St. Louis, July 28.—The Nationals pounded Earl Hamilton for five runs in as many innings and won the final game here to-day, 7 to 3. Joe Boehling was walloped for eleven safeties by the Browns, but three fast double plays helped him out of bad holes. Score:

## MAKES TRIPLE PLAY

Detroit, July 28.—The Tigers ended the Athletics' winning streak of twelve straight games and their own losing streak of seven when they took the last game of the series to-day, 4 to 3. Oldss outpitched Bush, giving five hits to the latter's eight, but real credit for the game belongs to Crawford. He drove in Detroit's first run with a single, two in the fourth with a triple, and his hit in the eighth filled the bases, making it possible for Bush to force in the winning run by passing Veach.

A triple play was executed by the Athletics in Detroit's half of the fourth inning. Veach flied to Walsh, who threw to Bush after the catch, and Bush pegged to Collins at second and doubled Crawford. High hesitated between third and the plate, and Crawford was thrown out. Collins threw to the plate and nipped High. Score:

## NAPS WIN AT LAST

Cleveland, July 28.—After losing eleven straight games to the Red Sox, the Naps put over a 4 to 3 victory today because of the superb pitching of Willie Mitchell. He held Boston to three scattered hits and probably would have registered a shut-out but for loose fielding by Chapman. Chapman redeemed himself, however, by driving in three of Cleveland's runs and scoring the other himself. Score:

## ERRORS SCORE THREE RUNS

Chicago, July 28.—The White Sox won an easy game from the Yanks 6 to 2, to-day. The Visitors scored first in the second inning on a base on balls to Cree, a sacrifice and Peckinpaugh's single. In the ninth, a base on balls, followed by two hits, gave them another run.

The Sox scored three runs in the eighth. An error and two hits had filled the bases, and an error by Peckinpaugh let all three runners score. Score:

Portsmouth, Va., July 28.—For the second time in as many days the crippled Truckers kept the Colts from taking advantage of what happened in Goobersville by defeating them. The score was 2 to 1. The only counter made by the aliens came from Bunting's home-run drive over the left field fence in the first inning.

"Lefty" Dilbeck started for the locals again, but was so wild he was relieved in the second inning. O'Brien held the visitors to four scattered hits from then until the finish. McArthur, the Richmond recruit from the big show, was hit safely by the first three men to face him, but two of the safety-producers were called out on the path, helping the former big-leaguer out of trouble. ## GOOBERS BLANK TARS: RICHMOND AT HIS BEST

**Hall Sent to Cover After Displaying a Wild Streak—Gaston, as Relief, Hit Hard.**

Petersburg, Va., July 28.—For the second consecutive time the Goobers blanked the Tars this afternoon in a game in which brilliant fielding by Busch, Agnew and Cleveland featured. Richmond, for the home team, was at his best, allowing only three singles. His control was perfect, not a Tar getting a pass, while the support given him by his team-mates was first-class, not an error being made.

Hall was Pressly's choice, and he lasted only two and one-third innings, during which he was hit for three singles. These hits, coupled with a base on balls and a wild throw, netted the Buschmen three runs. Gaston relieved him, and fared little better, a double, three singles and three passes adding four runs to the Goober column. The score:

**Efird Holds the Builders to Seven Hits, While the Tigers Gather Eight Off Mullen.**

Roanoke, Va., July 28.—Roanoke defeated Newport News here to-day in what might have been a shut-out but for bad luck in the second frame, when the Builders got one score across the plate for a 5 to 1 contest. Efird held the visitors to seven hits, while the Tigers got eight off Mullen. Some good fielding was in evidence on both sides.

The Tigers lined out several doubles and a triple, and played in good luck. The score:

## CHALLENGER SHAMROCK IV. ARRIVES AT THE AZORES

Horta, Fayal, Azores, July 28.—After a voyage of seven days and three hours, Shamrock IV., the Lipton cup challenger, arrived here to-day from Falmouth, England. The racing yacht experienced severe hard blows, and according to all on board, proved herself thoroughly seaworthy.

The challenger met rough weather soon after leaving Torquay for Plymouth, where she anchored for the night. The following day she weighed anchor for Falmouth, meeting a hard blow and rough sea during the trip. After leaving Falmouth the racer was taken in tow by the Erin, her convoy, during a dead calm. When the breeze freshened, however, she traveled under her own canvas.

The best days' records were 240, 222, 189, 162 and 142 knots.

## ORAL BETTING UPHELD

New York, July 28.—The legality of oral betting at a race track, provided no money passes when the bet is made, was again upheld yesterday by Justice Madden, in the Supreme Court in Brooklyn, in the case of Daniel O'Brien and Charles A. Ballard, bookmakers, arrested at the Aqueduct track on June 25. The finding sustains a similar decision rendered by Justice Scudder a year ago.

## HUSSANE AND LEWIS ARE READY FOR HARD BOUT

**The Kentuckian Is Climbing Trees to Toughen His Kin—Winner to Get All Gate Receipts.**

Yousoff Hussane, the "Terrible Turk," and Ed. "Strangler" Lewis, the hefty Kentucky wrestler, will meet to-morrow night at 8:15 o'clock in Broad Street Park for the "plum" of the entire gate receipts and a match with Dr. Roller for the American championship.

The Turk, who is known as "The Bone Breaker," weighs 208 pounds, while Lewis is a few pounds lighter. To-morrow night's match will be two best falls out of three to a finish, with the strangle hold barred.

During the past few days Lewis has been adding new stunts to his training, and has become a proficient tree climber. He claims that climbing trees makes him as tough as a nail.

Both of the wrestlers have defeated some of the best heavyweights in the country, and to-morrow's match will determine which of the two will have the privilege of meeting Dr. Roller, and then go against Zybszko and probably Frank Gotch for the championship of the world.

The management extends the usual courtesy of free admission to the gentler sex when accompanied by escort.

## HURLS STONE AT MOTORMAN

**Negro Ejected From Henrico Railway Car Injures John Atkinson.**

John Atkinson, a motorman on a Richmond and Henrico Railway car, was struck in the face with a stone by an unknown negro shortly after 7 o'clock last night. Atkinson's face was badly lacerated as a result of the blow.

According to the police report of the affair, the conductor had been having trouble with a negro, and had finally determined to put him off the car. He called on Atkinson to aid him, and together they succeeded in ejecting the man. As he stepped from the car, the negro is said to have reached into his pocket, and, securing the stone, to have hurled it at Atkinson. The negro then took to his heels and had not been captured by the police at an early hour this morning.

## M'LOUGHLIN AND PELL WIN EASTERN TENNIS DOUBLES

Boston, July 28.—Finals in the Longwood singles and the Eastern doubles championship tournament to-day brought out the finest tennis of the week. Maurice E. McLoughlin, of San Francisco, and T. R. Pell, of Kent School, of New York winning the two championships. Pell and Beals C. Wright, of Boston, drove McLoughlin to the top of his game, and although the national champion won the first set, 8-7, Murray was twice within a point of completing the triumph for Pell and Beals also scored a three-set victory over the former national champions H. H. Hackett and F. C. Alexander, as the result of keen brilliancy in the first set and Pell's steadiness in the other two. The scores were 6-4, 6-4, 6-2.

McLoughlin to-morrow will play William M. Johnston, also of San Francisco, in the singles match for the Longwood bowl.

## MARKSMEN BUNCHED FOR SILVER SPOON PRIZES

**West End Gun Club Will Hold Last Shoot of the Month This Afternoon.**

The shoot this afternoon at the West End Gun Club will be the last for this month. In several of the classes only a bird or two divides the silver spoon winners. The men who lead their fellows by a small margin cannot afford to absent themselves, because the runners up are so close that a good score will make them high, and the men close up cannot afford not to avail themselves of the chance of topping the leaders in this, the home stretch.

Mr. Goodloe, of the Winchester, and Mr. Morensie, of the Western, are here, and will shoot with the club this afternoon.

The averages of the month will be figured after to-day, and those who have shot out of their classes will be promoted, while some who have not maintained the percentage of their present classification will be demoted to lower classes. On account of these changes the shoot will be interesting.

## AMUSEMENTS

**Bijou—Feature motion picture, "Protect Us?"**
**Colonial—Vaudeville and pictures.**
**Empire—Pictures.**

**"Protect Us?"**

With its opening performance this afternoon there will begin the engagement at the Bijou Theatre for the rest of the week of what promises, or threatens, to be the most sensational of all the lurid photoplays of the underworld, "Protect Us?"

Owing to the ordinary newspaper requirements as to verbal restraint, it is impossible to utilize the descriptive matter in regard to this picture supplied in its advance notices, except in the form of carefully culled excerpts from their very frank exposition of the picture's theme and purpose. According to these, it is "a powerful arraignment of society," is the first motion picture of its kind presented to the public "without apology or request for special consideration," and is many other things that are well adapted to excite interest or curiosity.

At least, its producers do not pose as altruistic strivers for the uplift of humanity, as have most of those who have presented "social reform" plays upon pictures here, and so the picture will be judged upon its merits alone. The two schools most radically apart as to the best method of eradicating evil are represented by one faction that urges the hiding of all evil, and by one that insists upon a full and complete revelation of causes and effects. If the producers of "Protect Us?" were disingenuous enough to pretend that they cared nothing for the money they might earn, but were actuated by moral impulses, they would undoubtedly beat their drums and blow their horns under the banner of the revelation school.

For according to the descriptions supplied, the picture is about as frank a revelation of certain sides of life as was ever filmed; indeed, it seems to see "Traffic in Souls" and raise it. Its story is told in six reels and four episodes, each episode dealing with a different girl, and each girl impelled by a different influence. Disregard of parental advice, the cabaret and tango craze, ignorance and the lure of the stage are the four causes dealt with in the picture.

There will be four performances daily. At 2:30 and 4 o'clock in the afternoon and at 7:30 and 9 in the evening.

So be warned!

## FEES ARE REDUCED

**Rate for Foreign Money Orders to Be Lower After August 1.**

Postmaster-General Burleson has promulgated an order, posted yesterday at the central office in Richmond, directing material reductions in the fees charged for the issue of postal money orders payable in thirty-nine of the foreign countries with which international money order business is transacted.

Under the present schedule of fees, the remitters of small sums, usually belonging to the poorer classes, who send a regular pittance to dependent relatives in the old country, are burdened with more than their proportionate cost of the service. The change is for the purpose of adjusting this inequality, and is in accordance with the policy of the Postmaster-General that postal facilities shall be afforded the public at the lower possible cost. The reductions go into effect on August 1.
