PINE RIVER TOWNSHIP.

Description.	Sec.	Chains.
Nw ¼ of nw ¼	19	25.76

Survey made in March, 1904, under direction of Parker Merrill, County Drain Commissioner.

E. W. REDMAN and
J. W. HARROD,
Surveyors.

Of said work I shall try to let in one contract 2 and 2 10 miles as one section of the main drain, commencing at stake No. 169 on the n w ¼ of the ne ¼ of sec 1, Sumner Township, and ending at stake No. 230, on the sw ¼ of the sw ¼ of sec 31, Seville Township, and to include also in said contract the branch to Mud Lake, on sec 26, Seville Township. Bidders on this contract must have present two responsible bondsmen, who agree to be bondsmen in the sum of $2,000, such agreement to be made known before bids are made or give other satisfactory security that the work will be completed before Dec. 1, 1904.

Said work will be let by sections. The section at the outlet of said drain will be let first and the remaining sections in their order up stream, in accordance with the diagram now on file with the other papers pertaining to said drain in the office of the County Drain Commissioner of the County of Gratiot, to which reference may be had by all parties interested, and bids will be made and received accordingly. Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work, in a sum to be fixed then and there by me, reserving to myself the right to reject any and all bids. The date for the completion of such contract and the terms of payment therefor shall be announced at the time and place of letting.

Notice is further hereby given, that at the time and place of said letting or at such other time and place thereafter to which I, the County Drain Commissioner aforesaid, may adjourn the same, the assessments for benefits and the lands comprised within the Sumner and Seville drain special assessment district, and the apportionments thereof will be announced by me and will be subject to review for one day, from nine o'clock in the forenoon until five o'clock in the afternoon. The following is a description of the several tracts or parcels of land constituting the special assessment district of said drain, to wit:
