PETERSBURG, VA., September 7.—The Colts and Goobers hooked up in a rattling game here this morning, which went eleven innings before the home squad was turned in victors by a 4 to 3 count.

Ramey and Richmond adorned the mound for the Colts and Goobers, respectively, and during the early periods hits were scarce.

On account of Damrau becoming ill in the sixth inning, Busch had to rearrange his line-up, which seemed to act as a tonic for the Petersburg clan. Hirsch went to first, Barnett took up the burden at third, Simmons went to centre, and Hedgepeth to right.

Errors figured in the scoring for both teams, Richmond's wild heave allowing two to score, and Bunting aided Petersburg to score a pair.

Woerth had the nail on the middle finger of his throwing hand torn off by a foul tip in the tenth session, and Ryan went in and caught the balance of the game.

Richmond opened the scoring in the second session with Rohe doubled to centre, went to third when Gray sacrificed and scored on an infield out, pitcher to first.

In the fifth inning Snyder tripled to centre and was out at the plate trying to stretch it into a homer, Bunting and Woerth singled and scored when Richmond threw the ball to deep centre in an effort to get Bunting at the pivot sack.

Two singles, a sacrifice and Bunting's error allowed Petersburg to score a pair in the fifth. In the ninth a pass, followed by a single to right, and Newton's boot allowed the tying run to cross the pan.

Barnett's single, with one down, together with Hedgepeth's triple, scored the winning run for the Goobers in the eleventh. The score:

TRUCKERS HOLD TARS IN TWELVE-INNING CONTEST

Steamer Cochran Wins Morning Game for Norfolk by Steady Work—Truckers Overcome Lead in Afternoon.

NORFOLK, VA., September 7.—After winning the morning game by a score of 4 to 3, Norfolk to-day held Portsmouth to a 5-5 score in twelve innings in the afternoon contest.

The before-noonday tussle, which was played in Portsmouth, was an easy victory for Steamer Cochran, who did not allow the Truckers to score until the fifth inning, when they bunged a single run across. Cochran was uncommonly steady throughout, only two hits being made off his delivery.

The Tars got their start in the afternoon affair, scoring four runs, two passes, a hit batter and two hits, but Gaston could not hold the Truckers down. He was found for nine hits in five and a third innings, with the score 5 to 3 against him. Lefty Humphries, who relieved the Tigers Friday and Saturday, came to the rescue and allowed no runs and only one hit until the game was called on account of darkness.

After the first inning McKeithan was effective, with the exception of the eighth, when a pass to McMahon, Alexander's single, Schweitzer's error and Wheeler's double produced two runs, which tied the score. Two-base hits—Wheeler, Schweitzer, Snyder. Hit by pitcher—Groton (by Gaston), Busch. Bases on balls—off Gaston, 1; off Hicks, 1; off Humphries, 1; off McKeithan, 1; off Groton, 1; by Groton, 1. BANKERS WILL PLACE TEAM ON THE DIAMOND

Washingtonians Planning to Defeat Alcos, Should They Win Richmond Title Again.

YOUNG AND KING TO RESIGN

Unjust Criticism During Final Championship Series the Cause—Their Loss From Commission Will Be Felt by the Amateurs.

Arrangements are being made in Washington to place another team representing the Bankers in the amateur baseball league of that city next season, and the backers are confident they will be able to gather material for a pennant winner in that city, and one that will be able to regain the intercity championship from the Alcos, who, on Saturday, won that honor from the Ninth Street Sunday School team.

The Washington Amateur Baseball Commission is at present in an uncertain state. President Young, because of unjust criticism heaped on him during the final games of the championship series in that city, has determined to resign, and Treasurer Charles King also states he will step down and out, because of his sympathy for President Young.

The loss of these two men from the Washington commission will be a severe blow to amateur baseball in Washington. They have been hard and conscientious workers and have spent considerable of their private funds to advance the interest of the cause.

In the contemplated retirement of President Julien H. Hill of the Richmond Amateur Baseball Commission, this city faces a crisis similar to the amateur baseball crisis in Washington. The friends of the two commissions are hopeful that the men at the head will not carry out their retirement from active work, for the coming seasons will show the need of such men to carry on the work which will benefit the young baseball players of the two cities.

Greensboro Cops Win.

The Greensboro men outclassed the Danville team, but some brilliant individual playing was seen among several of the locals, notably Malcolm, who played shortstop.

STATE CHAMPIONSHIP GOLF CUP STAYS HERE

Hermitage Club Team Wins Out in Medal Play—Palmer Best in Qualifying Round.

By superior play, the Hermitage Club golf team won the Virginia State golf championship over the Hermitage links yesterday afternoon by a score of 10 to 8, Nassau count, at eighteen holes, medal play.

Six teams contested for the honors as follows: Hermitage, Hampton, Roanoke, Lexington, Norfolk and Country Club of Virginia.

In the consolation round Roanoke took the honors.

W. H. Palmer, who won the State championship Saturday, kept up his good work, and played in rare form, he taking the cup offered by the Hermitage Club for low score in the qualifying round.

Next year, on Labor Day, the State championships will be featured at Roanoke.

The Hermitage Club entertained the visiting golfers at a luncheon, and a business meeting wound up the session, at which the following officers were elected:

President, O. A. Kerns, of Roanoke.
Vice-president, Professor Humphries, of Washington and Lee University, Lexington.
Secretary-treasurer, Walter Carpenter, of Roanoke.

JOE RIVERS DEFEATS BEECHER IN 20 ROUNDS

Gets Terrible Mauling, However, Winner Was Best at Long-Range Fighting.

LOS ANGELES, September 7.—Joe Rivers cracked Willie Beecher a hundred or so times on the jaw and finished with the twenty-round decision, two sets of aching knuckles and the knowledge that he had been entertaining the toughest young man of the ring since the day of Battling Nelson.

Rivers was pounds the cleanest boxer of the pair, but he put up anything but a brainy fight. The Californian, in the full pride of his own ability as a mauler, made a shoulder-to-shoulder locked-arm "rough house" fight of it—the very fight that Beecher wanted his opponent to make. As a result Rivers suffered a body pounding that never should have been his.

At the long-range stuff Beecher was not among those present, and it was here that Rivers drove home the decision, mainly with clean-cut blows to the face.

PEBBLES TAKES MATRON STAKES FOR TWO-YEAR-OLDS

NEW YORK, September 7.—Pebbles, the premier colt of the Butler stable, proved his right to the title of "best two-year-old of the season" to-day at Belmont by taking the Matron stakes, valued at $1,130, despite a handicap of 130 pounds, top weight.

The race was a rough one, Kilkenny Boy causing much interference. After setting the pace to the quarter Kilkenny Boy dropped back and Pebbles and Paris fought the matter out, the former winning handily.

McTaggart, riding Paris, claimed a foul, but the stewards refused to allow it. Stomboli, the late entry, took the Jerome handicap by a head in a sensational race. Gainer was second.

BOXERS ACTIVE ON LABOR'S BIG HOLIDAY

BENTON HARBOR, MICH., September 7.—Mike Gibbons, of St. Paul, outpointed Geroege ("Knockout") Brown, of Chicago, in a ten-round bout here this afternoon. Gibbons outfought the Chicago boy all the way, and it was only Brown's ability to assimilate punishment that enabled him to stay to the finish.

YOUNGSTOWN, O., September 7.—The police stopped the bout between Tommy Gavigan, of Cleveland, and Leo Houck, of Lancaster, Pa., to-day in the eleventh round. Gavigan claimed a foul, and while he stopped to dispute with Referee Garvey, Houck hit him flush on the jaw. When Gavingan went down Police Captain McNicholas stopped the fight. Up to the last minute the bout was fast with honors even.

CANTON, O., September 7.—Cal Delaney, of Cleveland, won a fifteen-round bout on points by a wide margin here this afternoon from Matt Brock. Both weighed in at 124 pounds. Delaney forced the fighting from the start.

Earl Williams, of Chicago, was shaded by Dick Stotsh, of Cleveland, former national amateur lightweight champion.

Snow Signs With Dodgers.

NEW YORK, September 7.—The Brooklyn National League club announced that signed contracts have been received for 1915 for Catcher Grame M. Snow and Pitcher R. H. Goodbred of the Oshkosh club, of the Wisconsin-Illinois League. The pair will report to Manager Robinson after the close of the Wisconsin-Illinois League season.

Governor Asked to Throw Out Ball.

BUFFALO, N. Y., September 7.—Governor Glynn has been invited to throw out the ball here on Saturday, when the Buffalo Federal League club celebrates Buffalo day.

Stallings Buys Tom Hughes.

BOSTON, September 7.—Manager Stallings, of the Braves, has purchased Tom Hughes, the pitcher, from the Rochester team of the International League.

Just how soon Hughes will join the Braves depends on whether Rochester will strengthen its hold on the league lead. Hughes has made a great record this season, having won twenty out of twenty-four games.

Savannah Wins Pennant.

ALBANY, GA., September 7.—Savannah to-day won the pennant in the South Atlantic League by defeating Albany, 4 to 3, in the sixth game of the post-season series between the pennant winners in the first and second half season.

LEWIS MATCHED WITH THE ITALIAN WONDER

Bout Will Be Featured at Broad Street Park Next Monday Night.

Another wrestling match will be staged at Broad Street Park next Monday night, Ed Lewis and Costello, the Italian wonder, having been matched.

Costello comes to this country with a record seldom held by a foreign grappler, and, if everything said about him is true, will give Lewis all the trouble he is looking for. The bout will be staged with all the holds, excepting the strangle, which has been barred by the Henrico County and Richmond authorities.

To make the match a championship affair the toe hold will be used by both men.

It is likely that Dr. Roller will be seen in action again in this city shortly. The outcome of the bout last week was not satisfactory to the lovers of fair play, and, while it was announced at the matside that Lewis had won the championship, such was not the case, as the strangle hold, barred in championship contests, was used, which made the event an exhibition with no danger to the doctor's title.

While the details for the coming night's sport have not been completed, there will likely be one preliminary to preceed the main setto.

MASSACHUSETTS WINS TEAM CHAMPIONSHIPS

1914 Rifle Team Scores 3,720 Out of a Possible 4,300 in Division A.

SEAGHET, September 7.—The 1914 rifle team championship of Divisions A, New England and the Middle Atlantic States, was won today by Massachusetts, which scored 3,720 out of a possible 4,300.

Second honors were won by the United States Marine Corps, which made 3,656. New York landed third, with 3,643, and the District of Columbia fourth, with 3,637. New Jersey took fifth place at 3,588. The United States Army stopped at 3,575 and West Virginia was last, with 3,548.

The contest was a comparatively easy victory for the Massachusetts sharpshooters, who took the lead on the first range and kept it throughout the day.

VIRGINIA ELEVEN STARTS WORK WITH SIXTEEN MEN

Morning and Afternoon Sessions Held. Backfield Will Be Well Taken Care of.

CHARLOTTESVILLE, VA., September 7.—With the opening of the football season less than three weeks distant, Coach Wood, of the Virginia team, will push practice this week, holding morning and afternoon workouts daily. Sixteen men were in togs Saturday afternoon, a showing which argues well for the success of the season, considering that college does not formally open until Thursday of this week, and that lecture courses do not start until next Monday.

The arrival of Burnett, the crack quarterback on the Episcopal High School eleven last season, was a notable addition to the backfield squad. Whatever else can be said of the candidates for other positions, that of quarterback is certain to be capably filled the coming season. Candidates for this position already on the ground include Gooch, who played the position so acceptably last year; Burnett and Berkeley, of the Episcopal High School, and Flannagan and Robertson, of last year's scrub. It is safe to predict that one or more of these men will be tried out at half back, as all of them are fast and are fairly good candidates of the forward pass. Burnett is player of much promise and was Coach Wood's right bower at the Episcopal High last fall. He was easily the pick of the quarterback men in action on prep school diamonds of the State last year. He tips the scales at 145 pounds. Flannagan and Robertson are players of lighter build, but very aggressive.

While nothing has been heard from Ray, the holder of the Rhodes scholarship from West Virginia, it is felt certain that Blue Gooch, he will postpone his trip to Oxford until the fall of next year. Ray has played only one year on the team, but showed the best prospect of any man on the eleven. He is a hard line plunger and a good defensive man. Should he return, it is very probable that he will be played at fullback, a position made vacant by the departure of Lambe.

Others joining the squad were the two Anderson boys, of last year's scrub, who came to the university from Woodberry Forest. Their only fault appears to be lack of weight, as they have plenty of grit. Last fall they scored many touchdowns against the regular team. Both are candidates for the backfield.

The only new line man to enlist so far is Hollingsworth, a scrub at Swarthmore two seasons ago.

There is renewed hope that Thurman, the Orion, will enter college at the opening of the session. He was a star at Mercersburg for two seasons, following his departure from the Episcopal High school. His services are being eagerly sought after by some of the Northern universities.

Dr. William A. Lambeth, father of athletics at Virginia, has postponed his contemplated trip abroad, and the coaches will have the benefit of his football knowledge the coming season. But for the European war he would have sailed to-morrow for Trieste, for a trip along the Austrian coast for the purpose of studying Roman history first hand.

He had intended making an extended stop at Dalmatia, to inspect Roman ruins.
