Colored 'Broadway'

OF THE CITY.

Having secured a better location for handling the coal and wood business, we have requested Messrs. Rullin & Sloan to offer at auction on THURSDAY, APRIL 16th, our excellent stand at the corner of Second and Jackson Streets.

Second Street is the colored Broadway of the city. This is the street for colored business, while also an excellent residence section. Stores for all kinds of business, with flats above, will prove fine renters, as the following paragraph will show:

ON SECOND STREET and within two blocks of our corner are three dry goods stores, one tea store, one hotel, two printing offices, ice cream manufactory, one undertaker, five lodge-room halls, one theatre, three real estate offices, seven restaurants, four furniture stores, one human hair emporium, two tailor shops, one photograph gallery, one plumber, four confectioneries, two dentists, two doctors' offices, two drug stores, one bicycle store, three lawyers' offices, one dispensary, one bank and four insurance companies, in home buildings that will average in value $25,000 each. Two of these adjoin our property, one on either side, and a third directly in front of it.

We believe this to be one of the best investments in the city for YOUR price at auction. See advertisement under "Auction Sales."
