Truckers Lose Slow Game by 4 to 1 Score—Fielding Was Brilliant in Spots.

PORTSMOUTH, VA., August 17.—Roanoke took the opening game from the Truckers by a 4 to 1 score, Poole slightly outpitching Hall. The latter has been released by the Norfolk club, and joined Roanoke this afternoon.

The game was slow and uninteresting, but filled with good fielding. Portsmouth had several chances to send runners across the plate with two men on and only one out, but the necessary hit was not forthcoming. The score:

MAY HOLD FOOTBALL CLASSIC IN NEW YORK

Impracticable to Hold Event in Washington on Account of Conditions Imposed.

ANNAPOLIS, MD., August 17.—It was announced to-day at the Naval Academy that efforts to arrange for the playing at Washington of the Army-Navy football game this season had been abandoned. The contest probably will take place at Philadelphia or New York.

The only suitable place in Washington was the Polo Grounds, a government plot near the White House, and it is said that such conditions for the use of the grounds were imposed that representatives of the two services discontinued negotiations.

GOLF CHAMPIONSHIP TEST STARTS TO-DAY

(Continued from Fifth Page.)

old Smith, who own the metropolitan championship two weeks ago.

The competition will start with the qualifying round of thirty-six holes, the best thirty-two scores to qualify. On the first day one-half of the total entrants will compete, the other half to play on Wednesday, and the best thirty-two to qualify, as on the first day. Then the sixty-four players who qualified for the championship proper will play seventy-two holes on Thursday and Friday, thirty-six holes being played each day. In case of a tie it will be played off on Saturday at eighteen holes stroke competition.

Quimet, the present champion, and the youngest player who ever held the open title, will no doubt be the attraction at the tournament opening. Since he arrived from abroad some weeks ago he has played in several tournaments in Massachusetts and has demonstrated that when he is called upon to show his best he can arise to the occasion with the confidence of one advanced in years in the golfing game. Last year when he played a seventy-two in the play-off for the national title against Vardon and Ray, all who witnessed the play thought that his medal score was something remarkable. Four weeks ago Quimet went around the same course in sixty-eight, four shots better than when he gained a national reputation.

Ten prizes are offered amounting to $900, distributed as follows: first, $300 and a gold medal to the winner of the championship, the winner to have custody of championship cup, but he must, if required, give security for its safe keeping; second, $150; third, $100; fourth, $80; fifth, $70; sixth, $60; seventh, $50; eighth, $40; ninth, $30; tenth, $20. In the events of any amateur winning any of the prizes he will be given the equivalent in plate.

Almost all the 122 golfers entered in the tournament, including all the leading professionals and several well-known amateurs of the United States and Canada, to-day swarmed over the links in final practice play.

The whereabouts of Charles Evans, Jr., Western amateur champion, is somewhat of a mystery. After playing unbeatable golf in the Western amateur meet at Grand Rapids recently, he has dropped from prominent play.

JOE TURNER REGAINS HIS TITLE AND BELT

(Continued from Fifth Page.)

the first ginger of the evening. A few seconds after going on the mat Hansen dislocated his right shoulder, and after pounding the bones back in place went to the mat again. He was downed in twelve minutes with a toe hold and leg combination, and lost the second fall in a flying mare.

Turner and Hansen were then received with applause. Hansen kept Turner on the defensive throughout the first fall, which was gained by Hansen after twenty-one minutes and fifty seconds of work with a half-Nelson and crotch hold.

During the try for the second fall Hansen was forced to the edge of the stage by Turner and one leg went over the ropes. He claimed that he had strained a tendon and gained two minutes of rest. Referee O'Conner allowed the time, and when the men went to the mat again Turner took the aggressive and maintained it throughout the twenty-two minutes and thirty seconds of action. Turner worked Hansen into a double arm lock and gained the fall.

Hansen was again placed on the offensive when the work for the final fall began, and after getting out of several close places Hansen's shoulders were finally put to the mat after sixteen minutes of work, Turner using the scissors and toe hold.

Walter Keegan challenged the winner of the match at 155 pounds for a purse of $150.

GIVES HIGH PRAISE TO RICHMOND POLICE FORCE

R. R. Powell Compliments Department in General and Detectives in Particular.

Another word for the efficiency of the Richmond Police Department was spoken yesterday by R. R. Powell, of 305 East Byrd Street. Mr. Powell was lavish in his praise of the force in general and Detective-Sergeants Willshire and Krengel and Detective Duffy in particular.

On last Friday afternoon Mr. Powell returned to his home and discovered that it had been entered and robbed. He found missing a handsome gold watch and chain, which he valued highly, and a revolver. He promptly notified police headquarters, and in a short while Willshire, Krengel and Duffy were at work on the case. On Saturday they arrested two boys, Charles Seay and Raymond Jones, each fifteen years old, and recovered the stolen goods. The boys will be arraigned in the Juvenile Court this afternoon.

"Richmond has many advantages and many things of which she may well boast," said Mr. Powell, "but there is nothing of which she should be prouder than the personnel and organization of her splendid police and detective force. No city, perhaps, in the Union affords better protection and greater security against thugs, thieves and robbers than the city of Richmond."

Mr. Powell said that he regarded the recovery of his property and the arrest of the boys as a piece of detective work which reflects credit upon the men who achieved it.

Buy Tires Now

Another Raise in Prices is Probable

On account of inability to secure raw materials for manufacturing, all tire makers have advanced prices from 12 1-2 per cent to 20 per cent.

Fortunately

we had on hand a $25,000 stock. But anticipating a big advance, we wired manufacturers orders aggregating $30,000 additional. Hence

We Can Save You Money

because we secured our stock before the sharp advances became effective. On new standard list prices, based on raise of 12 1-2 per cent only, we will sell these tires at a discount of 12 1-2 per cent, plus a further discount of 5 per cent for cash.

Quick Action

is advisable, as market conditions may necessitate considerable advances in tire prices at an early date.
