Right here the Missouri river stops going west and turns north.—Kansas City Star.

MUCH BETTER.

Steele Ozone: The Bismarck Tribune is now an evening paper, which is much more to the sensible. It also has taken a new Roman title head, and while we shall miss the old line for a time, the new Roman is far neater and the best ever invented.

Villa has lost one of his wives. That old bandit's strength seems to grow right along.

SOME DIET.

In this time of high cost of living all domestic science authorities are confining the diet to those articles which are decreasing in price.

Here's your menu for the month of November, according to Bradstreet's list of articles, which show a decreasing cost:

Alum, carbolic acid, caustic soda, cranberries, hay, mackerel, quicksilver, quinine, spruce timber and turpentine.

Some diet, eh?

Francis Joseph's life was full of tragedies, but he leaves to his heir the biggest tragedy possible.

MEATLESS SAUSAGE.

In Germany they are eating "meatless sausage," a compound prepared by a German chemist, which looks like wienerwurst, tastes like wienerwurst, and will keep indefinitely.

If this high cost of living keeps up we in America will need "meatless sausages," and meatless lots of other things. Already have we meatless hash; we may count on meatless roast beef, and meatless chicken loaf, not to speak of wheatless bread, and sugarless syrup.

We think it would be a good idea for the Deutschland, on her return to New London, to bring over the secret German formula for meatless meat products. Doubtless some of the Chicago packers would pay a fortune for it.

Dress is getting to be a threadbare topic.

WHEAT DROPS ON ARGENTINE REPORTS

News That Rain Was Falling Has Bearish Effect on Market

Chicago, Nov. 27.—Wheat dropped sharply today, after steady opening. Important factors in the decline were rains in Argentine, rumors of proposed submarine attacks which might drive commerce from the ocean and heavy realizing sales.

December was down 3½ below today's opening, at 172½; May down 3½@180; July down 4⅜@149⅜.

Corn dropped considerably, being affected by fear of submarine attacks and realizing sales. Quarantine of Nebraska, Kansas and iMssouri live stock markets by Chicago stock yards also helped press down the market.

December was down ¾@90¼; May down 1¾@93¼; July down 1⅞@92⅞.

Oats showed a falling off. December was down, 2@54⅞; May down ½@59. Provisions were steady.

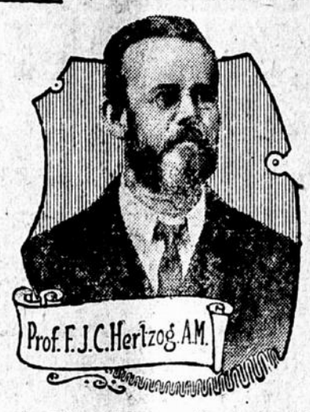
Prof. Hertzog Praises This Perfect Laxative

Dr. Caldwell's Syrup Pepsin an Ideal Remedy For Constipation.

In every family there is more or less occasion for a laxative remedy. It is to meet this need that Dr. Caldwell's Syrup Pepsin is prepared, and that this combination of simple laxative herbs with pepsin fulfills its purpose is proven by its place in thousands of American homes.

Prof. F. J. C. Hertzog, the well known linguist, 2341 North Orianna St., Philadelphia, Pa., wrote to Dr. Caldwell that he has used Dr. Caldwell's Syrup Pepsin in his household with excellent resulas and that he and his family consider it indeed a friend in need, and always keep a bottle of it on hand.

Constipation is the direct cause of much serious illness and is a condition that should never be neglected. Harsh cathartics and violent purgatives should never be employed to relieve constipation, because the very violence of their action shocks the entire system. A mild laxative, such as Dr. Caldwell's Syrup Pepsin is far preferable, being mild and gentle in its action, without griping or other pain or discomfort; its freedom from all opiate or narcotic drugs makes it an ideal remedy for children.



Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. See that a fac-simile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
