PRINCE AHMED IN WINNING FORM

Bedwell's Racers Continue to Win Stakes at Palmetto Park.

Charleston, S. C., December 5.—The colors of H. G. Bedwell, which almost have monopolized the events in which he has furnished contention, again were conspicuous this afternoon, when his old horse, Prince Ahmed, seemingly in his once great form, made a show of his field in the feature event at seven-eighths of a mile. Prince Ahmed had never before won a race at Palmetto Park, though the medium of many trials, and his victory proved a popular one, for he was backed almost to the exclusion of every other starter. HIGHLAND PARK READY FOR GAME

Second Place in Independent Football League Will Be Decided To-Day.

Highland Park and Barton Heights will play the last football game of the season at Broad Street Park for second place in the local independent championship of the city.

The teams representing the rival districts have met twice this season, each winning a game. The scores were 7-0 and 7-6, respectively. The last game was played at Byrd Park before a large crowd of followers, and was claimed by many to be the prettiest football game played on that field during the season. The score tells the tale. Highland Park scored in the first period and missed goal on a kick out. Barton Heights scored in the last period on an end run by Watson. The goal was kicked by Heibl, winning the game.

Both teams are in good condition and each claims victory.

The game will be called at 3 o'clock. The line-up:

BLUES-SPIDERS GAME TO-NIGHT

Basketball Teams Lined Up for a Hot Battle at the Armory.

The Richmond Blues and the Richmond College basketball teams will meet at the Blues' Armory to-night at 8:30 o'clock. The teams have played one game, and each went down in defeat. The Blues' five was defeated at the armory Thursday night by the Medical College of Virginia, and at the same time the Spiders were defeated by the Howitzers. Not being satisfied with nothing but one game lost to their credit they will now fight among themselves for a credit in the won column.

The Blues appear to have an edge of the Spiders as they have had about two weeks of practice, while the Spiders have only been out for three days. This will not stop the playing of the college boys, for they are out to win the basketball games, and with a large crowd of rooters on hand to help them out, a game fight will be seen.

WASHINGTON & LEE STARTS PRACTICE

Candidates for Basketball Team at Lexington University Are Hard at Work.

Lexington, Va., December 5.—Yesterday the first call for basketball candidates was issued by Coach Pollard, and quite a number of new men responded. "Cy" Young, star on the football team, Zaiss and Wadsworth are out for forward positions, and all seemed to show class from the start. Seeley, who played at S. M. A. last year, will also expect for one of the forwards. Bear may probably be shifted to guard, where he played in 1912, and was awarded a position on the All-South Atlantic quint. He played at forward last year, and put up a strong game, but it is felt that the offensive place is his natural one. Miles, the big centre, will be seen at his old job, and so will McCain, who has already played varsity forward for one year. Gile, substitute guard in 1912, will probably land a regular berth, and Perry, of last season's quint, will start as a forward, though he has shown ability as a defensive man. It is too early to get a line on the new men, but before the training season is very old some real stars may be developed. But with Captain Bear, Miles, Perry, McCain and Gile to start with, the indications are that the team will be fully as strong as that of last season, the 1913 quint not losing a game in the south.

MANY CHANGES IN NATIONAL LEAGUE

Konetchy Goes to First Place in Standing of First Basemen.

New York, December 5.—The National League fielding averages of the season of 1913 show a number of changes in the standing of the players as compared with the records of the previous year.

Konetchy, of St. Louis, moved from fourth to first place, his average as first baseman being .995, while Jake Daubert, of Brooklyn, who led the league in 1912, dropped to second place, four points below Konetchy.

Among the second basemen, Miller Huggins, of St. Louis, with .977, ousted Egan, of Cincinnati, whose record of .972 was one point less than that of a year ago.

John Loocrt, of Philadelphia, second among the third basemen in 1912, was ranked first this season, with .974. Joe Tinker, of Cincinnati, wrested the first place shortstop honors from Wagner, of Pittsburgh, his percentage being .968 against Wagner's .962.

Tommy Leach, of Chicago, leads the outfielders with .989 for 128 games, although Roth, of Pittsburgh, is the technical leader for twenty-two games with 1.000. Leach showed improvement over his 1912 performance, gaining twelve points in per centage, although playing thirty-two more games this year.

Grover Alexander, of Philadelphia, is given first place among the fielding pitchers of the league with a perfect percentage for forty-seven games. Fromme, of New York; Crandall, of New York; Rixey, of Philadelphia; McQuillan, of Pittsburgh, and Ruck, of St. Louis, are all in the 1.000 class with Alexander, although pitching a number of games less than he did.

In the club fielding Philadelphia is ranked first with .968, and St. Louis second, three points below the Phillies. Pittsburgh is third with .964, and New York, Cincinnati and Brooklyn are tied for fourth place with .961.

A. & M. ATHLETES AWARDED HONORS

Monograms and Stars Given Football Players—Basketball Quint Strong.

Raleigh, N. C., December 5.—At a meeting of the A. & M. Athletic Council held last night fifteen monograms and stars were awarded members of the varsity football team as follows: Monograms to Tenney, Riddick, Sullivan, VanBrooklin, O. S. Anthony, Scarry, Forderber, McDougall, Seifert and Winston; stars to Hurtt, G. H. Anthony, Plyler, Coke and McSkurry.

Now that the football season is over attention is being turned to the approaching basketball season, which will start immediately after Christmas. Already a large number of men are practicing every afternoon in the gymnasium, and the prospects are very bright for a fast team to represent the Red and White this year, much better than that of last year. There are three old varsity men back those being Captain Jeff Phillips, Sommerford and Barron. These were three of the most consistent men on last year's team, and with the addition of several new men, who were prep school or A. M. C. A. stars last year, the Techs will have as fast a quint as any college in this section. Some of the new men who are showing up best are Sullivan, Forderber, Cy Young, R. Young, Dowd, McDougall.

Manager Rees will have the schedule ready for publication within the next week, and it will be one of the heaviest gotten out for an A. & M. quint, including several games with every college in the State, and a trip North.

HIGHLAND PARK GIRLS WIN GAME

Defeat Barton Heights Basket-Ball Team 13 to 6 Yesterday Afternoon.

The Highland Park High School girls kept up their winning streak yesterday by defeating Barton Heights high on the latter's court by the score of 13 to 6.

Highland Park led all the way, but from start to finish the game was hotly contested, Barton Heights put up the best game they have played this year, and it was only toward the end that Highland Park forged ahead due to their superior team work and shooting.

The game was characterized by close guarding on both sides. For Barton Heights Misses Reams and Taylor did stellar work along this line, while for Highland Park Miss Wyatt and Whitlock covered to perfection. Miss Cross led with points scored, having nine to her credit. The summary follows:

Barton Heights—Miss Harding, forward; Miss Cook, forward; Miss Guvernator, forward; Miss Ashley, side centre; Miss Shackelford, side centre; Miss Strother (captain), jumping centre; Miss Taylor, guard; Miss Reams, guard.

Highland Park—Miss Howell, forward; Miss Cross, forward; Miss Barton, side centre; Miss Williams, side centre; Miss Baldwin (captain), jumping centre; Miss Whitlock, guard; Miss Wyatt, guard; Miss Holladay, guard.

Points scored. For Barton Heights—Field goals, Miss Harding (1), Miss Cook (1); foul goals, Miss Harding (3). For Highland Park—Field goals, Miss Howell (2), Miss Cross (4), foul goals, Miss Cross (1). Time of halves, fifteen minutes. Referee, Miss Poole, John Marshall High School.

YELLOW JACKETS' QUINT IS READY

Basketball Season Opens To-Night With Seminary Boys as Opponents.

Ashland, Va., December 5.—The Yellow Jackets will open their basketball season here to-morrow night when they line-up against the Union Theological Seminary quint. The Yellow Jackets have been practicing faithfully for the last two weeks, and have developed considerable team work for so short a time. Every afternoon the men are in the gymnasium for two hours' work, and Coach Reiss is teaching the men to pass, dribble and shoot. Scrimmages are held between first and second squads.

There are several new men in the line-up this year, as four of last year's squad are missing. The new men are doing good work, and as there are a number of candidates for each position the rivalry is keen.

This afternoon the first squad had a hard time defeating the scrubs, as both teams are pretty evenly matched.

Last year the Yellow Jackets defeated the Presbyterians, and expect to repeat to-morrow night.

The probable line-up follows: Sheffey, right forward; Coe, left forward; Compton, centre; Walker, left guard; Richardson, right guard.

SWIMMING MEET THIS AFTERNOON

The prep school swimming meet will be held at 3 o'clock this afternoon in the Young Men's Christian Association pool. This year there will be but three schools in the meet, McGuire's University School being out, because of the death of Dr. McGuire. John Marshall High School, Richmond Academy and Benedictine College are the prep schools to take part in the meet.

There are eight events—a twenty-yard dash, forty-yard dash, plunge for distance, midget candle race, 100-yard dash, towing race, midget relay race and championship relay. The three teams have been practicing for the last week, and are in good condition for the meet.

The list of entries follows: John Marshall High School, Hosey, Catterson, Binswanger, Bradbury, Mathews, Fuller, Core, Atkinson, Pleasants, Owens and L. Turner; Richmond Academy, Cole, G. Brown, Edwards, E. Roden, Spencer, Kuyk, Whittet, D. Roden, Parrish, Blankenship and Shields; Benedictine College, Gibbons, Cheatwood, Peterson, West, Grant, Davis, Meyers, Smith, Patterson, Dugan and O'Keefe.

WASHINGTON 'Y' TO PLAY HOWITZERS

Snappy Basketball Game To-Night on Howitzers' Court.

A hard-fought basketball game is expected to-night when the Washington Y. M. C. A. and Howitzer club at the Howitzers Armory at 8:30 o'clock. The Washington men are expected to arrive this morning, and in the afternoon will visit the armory and put in a few minutes of practice, which will help them in getting acquainted with the court so as to be in readiness for the game to-night.

The Washington team has not been heard from this early in the season, but it is highly probable that the five is fast and will give the Howitzers a hard fight. If the team is anything like that of the last two years it is one of the best in the South. The reputation which comes in advance of the team is that it is just as strong as any five that the Washington Young Men's Christian Association has ever supported.

The Howitzers have a very strong five this year, as demonstrated in the game against the Richmond College Thursday night. All of the men have had experience in the game, and Metcalf, a new man, is proving to be a star. If the Howitzers play their game, a fast and snappy scrimmage will be the result.

Birmingham, Ala., was a strong bidder for the meet, and was awarded Roanoke mainly on account of geographical lines.

COUSIN PUSS IS AN EASY WINNER

Royal Dolly Scores Her Second Victory, and Panchiapi Wins a Close Race.

Juarez, Mex., December 5.—Cousin Puss, well handled by VanDusen, scored her second victory in as many starts when she defeated a good field in the mile handicap at Juarez this afternoon. The winner's time, 1:38 2-5 was exceptionally fast considering the high wind that prevailed. VanDusen rode his usual waiting race. He kept Cousin Puss well in the rear until after Just Red and Mimorioso, the peacemakers, had raced each other into exhaustion. Then he let out a few wraps, and Cousin Puss bounded forward, overhauled Irish Gentleman and won handily. Irish Gentleman easily took the place with Mimorioso third. Dynamo and Birdman, both favorites, accounted for their respective races in clever fashion.

Panchiapi, a Texas filly, got a close decision over Droll in the opening race, while Royal Dolly scored her second victory at the meeting when she ran away from her opponents in the fifth. Results:

First race—five furlongs—Panchiapi, 109, Kirschbaum, 6 to 1, won; Droll, 109, VanDusen, 6 to 1, second; Dr. Bailey, 112 (Gross), 30 to 1, third. Time, 1:00. Rose Stahl opens her engagement in "Maggie Pepper" on Friday night, with two performances on Saturday, and it is seen, therefore, that the Academy bookings for the week are about the best of the season.

It remains to be seen how the public will patronize the theatre next week, although it is not in doubt as to the merit of these productions. Some of the biggest things of the year have come here to find hundreds of empty seats, but the management is still determined to bring the best, hoping that the public will eventually recognize their high standard and quality.

SUGGESTS WAY TO END TOLLS DISPUTE

Hannis Taylor Would Have Issue Decided by International Diplomatic Conference.

Washington, D. C., December 5.—An international diplomatic conference as a means of bringing about an amicable settlement of the controversy between Great Britain and the United States over the Panama Canal tolls issue, was proposed by Hannis Taylor, former American minister to Spain, in an address at to-night's session of the fourth conference of the American Society for Judicial Settlement of International Disputes.

Mr. Taylor did not agree with Joseph A. Choate, former ambassador to Great Britain, who declared last night that the United States should repeal the tolls clause of the Panama Canal act or submit the matter to arbitration. "Either method," said Mr. Taylor, "at the present time is an absolute impossibility."

Professor Philip Brown, of Princeton University, discussing "Limitations of Arbitration," declared that the great danger in this country at present is that too much is being made of arbitration, luring the public to believe that arbitration is a cure-all. This, he said, might lead the country into sweeping concessions that would be unwise.

The proposed international court of arbitral justice should consist of not more than fifteen members, and should represent the different nations classified in groups in the judgment of Governor Simeon E. Baldwin, of Connecticut.

This plan he proposed as the most promising solution of the difficulties in the way of organizing the tribunal in his address before the society to-night.

An attack on the Monroe Doctrine as a worn-out garment, which should be cast aside for an international court, was made in an address to-day by William I. Hull, of Swarthmore, Pa.

"Its consequences, present and future, are appalling," said Mr. Hull. "Some of its past applications and the possibility of its applications in the future have done more than everything else put together to alienate our neighbors. The Latin-American fear of the new Monroe Doctrine is greatly retarding our mutual commerce and causing profound and widespread international distrust."

The society to-night elected Dr. Charles W. Eliot, of Cambridge, Mass., president for the ensuing year, and James Brown Scott, of Washington, secretary.

The meeting will close to-morrow night.

STOUTLY DEFENDS COLLEGE STUDENT

Dr. Grosvenor Champion of American Institutions of Learning.

HE RECEIVES DEGREE OF LL. D.

Amherst Educator Orator at Annual Meeting of Phi Beta Kappa.

(Special to The Times-Dispatch.)

Williamsburg, Va., December 5.—The College of William and Mary was the scene to-night of the annual celebration of the Phi Beta Kappa Society, the oldest Greek letter fraternity in America, which was founded at that institution on December 5, 1776. The chapel of the college was well filled with students, townspeople and visitors, who were present to attend the public features of the celebration.

The chief speaker of the evening was Dr. Edward A. Grosvenor, professor of history and international law at Amherst College, who is president of the united chapters of Phi Beta Kappa. A feature of the evening was the conferring of the degree of LL. D. on Dr. Grosvenor, by William and Mary College. Dr. Lyon G. Tyler, president of William and Mary, presented Dr. Grosvenor to Robert M. Hughes, president of the board, who in turn presented the degree. Dr. Grosvenor gracefully acknowledged the honor which the college had bestowed on him.

Dr. Grosvenor's Address.

The subject of Dr. Grosvenor's address was "The American College Student." His address was a general defense of the college student and of student life in American colleges. He decried the impression which prevails so widely that the college student is a hoodlum, it being his belief that many affairs for which the colleges get the credit are the work of outsiders. Dr. Grosvenor believes that the college of to-day is better than ever before, and that the twentieth century student is better prepared for the battle of life than was his father.

The members of the society assembled in the main college building at 7:30 o'clock, and at 8 entered the chapel amid the enthusiastic applause of the audience. The procession was led by President Robert M. Hughes, rector of the college, with the speaker, followed by the academic members of the society, in cap and gown, and the visiting members. Dr. Grosvenor was gracefully introduced by Mr. Hughes, who presided at all functions to-night. After adjournment of the public meeting, the society held a secret session, at which several well-known men were initiated. Following were among the initiates:

Dr. J. P. McConnell, president of Radford Normal School, Radford, Va.; George A. Plimpton, publisher, of New York City; Dr. E. A. Winship, editor of the New England Journal of Education, Boston, Mass.; Judge Robert R. Prentis, of the State Corporation Commission, Richmond; Robert E. Henley, attorney, Richmond; Dr. W. B. Newcomb, Norfolk, Va.; LaBaron Goodwin, Ashland, Va.; C. A. Taylor, Jr., Richmond; W. T. Hodges, division superintendent of schools, of Alexandria, Va.

Annual Banquet Held.

Following the initiation, the annual banquet, which was an informal affair, but one of the most pleasant features of the evening's celebration, was held in the library building.

A business meeting of the society was held at the college this afternoon at 5 o'clock, Robert M. Hughes presiding. Considerable routine business was transacted. A special committee was appointed to codify and reprint the by-laws of the society.

Following are among some of the well-known members from a distance who attended the celebration to-night: Judge T. S. Garnett, of Norfolk; S. H. Yonge, E. E. Shawen, George Bennett and Jackson Davis, of Richmond; Judge D. Gardiner Tyler, of Charles City, and J. R. L. Johnson, of Franklin, Va.

Middletown, Conn., December 5.—Francis B. Upham, jr., fifteen years of age and a native of Brooklyn, N. Y., was to-night elected manager of the Wesleyan football team for the coming season. George W. Beeman, of Albany, was chosen assistant manager. Beeman is only sixteen years old.
