To Play George M. Church for Intercollegiate Singles Championship To-Day.

PHILADELPHIA, September 17.—R. Norris Williams, II., national champion and member of the Davis cup team, will defend his intercollegiate title tomorrow against George M. Church, champion of the Princeton team, in the final singles match of the intercollegiate tennis tournament.

Both Church and Williams won their semi-final matches to-day, the former defeating A. M. Kidder, while Williams was vanquishing L. Vanderver, also of Princeton.

Only two matches were played in the doubles to-day, but as Ball and Hopkins, one of the Yale teams, defaulted, owing to Ball's twisted ankle, only one contest remains to be settled in the semi-final round. This will be disposed of to-morrow, leaving Saturday free for the championship battles for the doubles title.

In the doubles, Williams and Richard Harte defeated Law and Harvey, of Princeton.

"Oh! Oh! Delphine" To-Night.

Klaw & Erlanger will present at the Academy of Music to-night and Saturday and Saturday matinee their superb musical comedy in three acts, "Oh! Oh! Delphine," the book and lyrics of which are by C. M. S. McLellan, and the music by Ivan Caryll. The story is founded upon the successful French farce, "Villa Primrose," by Georges Berr and Marcel Guillemaud. The same quartet was responsible for those scintillating musical plays, "The Little Cafe," and "The Pink Lady."

"Oh! Oh! Delphine" is said to be the most vivacious of all the musical "girl" plays of French extraction, or any other nationality yet introduced to us, the most humorously entertaining and the most opulent in delightful musical numbers. The story is described as having been handled in sparkling book and lively lyrics by Mr. McLellan, and Mr. Caryll's music is in his most brilliant vein, filled with gems of melody, fascinating waltz movements and fine ensembles. The piece recently closed a run of nearly a year at the Knickerbocker and New Amsterdam Theatres, New York.

SOUTH RICHMOND

ERNEST LINWOOD ELDER FATALLY WOUNDS SELF

Accidentally Pulls Trigger While Cleaning Rifle and Bullet Enters His Left Breast.

DIES IN MEMORIAL HOSPITAL

Fifteen-Year-Old Boy Had Just Returned From School When Shooting Occurs—Policeman Hears Shot and Summons Ambulance.

While playing with a rifle which he believed was not loaded, Ernest Linwood Elder, fifteen years old, son of Richard F. Elder, of 111 East Fourth Street, accidently fired a bullet into his left breast yesterday afternoon about 4:30 o'clock, fatally wounding himself. He died shortly afterward in the Memorial Hospital, despite heroic efforts to save his life.

Young Elder, who was a pupil in the South Richmond school, had just returned home when the accident occurred. He took his rifle out for the purpose of cleaning it, when in some manner not explained he pulled the trigger.

Officer C. T. Tinsley heard the shot and, after investigation, summoned the city ambulance. He was at once removed to the hospital, but he died almost as soon as he reached there.

County Fair in October.

Preparations are being made for the Chesterfield County Fair, which will be held at Chesterfield Courthouse during the latter part of October. Elaborate plans are being made for the annual event, and, judging from the manner of entries already made, it will be the most successful ever held.

The exhibition buildings will be put in order next week, and also the stables for the live stock. As usual, the Bellwood Farm's exhibit of cattle, tobacco and corn will be a feature of the display.

Illustrations of the pupils' work in manual arts will be shown by the Chester Agricultural High School. The girls' canning clubs and the boys' corn clubs of the county will also have exhibits in their work.

Will Elect Officers.

At its regular meeting to-night at 8:30 o'clock in Fraternal Hall, the South Richmond Democratic Club will hold its annual election of officers. It is believed that the present executives will be retained.

Those now holding office in the club are Councilman Carter C. Jones, president; Walter E. DuVal, clerk of Hustings Court, Part II., vice-president; Bailey P. Shillett, secretary.

Fireman's Case Up To-Day.

The case of Samuel Murphy, colored, charged with stealing several hundred pounds of brass from the Atlantic Coast Line Railway Company, will be heard before Justice H. A. Maurice this morning in Police Court, Part II. Murphy will face six warrants charging him with taking the metal at different times. The negro was arrested about two weeks ago, when his actions aroused suspicion.

L. L. & C. C. Bishop, South Richmond junk dealers, will be arraigned on the charge of receiving stolen goods. The brass, which filled a cart, was found by the police at their place, the police say. Murphy, who was a fireman on the road, obtained it principally from engines in the yards. It is charged.

County Pupils Attend Here.

Arrangements have been made with the city authorities whereby fifty students living in Chesterfield County may attend Bainbridge and Powhatan schools. On account of the lowering of the age limit at which pupils may be admitted, the county schools are unusually crowded. The same condition also exists at the South Richmond schools, and two sessions a day are being held.
