# WILEY IS SLATED FOR ANOTHER JOB

Noted Pure Food Expert May Go to Greater New York.

MITCHEL IS HIS ADMIRER

New Mayor Wants Him to Become Head of Health Department.

Washington, November 27.—It was learned in Washington to-day that Dr. Harvey W. Wiley, formerly chief of the bureau of chemistry, Department of Agriculture, may be appointed health commissioner of Greater New York.

Because of his affiliation with the Anti-Mitchel element, Ernest J. Lederle, the present health commissioner, is reported to be slated for retirement when Mayor-Elect John Purroy Michel returns from Panama and the new reform administration assumes control.

Dr. Wiley's appointment, it is said, will not be based on politics. His last official position was in a Republican administration. Mayor-Elect Mitchel, however, is known to be a great admirer of the Washington "pure food expert."

**Conference With Mitchel.**

The two are reported to have had a short conference in New York before Mr. Mitchel sailed. Following that trip to New York Dr. Wiley's friends there began an active campaign among the men who will be the chief advisers of the new Mayor. Many of these men are known to be supporters of the Washingtonian.

A year ago Dr. Wiley was offered the health commissionership of Boston. He declined, pleading the pressure of his literary and lecture engagements. He is reported to be in a more receptive state of mind for an opportunity that would enable him to carry his pure food fight into a great city like New York. The position pays considerably more than was offered to him to go to Boston, but his friends say that the larger scope of the work in New York would be more attractive to him than the salary feature. According to good authority, he is now earning more than any such municipal or government position could pay.

**Is Vigorous at Sixty-Nine.**

Dr. Wiley is now sixty-nine years old, but of remarkable vigor. Since his retirment from government service he has been contributing editor of Good Housekeeping Magazine and the director of its bureau of tests in Washington. His principal activity has been in the application of chemistry to the protection of food and drugs, as well as in the administration of the pure food law. His most conspicuous efforts resulted in the passage of the food and drugs acts by Congress in 1906.

A New York report says that Mayor-elect Mitchell also endeavored to secure the services of Colonel William C. Gorgas, U. S. A., as one of his public health advisers. Colonel Gorgas has won world-wide fame as the sanitary expert of the Isthmian Canal Zone, and is now on his way to South Africa on a similar mission. But a recent ruling by Secretary of War Garrison would make it impossible, from now on, for army officers to engage in anything but government work.

Dr. Wiley could not be reached today. He is spending Thanksgiving on his Virginia farm with Mrs. Wiley and his young son, Harvey W. Wiley, Jr. It was said that he would return to Washington Friday morning.

**Baby Dies of Diphtheria.**

# FRESH CHARGES NAME HENNESSY

He Is Accused With Carlisle in New York Asphalt Graft.

[Special to The Times-Dispatch.]

Albany, N. Y., November 27.—The charges filed against State Highway Commissioner John N. Carlisle, by the Warner-Quinlan Asphalt Company, and his answer thereto, were made public to-night by Governor Glynn.

Carlisle's accusers averred he discriminated against them in laying down specifications for asphalt to be used on State highways in order to favor the Barber Asphalt Paving Company, held secret meetings with agents of the company for the purpose of conspiring against other asphalt manufacturers, wasted thousands of dollars in employing incompetent engineers as road experts, and threw the Highway Department into a state of chaos.

The commissioner's reply was a general denial of the accusations. They were inspired, he said, by chagrined manufacturers, who had failed in an effort to foist on his department "just as good" asphalt for that designated in the specifications.

The name of John A. Hennessy, formerly a special investigator in the Highway Department, appeared unexpectedly in the formal charges. To him was attributed the sending of a telegram to highway contractors last July 5, notifying them that they must use Barber asphalt.

This telegram was alleged to have followed a meeting in Cooperstown between Governor Sulzer, Carlisle, George McGuire, an agent for the Barber Company, and others.

Allegation further was made that two days after Hennessy was appointed, on June 16, 1913, he was called into conference with James K. McGuire, an agent for and a stockholder in the Barber Company, Carlisle and others, and informed that only Barber asphalt would meet State highway specifications.

Both Hennessy and Sulzer, continued the charges, received money from the McGuires, "some of which, if not the entire amount thereof, was furnished by the Barber Asphalt Paving Company."

When Hennessy was apprised tonight of his alleged connection with the asphalt deals, he said the accusation ought to be investigated immediately by a grand jury.

**BEAR INVADES CHAPEL.**

**Bruin Occupies Preacher's Sanctum, and Services Are Dispensed With.**

[Special to The Times-Dispatch.]

West Raleigh, N. C., November 27.—The students of A. & M. were aroused Tuesday morning, with the news that a bear was in the chapel, and upon investigation it was found that one of the bears at the park had either escaped or had been conveyed to the chapel by some of the students of the college. When time for the daily chapel services arrived bruin was found in possession of the rostrum, and consequently the services were not held that day. The park authorities were notified, and they sent the cage over during the morning, enticed the bear into it and carried him back to the park. Judging from tracks leading from the park it is thought that some of the students got the bear into a box, and conveyed him to the college with the college dairy wagon.

**FLOOD'S WEDDING INVITATIONS.**

[Special to The Times-Dispatch.]

Winchester, Va., November 27.—Invitations are to be issued in the near future for the marriage of Miss Anne Portner, of Washington, to Representative Henry Delaware Flood, of the Tenth Virginia District, which will take place in Washington on January 7.

The wedding will be a large church function, and will be followed by a brilliant reception, which will be attended by many of their family connections and friends from Virginia.

Miss Portner, it is understood, has not selected her attendants, nor has Mr. Flood made known the names of his friends who will be asked as his groomsmen. Miss Portner is a very pretty girl, of a strikingly attractive brunette type, and is a member of the well-known Virginia family of that name. With her sister, Miss Hildegarde Portner, she is spending the winter at the Highland Apartments in Washington. She will visit Winchester during the coming Christmas holidays and will be the guest of Mr. Flood's brother-in-law and sister, Mr. and Mrs. Richard Evelyn Byrd. After the honeymoon trip, which will probably be spent in Europe, Mr. Flood and his bride will return to Washington for the remainder of the winter, or as long as the Congress is in session. They plan to spend a portion of next summer at Mrs. Flood's large estate at Appomattox, Va., and also at the handsome country place of the Portners' at Manassas, Va.

# ROBT. GOOCH GETS BIG SCHOLARSHIP

Passes Examination of Oxford University and Adds to Former Laurels.

[Special to The Times-Dispatch.]

Charlottesville, Va., November 27.—Dean James M. Page, of the University of Virginia, received word to-day from Oxford University, England, to the effect that Robert Kent Gooch had passed successfully the examination for the Rhodes scholarship.

Mr. Gooch is an undergraduate student at Virginia, and is a candidate for the degree of bachelor of arts next June.

J. V. Ray stood as a representative of West Virginia, and E. M. Craig, Jr., for Alabama. They will receive notification of the result of their examinations from those in authority in their respective States. Both are at present students at the University of Virginia.

The next Rhodes scholar from Virginia will be chosen from several candidates, including Mr. Gooch, who have passed the examinations, and are on the eligible list.

Robert Kent Gooch is a son of Judge W. S. Gooch, formerly of Louisa, but now a resident of the university. Since entering college he has starred in two branches of athletics—football and track. He is quarter back on the varsity eleven, and his work in that position has been praised by football critics of this and other States. Virginia's signal victory over Vanderbilt on November 1 was due in a large measure to his generalship and brilliant open-field running. In track athletics, young Gooch holds the South Atlantic record in the broad jump.

J. V. Ray, who took the Rhodes examination here a few weeks ago, is right half back on the varsity football eleven, and one of the best ground gainers on the team. He and Gooch are the best punters on the squad.
