Granville County.

Agreeable to previous notice, a large and respectable portion of the Democrats of Granville, assembled at the Court House in Oxford, on Monday the 8th April; and upon motion, Geo. Thomas W. Norman was called to the Chair and James I. Thomas appointed Secretary.

By request, A. W. Venable, Esq. explained the object of the meeting, and moved that the Chairman appointed a committee, consisting of one from each election precinct, for the purpose of nominating suitable persons to represent this county in the next Legislature. The Chair having performed that duty, and after the committee had retired, upon motion of Gen. McClanahan, A. W. Venable was requested to address the meeting, which was very promptly responded to by Mr. Venable in a strain of eloquence and sound logic unsurpassed by any thing that has been delivered in old Granville in many a day; and if the old coon had been present, we have no doubt he would have proposed a *compromise*, and in fact, it was given up without distinction of party, that it was one of Mr. Venable's best efforts. The committee having returned, made the following report:

Whereas, from a sacred regard for the principles of justice and the obligations of public duty, we a portion of the citizens of Granville county, do declare that we view with serious apprehensions those dark and lowering clouds which obscure the political sky; and believing that we, as friends to our country and to that Constitution under which we have so long and so happily lived, are called upon to contribute our mite to avert the policy which must, in the nature of things, be forced upon us in the event of the supremacy of the party claiming to be Whigs. We abhor the policy of warping and distorting that sacred charter of our rights for the purpose of fastening upon the country a powerful moneyed institution, which will eventually and imperceptibly draw from us what little liberty we now enjoy. We detest the doctrine, and utterly deny the right of any party to pass laws for the benefit of a privileged few, at the expense of the many; for equality of laws and equal justice is what republicans want, and must have. We are equally opposed to the fallacy of drawing from the pockets of the people, money for no other object than that of distributing it again. Yea, we never can consent to contributions levied upon us, for the purpose of dealing out with a lavish hand political bribes to the profligate portion of our family of States. We have ever contended, and do now contend, that all should submit to the collection of that which is necessary to an economical administration of our government; But to have heavy burdens placed upon the necessaries of life, merely to gratify the cravings of avarice, and to subserve the ends of some political aspirant, is presuming too much on the gullibility of the consuming portion of our people, and especially we of the South. Therefore,

Resolved, That we, after calm and impartial deliberation, do declare that we are opposed to the establishment of a U. States Bank, not only on constitutional grounds, but on the grounds of expediency.

Resolved, That we regard a Tariff for revenue adequate to an economical administration of the government, as proper and right; but one laid with a view to protection to the northern manufacturer, at the expense of the southern consumer, is uncalled for by sound policy, and is violation of that good maxim of the democratic party—"equal laws and equal justice."

Resolved, That we deprecate the distribution of the proceeds of the sales of the Public Lands, at a time when the Treasury of our common country is exhausted, and we deeply in debt; and especially, when we see and know that the sole object in distributing this money to the four winds of Heaven, is merely to make our burdens more onerous by raising the Tariff still higher.

Resolved, That we highly approve of the nomination of Col. Michael Hoke for Governor of North Carolina, and will use all honorable means to secure his election; and request that he will visit our county as soon as practicable.

Resolved, That we repose implicit confidence in the sound republican principles of Thomas Miller; therefore, we recommend him to the republicans of Granville county, to represent us in the Senate of our next Legislature.

Resolved, That we are also well convinced of the importance of our being well represented in everything that pertains to our interests in the Commons branch of our next Legislature; therefore, we cheerfully recommend William S. McClanahan, Jonathan M. Stone, and James M. Bullock, to represent us in the same, believing they will bear aloft and sustain these republican principles which we hold as indispensable to the welfare of our country.

The above report was unanimously confirmed, and Thomas W. Norman, Thomas I. Hicks, Dr. Lewis M. Jeggetts, Wyatt Cannaday and Thomas B. Lewis were appointed a committee to inform the nominees of their nomination.

It was resolved that the Chairman and Secretary request the publication of these proceedings in the Oxford Mercury, N. C. Standard and Richmond Enquirer.

After a vote of thanks to the Chairman and Secretary for the manner in which they discharged their duties, the meeting adjourned, with a full determination to do their duty to their country.

Sampson County.

In pursuance of previous notice, a meeting of the Democratic party of Sampson County was held in the Court House in Clinton, on Saturday the 13th April.

The object of the meeting was two-fold; in the first place, and principally to invite Col. Hoke, the Democratic Candidate for Governor, to visit our County as soon as his convenience would permit; and in the second place, more thoroughly to organize the party and to express their opinions upon the great questions which are now agitating the Country. Although the notice was so very short (being only 5 or 6 days before the meeting convened) still there was a very respectable portion of the most influential of the party present. The proceedings were characterized by a spirit and enthusiasm seldom surpassed on such occasions.

On motion of Col. Sellers, the meeting was organized by calling Patrick Murphy, Esq. to the Chair, and appointing Thomas J. Faison and Whitney Ryals, Esqs., Secretaries.

The Chairman then rose, and in a brief, but appropriate manner, explained the object of the meeting; when

On motion of Rich. C. Holmes, Esq., a Committee of six was appointed by the Chair to draft resolutions expressive of the sentiments of the meeting. The following gentlemen comprised the Committee: Col. Sellers, Dr. Thomas Bunting, Wm. Faison, Jno. Ryals, Sen., R. C. Holmes and Jno. Boykin, Esqrs. The Committee having retired for a short time, returned and reported the following preamble and resolutions, which were unanimously adopted:

Believing the approaching contest is one, the determination of which is destined to exercise a greater influence either for weal or for woe, than perhaps any which has taken place during the last 40 years, we as freemen of North Carolina, and as a portion of the Democratic party of Sampson County, feel it our imperative duty thus publicly to declare our willingness and our readiness to adopt every fair and honorable means which have for their object the advancement of those pure Republican principles, now held by the Democratic party, and on the ultimate success of which, we honestly and fervently believe depend the happiness—the prosperity—yea, the very liberty, of ourselves and our children. Believing also, that a period has arrived in our political history when silence and apathy on the part of those who hold these principles, would be little short of criminal, and that this is a time when all true Democrats are solemnly bound to lift their voices, however feeble, in their support. Therefore,

1st. *Resolved*, That we disapprove in toto of the leading measures now avowed as the creed of the Federal Whig party: and that especially, as southern men and as agriculturists, do we view the Protective Tariff passed by the Whig Congress of 1842, and now advocated by that party, as a measure not only at variance with the well settled Compromises of the Constitution, but also as detrimental to our dearest and best interests, as unjust—unequal in its bearing—and as imposing on one section of the Country an odious and oppressive tax, wherewith to fill the greedy pockets of the grasping and avaricious manufacturers of another.

2d. *Resolved*, That in the opinion of this meeting, the abuse of the Banking system has been one of the greatest curses under which the country has labored for a series of years past, and therefore, that we are opposed to the chartering of any monied corporation by Congress, by its name a National Bank or what ever else taught, as we are, by a retrospect of the past, that such an institution—apart from all Constitutional objections—cannot fail to exert a baleful influence alike over the free institutions of our Country—the regular pursuits of industry, and the morals of our people.

3d. *Resolved*, That we consider the Federal Constitution as sacred and inviolable, and that we deprecate in the strongest terms any attempt on the part of the Federal party to touch with the ruthless hand of innovation that sacred instrument—That we look upon the veto power as now settled in the President, as one of the most salutary checks against hasty and arbitrary legislation, contained in the Constitution, and that we solemnly protest against any and every attempt to alter it.

4th. *Resolved*, That we are opposed to the Distribution of the proceeds of the Public Lands, as directed by the Act of the Whig Congress of '42—That we are opposed to the withdrawal of that, as we conceive, legitimate source of Revenue from the Federal Treasury, merely on purpose to create a deficit in the National funds, and thereby offer some color of pretext for the imposition of the "Black Tariff Act" of '42.

5th *Resolved*, That as Democrats we ardently desire to see the Federal Government, which our ancestors formed for us, and which we, as their children, are bound to preserve, brought back to the state of pristine purity and simplicity, in which they bequeathed it to us—and that as the means of attaining this desirable end, we deem the following measures and reformations as indispensable to wit:

An economical administration of the affairs of the Federal Government—A total restraint of the manner in which the Executive patronage has been so scandalously wielded during some years past—A strict construction of, and close adherence to the Constitution—Low duties based solely on Revenue principles, A total divorce of all Banks from the Government—and no National Debt.

6th. *Resolved*, That in a contest and a cause like the present when "principle, not men" is our motto, whatever preferences as individuals we may entertain for any one of the great men whose names are before the public, as Democrats we will deem it our duty to cast all such personal considerations aside, and that having every confidence in the patriotism and integrity of the Convention which is to meet in Baltimore in May next, for the purpose of selecting a suitable Democratic Candidate for the office of President, we have tender our hearty support to whichever of them that convention may, in its wisdom select.

7th. *Resolved*, That the action of the Democratic State Convention which met in Raleigh, last December in selecting our distinguished fellow citizen, Michael Hoke, of Lincoln County, as our candidate for Governor, has met with our most cordial approbation—That we believe him to be a Democrat as well in practice as in theory—That with him as our leader we will look forward to the coming campaign with bright hopes of success—and further, that we here tender him our hearty support in the approaching contest.

8th. *Resolved*, Unanimously, that a Committee of six be appointed by the Chair whose duty it shall be to convey to Mr. Hoke, the earnest wish of this meeting that he would meet his fellow-citizens of Sampson County at the earliest period his convenience and other engagements may permit.

The Chair, thereupon, appointed the following gentlemen a Committee under the 8th Resolution, viz: R. C. Holmes, James Moore, Sen., Wm. Faison, Esqr. and Col. Sellers, Dr. Thos. Bunting and Dr. Wm. McKoy.

On motion, the Proceedings of this meeting were ordered to be published in the Democratic Signal, the Standard and Carolinian.

On motion of Rich. Holmes, the meeting then adjourned.

CAPT. LATTA'S DISTRICT.

At a meeting of the democrats of Capt. Latta's district, held at the late residence of Col. H. Sims, dec'd, on the 13th April, on motion, William Procter was called to the Chair, and James Stagg appointed Secretary. The Chairman appointed the following persons to draft resolutions suitable to the meeting, viz. James Stagg, W. J. Duke, and Jesse Clinton, who reported the following:

Resolved, That the Chairman appoint fourteen delegates to attend the County Convention, to be held at Hillsborough on Tuesday of May Court, for the purpose of nominating suitable candidates to represent the county of Orange in the next Legislature.

[Whereupon, the following persons were appointed: W. J. Duke, Wm. Proctor, Jesse Clinton, Joseph Procter, Thos. Procter, H. D. Trice, Wilson Woods, James Williams, John Williams, John Cole, Sam'l Cole, Williamson Burton, Dr. G. D. Sims, Presley Cardin, and Harris Wilkerson, Esq.]

Resolved, That we pledge ourselves to the honorable support of the nominees of said Convention.

Resolved, That we will use all honorable means to secure the election of Col. Hoke.

Resolved, That we will support the nominees of the Baltimore Convention, &c.

Resolved, That we view the policy of the Whigs as destructive to our republican institutions.

Resolved, That we condemn, in the strongest terms, the policy of Henry Clay electioneering for the Presidency, and view it as a gross insult to the understanding of the people.

Resolved, That we present to the consideration of the County Convention, the names of Gen. Allison and Capt. John Berry, for the Senate; and also, the names of T. W. Holden, Esq., Sidney Smith, Esq., Col. John Stockard, W. N. Pratt, Patterson McDade, Williamson Parish, Esq., Col. Wm. Horner, Maj. Wm. Patterson, Dr. D. A. Montgomery, for the Commons, as suitable persons out of which to make a selection of candidates to represent us in both Houses of the next Legislature.

Resolved, That these proceedings be sent to the Editor of the North Carolina Standard, requesting him to publish the same.

Resolved, That the Editor of the Hillsboro' Recorder be requested to publish the names of the delegates to the County Convention.

Resolved, That the Chairman and Secretary sign these proceedings.

After which, the meeting adjourned.

STONEY CREEK DISTRICT.

Met according to previous notice at Chesley F. Fauset's store, on Saturday the 13th April, a large and respectable portion of the Republicans of Stoney Creek. On motion, Jehu Hall was called to the chair, and Maj. Jacob Hurdle and Capt. Jonathan R. Harvey were appointed Secretaries.

The object of the meeting was then explained by Col. Jesse Gant in an appropriate manner; after which, on motion, the chair appointed Col. Jesse Gant, Capt. Jeiah Hurdle, Dr. Eli F. Watson, John Shaw, esq. and Capt. Benjamin Roney, to prepare resolutions for the action of the meeting.

The committee retired a short time, and reported the following, which were unanimously adopted:

Whereas it will soon become our duty to exercise the right guarantied to us by the constitution; we therefore, a portion of the Democracy of Orange, have assembled and deem it our duty to express our opinions fully and freely upon the great political questions which agitate the country; we therefore believe the relation in which the two great political parties stand to each other at this time varies only in circumstances from that which has prevailed since their first existence in 1789. The principle and ground occupied by each is the same it has been at all times, and particularly on every important crisis. The Democratic party originated from principle, and the support and maintenance of those principles was the cause and motive of its organization, and have preserved it to the present day. The Democratic party, resting on the abiding rock of principle and never afraid to do justice, have steadily pursued their great and salutary purposes of securing the Republican features of our system of government, and of promptly applying a remedy to actual evils which have been developed, and to all tendencies manifestly hostile to liberty, or the free spirit of our institutions.

Resolved, That we are opposed to the establishment of a United States Bank, with branches of the same in every State, as unconstitutional, inexpedient, and dangerous to the liberties of the country.

Resolved, That we are opposed to the distribution of the proceeds of the public lands amongst the several states of the union, when the government is millions in debt; thereby rendering it necessary for the government to borrow large sums, and affording a plausible pretext for increased taxation.

Resolved, That we are opposed to protective tariffs, which levies taxes on the Southern planters to satisfy the craving appetite of the Northern manufacturer, and which renders the government partial in its operations.

Resolved, That we are opposed to the plan proposed and advocated by the Federal Whigs, of the assumption of the debts of individual states by the general government.

Resolved, That we are opposed to the odious bankrupt law, the great Whig panacea for the relief of the distresses of the country, and believe if the Federalists again had the power the same law would be re-enacted.

Resolved, That we are opposed to the abrogation of the veto power.

Resolved, That we pledge our hearty and cordial support to Michael Hoke, and will use all honorable means to secure his election.

Resolved, That Capt. Benjamin Roney, Josiah Hurdle, Jonathan R. Harvey, Col. Jesse Gant, Maj. Jacob Hurdle, William Hall, George Garrison, and Jacob Hurdle, sen. be and are hereby appointed as delegates to attend at Hillsborough, on Tuesday of May Court, to select suitable candidates to run on the Democratic ticket for seats in the General Assembly.

Resolved, That we respectfully suggest to the Convention the name of Capt. John Berry as a candidate in the Senate, and the names of Gen. Joseph Allison and Major William Patterson as candidates on the Democratic ticket for seats in the House of Commons.

On motion,

Resolved, That the name of Dr. Eli F. Watson be also presented to the Convention as a candidate on the ticket in the Commons.

Resolved, That Col. Jesse Gant, Benjamin Hurdle, Frederick Blanchard, William Hall, esq Josiah Hurdle, John Shaw, esq. Capt. Jonathan R. Murry, Capt. J. Dickey, be appointed a committee of vigilance for this district.

On motion,

Resolved, That a copy of these proceedings be sent to the editors of the Hillsborough Recorder and North Carolina Standard with a request to publish the same.

On motion,

Resolved, That the thanks of this meeting be tendered to the Chairman for the faithful discharge of his duties.

On motion, the meeting adjourned *sine die.*

Harrington, Esq., William Barret, Esq. was called to the Chair, and John Thomas and Henry Clay Armstrong were appointed Secretaries. The object of the meeting having been explained, Col. Morison, Niven McLeran, Joseph Armstrong, of Moore, and David Reid and Benjamin Atkins, Esq'rs, of Cumberland, addressed the meeting with much ability, on the leading political questions of the day. After which, Col. Morison offered the following resolutions, which were unanimously adopted:

Resolved, That we recommend the holding of a Democratic Convention, in Carthage, on the 23d of May next, for the purpose of nominating a suitable candidate to represent the county of Moore in the Commons House of the next General Assembly of this State, and that delegates be sent from each Captain's district to said Convention.

Resolved, That we heartily recommend Edward McCallum, Esq., of Montgomery county, as a fit person to be run on the Democratic ticket for the Senate of the next Legislature; and that he be invited to meet us in Carthage on the 23d of May next.

Resolved, That we are gratified to learn that our distinguished fellow-citizen, and Democratic candidate for Governor, Col. Michael Hoke, will address the people of this County, at Carthage, on the 23d of May next; and that we respectfully invite both Democrats and Whigs to come and hear him.

Resolved, That the following gentlemen be appointed a committee to wait on Col. Hoke, when he addresses the people of Richmond county, and escort him thence to Carthage, viz. Re-annexation of Texas.

At a very large meeting of the citizens of Mecklenburg county, without distinction of party, held at the Court-house in Charlotte, on the 24th of April, 1844, on motion, Col. W. J. Alexander was called to the Chair, and J. W. Hampton appointed Secretary. The Chairman explained the object of the meeting in a very clear and forcible manner, when the follwing Committee was appointed to draft Resolutions expressive of the sense of the meeting: Thomas L. Hutchison, Esq., Dr. C. J. Fox, W. W. Elms, S. A. Harris, John Walker, Caleb Erwin, Esq., N. W. Alexander, D. R. Henderson, J. W. Hampton and F. Hoke. After the Committee had retired, the meeting was addressed in a most eloquent manner in behalf of Texas, by Colonel T. N. Hendon, of Cleveland county. His speech was loudly applauded by the immense concourse present. When he concluded, the Committee, through Mr. Hampton, reported as follows:

Whereas, we view with profound interest the question of the re-annexation of Texas to the Union; and having learned that a Treaty for that purpose has been signed at Washington by the authorities of the two Governments, and has ere this been submitted to the Senate for its ratification, we deem it the duty of the people to assemble and express their views on the subject, that their representatives may act understandingly, therefore,

Resolved, That we are decidedly in favor of the re-annexation of Texas to the United States, for these reasons:

1. That we consider Texas as of right a portion of the United States, having become such under the purchase of Louisiana from France by Mr. Jefferson.

2. That if she was lost to us as a portion of the Union, it was by a wretched stroke of diplomacy, which Mr. Clay in 1826 declared could not be considered binding on our government.

3. That we have a perfect right to re-annex Texas to the Union—the purchase of Louisiana by Mr. Jefferson having settled the constitutional power to recieve by purchase or otherwise the Territory of a foreign power; and Texas having declared her independence of Mexico, and maintained her position for ten years, with no likehood of a re-conquest by Mexico, and her independence having been recognized by all the most powerful nations of the earth, our right to treat with her on the subject cannot be called in question by any earthly power.

4. By nature, Texas forms a portion of the great valley of the Mississippi, and the line which separates her from Mexico seems to have been marked out by nature as the boundary of the United States.

5. That we are brothers—that kinsmen—Texas are our brethren—same blood coursed, same the genial influence of our free institutions, and speaking one language—we would deem it as a fatal blow to the spread of free principles, the acquisition of that country by any monarchial or despotic power.

6. That we have the official declaration of the Texan government herself, that, unless she is admitted into our Union, she must soon become a Province of Great Britain;—and thus give that ambitious and grasping nation a dangerous foothold, and a position from which, in a time of hostilities, she can easily assail us at our most vulnerable point.

Resolved, That we believe our Senators in Congress would reflect the sentiments of an overwhelming majority of the people of North Carolina, by voting for the ratification of the Treaty of annexation.

Resolved, That copies of these resolutions be, by the Chairman of this meeting, signed and forwarded to the Senators of this State in Congress.

Resolved, That we respectfully urge upon the friends of the re-annexation in the several Counties of this State, to meet forthwith and make an expression of their sentiments on the subject.

Resolved, That the proceedings of this meeting be signed by the Secretary thereof, and published in the Charlotte and Raleigh papers.

When the reading of the resolutions was concluded, Mr. Thompson, of Lincoln, rose and delivered a very able speech in defence of the resolutions, and in favor of annexation. The Chair was about to take the vote on the resolutions, when the Hon. W. Davidson rose and made a speech in opposition to the resolutions. He was replied to by the Chairman, Col. Alexander, when Mr. Davidson again addressed the meeting in opposition. He was replied to by Mr. Thompson, in a very effective speech, which was received with great applause. Mr. Davidson again spoke in opposition. Col. Herndon then made a few very eloquent remarks in defence of annexation, when the vote was taken on the resolutions, and they were adopted with acclamation—only three voices in the negative.

The meeting then adjourned.

In pursuance of a Decree of the Court of Equity, for Wake Spring Term, 1844, in the above case, I shall expose to public sale, at the Court-house door in Raleigh, on Friday, the 24th day of May next, (being the week of our County Court) the following TRACTS OF LAND, to wit:

493 acres in the County of Wake, on House's Creek, adjoining the lands of Richard Smith, the Misses Lane, and others. Most of this Tract is Wood land, and is within three or four miles of Raleigh. There is understood to be a Black Lead Mine on this tract.

128 Acres, in the County of Wake, on Beaver Dam Creek, adjoining the lands of E. P. Guiot and Richard Smith, and others. This, also, is mostly Wood land, and is within three miles of the City.

400 Acres, lying on Swift Creek, in the county of Wake, adjoining the lands of David Stevens, John M. Cullers, and Jonathan Utley.

158 Acres, lying on the waters of White Oak, in Chatham County, adjoining the lands of Thomas Bell, and others.

And, on Saturday, the 25th, (same week) I shall offer for sale, under the same Decree, the following Lots, with their improvements, in the City of Raleigh, to wit: Lots, known as Nos. 184 and 185, on which Robert Cannon, deceased, formerly resided. On one of these Lots, there is a large and commodious Dwelling-House, with all necessary and convenient Out-houses, and a good Well of Water in the yard. The situation is one of the most eligible in the City, being bounded on the North by Hillsboro' street, and on the East by Dawson street. It is, at present, in the occupancy of James G. Rowe.

Also, part of lot no. 163, on Fayetteville street, on which there is a large and convenient Brick Store house, now occupied by Brown & Hinton. This situation is in the most business part of the City.

Terms.—All the above Real Estate will be sold on a credit of six and twelve months—the purchasers giving Bond and Security for the purchase money, except as to such amount as may be necessary to cover costs of Petition in Equity, which will be required to be paid in Cash.

VALUABLE REAL ESTATE
FOR SALE IN THE CITY OF RALEIGH.

BY virtue of a Deed of Trust executed by B. B. Smith, for certain purposes therein expressed, I will sell without reserve to the highest bidder, at 6 and 12 months credit, on the 10th May next, at the Court House in Raleigh, one new and elegant three story Brick-building, nearly 60 feet square, with two tenements and a wide passage on each floor, at the corner of Fayetteville and Hargett streets. This House contains 13 large Rooms and with a slight alteration might be converted into a spacious Tavern, and being just in the heart the City, with all the necessary out-houses attached thereto, would give it an advantage in this respect, over any other in this place. The whole establishment cost the proprietor $14,200.

Also, one other two story Brick-house on Fayetteville street, at present occupied by Caleb Malone as a Store, and is an excellent stand for the Mercantile business.

Also, one other two story Brick-building with two good business rooms on the first floor, and a passage with four excellent rooms above, on Wilmington street, immediately in the rear of the large House at the corner.

These valuable Buildings are all situated just about the centre of the City. Persons therefore wishing to secure eligible stands for business of any kind, would do well to attend this Sale, for such an opportunity to secure valuable property in this City may not soon again occur. Approved paper, negotiable at Bank, will be required of the purchasers together with a lien on the property at the option of the undersigned.
