations between amateur and professional athletes should be sanctioned. This matter was referred to the board of governors.

ARMY PREPARING FOR NAVY BATTLE

To-Day Will Find Soldiers Starting on Last Lap of Finishing Process.

West Point, N. Y., November 17.—The Army will begin its Navy game preparations in earnest to-morrow. Secret practice has been ordered, and will be the program right up to the Navy struggle. Encouraged by the showing made against Albright and Villa Nova during the last two games, the squad resumed light work to-day, consisting of signal drill and the usual preliminaries. During the signal practice much time was devoted to the forward pass formations, but they were dismal failures to-day. No injuries resulted from the Villa Nova contest, and it is expected that Benedict and Houston, who have been out of the game for over three weeks, will be able to participate in the hard workouts scheduled for this week. Springfield will come here for the final home game on Saturday, and the Army will have hard work each day in preparation for the Easterners.

Form Colored League.

Pierre S. D., November 17.—Articles of incorporation were filed with the Secretary of State here to-day for the Colored National Baseball League of the United States. The league is capitalized for $50,000, and is backed by Chicago men.

MANASSAS HIGH IS LUCKY WINNER

Manassas, Va., November 17.—Manassas High School football team to-day defeated the Woodberry Forest second eleven by the score of 28 to 18. Manassas was favored with the turns of luck, which were largely responsible for the victory. Woodberry presented an eleven which made a superior showing over the local team, and had it not been for fakes would have won out. Featuring for Manassas was Round at left half and Lynch at full, the former making two sensational runs of fifty and sixty yards each, netting a touchdown.

Lynch on a fake recovered a forward pass and ran eighty yards to the goal. Woodberry gave a clever exhibition of forward passing.

The officials were: J. L. Hynes, referee; W. Garrison, umpire; Mr. Cabell, head linesman. Quarters, ten minutes.

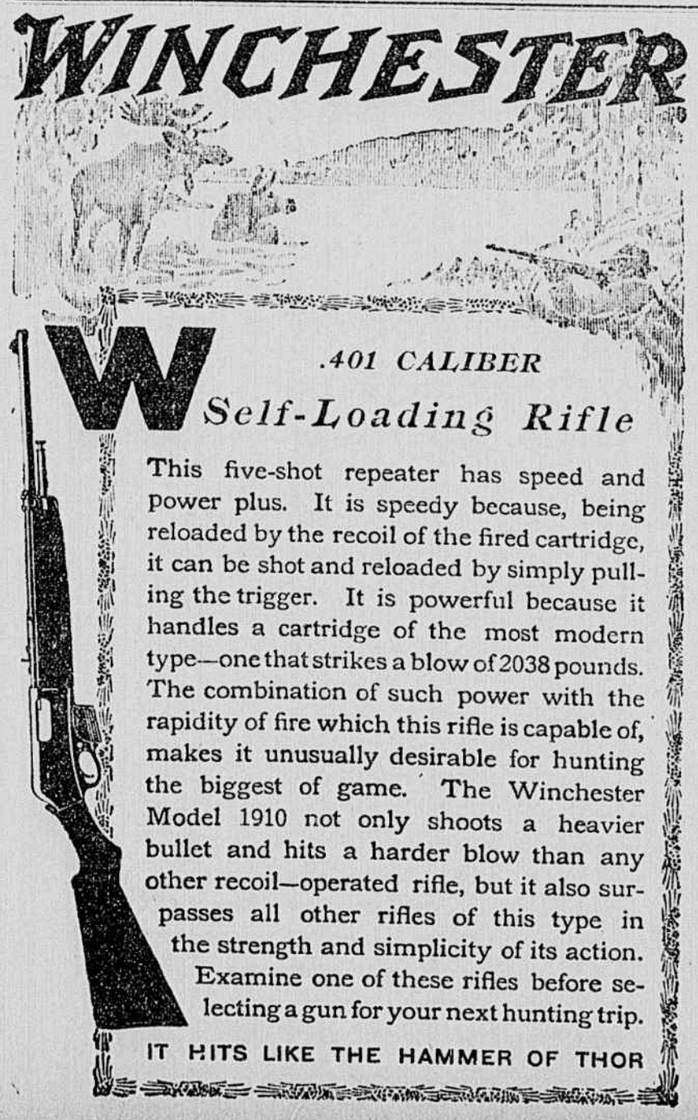
WINCHESTER



W .401 CALIBER Self-Loading Rifle

This five-shot repeater has speed and power plus. It is speedy because, being reloaded by the recoil of the fired cartridge, it can be shot and reloaded by simply pulling the trigger. It is powerful because it handles a cartridge of the most modern type—one that strikes a blow of 2038 pounds. The combination of such power with the rapidity of fire which this rifle is capable of, makes it unusually desirable for hunting the biggest of game. The Winchester Model 1910 not only shoots a heavier bullet and hits a harder blow than any other recoil—operated rifle, but it also surpasses all other rifles of this type in the strength and simplicity of its action. Examine one of these rifles before selecting a gun for your next hunting trip.

SMITH OUTPOINTS BOSTON TAR BABY

Boston, November 17.—Gunboat Smith outpointed Sam Langford in their twelve-round affair at the Atlas Club to-night and Referee Dick Fleming gave him the decision. Smith fought hard after the first few rounds and in the fifth opened his opponent's left eye. There was no knockdown during the bout. Smith's tactics were to hold off his man with left-hand jabs, then swing with his right. Langford had a slight advantage in the sixth round, and had altogether the better of the eighth and eleventh. In the second, fourth, fifth, tenth and twelfth honors appeared to be even.

Unsuccessful attempts were made during the afternoon by an attorney, said to represent B. H. Benton, to induce the authorities to forbid the meeting on the ground that the fight was not to be on the square. The spectators are divided in opinion on this point.

Rudolph Trubel Killed by Desperado at Falls Mills.

[Special to The Times-Dispatch.]

Roanoke, Va., November 17.—Rudolph Trubel was shot to death by a lone highwayman at Falls Mills, Va., early Sunday morning. Trubel was walking with his brother from Falls Mills to Pocahontas, when the hold-up took place. The brother ran before the shooting. The dead man was robbed of his watch and $37.

A good description of the desperado was given by the brother, and officers are scouring the hills in the hope of making an arrest. It is believed that the murderer is the same man that recently held up and killed a negro at Bluestone Junction, and committed several other successful hold-ups.
