Saturday Morning Fire.

The fire department was called out about 4 o'clock Saturday morning to extinguish a blaze in a vacant house on First avenue, southeast. The fire had gained considerable headway before the alarm was turned in and the house was damaged to the extent of about four hundred dollars before the firemen reached it. The house belonged to T. S. E. Brown, and it is not known how the fire originated.

THE OLDEST WOODMAN

GEORGE HEAD OF MARIETTA MADE HIS APPLICATION IN 1893—ELECTED IN 1894.

Who is the oldest Woodman is a question that has been discussed since the big initiation here a week ago. The Ardmoreite offered the Daily one year free to the visitor to Ardmore who had been a Woodman the longest. W. A. Taliaferro of Milo came in with his date of initiation, which was in 1894. The Ardmoreite has received two other letters from Woodmen, which shows they have been in the order for a number of years. The lodge was first organized in 1890 and here is a Marietta citizen who made his application for membership in 1893.

The two letters follow:

Marietta, Okla. Nov. 17, 1909.

Ardmoreite:

Referring to the oldest Woodman of the World of Ardmore Camp, I will state that I assisted in the organization of Camp 93, Ardmore, and joined March 2nd, 1894, though my application with about twelve or fifteen others, was made in November, 1893. I claim the distinction of being the 872nd member joining the Woodmen of the World.

T. C. Bellingsley, J. L. Stacy, J. L. Johnson, L. S. Stacy and others whom I do not now remember, became members at the same time.

Yours truly,

GEO. HEAD.

Send that Ardmoreite to 603 A street, northwest, corner 6th Ave.

Burris of Tishomingo.

Tishomingo, Okla., Nov. 11, 1909.

Ardmoreite, Ardmore, Okla.:

Dear Colonel—I send you the date of my W. O. W. certificate, which put me on the list of some of the oldest members of the order. My certificate is dated February 6th, 1891.

Your friend,

H. H. BURRIS.

COLLEGE NEWS NOTES.

From the Agricultural and Mechanical School at Stillwater.

At last the long prayed [illegible] have come and Stillwater is a couple town. The city water is [illegible] under full pressure for sanitary purposes by the college. The mosquitos are full and the water wagon is in the shed.

The student assembly [illegible] the team the "Ki Yi" and the [illegible] as they marched from chapel [illegible] day morning on their way to Ponca City, Kansas. They returned [illegible] with the score on the wrong side [illegible] from our standpoint not defeated.

The A and M girls are [illegible] to the front in athletics. Miss [illegible] stated in chapel Thursday morning that we have a full tennis [illegible] and four basket ball teams [illegible] work.

A resolution of lament and sympathy has been extended to the family of Lefloy Wixes, deceased, by the faculty and students. A copy of these resolutions has also been placed on the permanent Variety record.

The following number of students have failed in two or more studies during the past half term: seniors 2, juniors 1, sophomores 7, freshmen 9. When we consider this cut as a small fractional per cent, we can really appreciate the excellent work that is being done by the majority of the student body.

Miss Rose Murray, who has been called to the music department, is very an excellent addition to the school exercises.

A petition signed by the majority of the students, asking for the Thanksgiving holiday to extend from 12:00 Nov. 24th to 8:00 Nov. 30th was granted by the faculty at its meeting on the 13th inst.

The commissions and warrants are being issued to the cadet officers and non-commissioned officers today.

We all regret very much that Miss McIlvain has found it necessary to resign on account of her health. Miss McIlvain has held the position of assistant librarian for the past two years and has won many friends in this institution.

The students of the A. and M. college at Stillwater have been particularly interested the last few days in the preparation for sending delegates to the sixth quadrennial convention of the student volunteer movement to be held in Rochester, New York, December 29th to January 2nd. Mr. Guy Von Aldrich, traveling secretary for the student volunteer movement, has been visiting the colleges and universities of the southwest in the interest of this convention, and was at the college Tuesday and Wednesday of this week. A. and M. college will send its full quota of representatives, five students and a faculty member. These students are chosen with the greatest care. There are representatives students, men and women who are interested in the Christian work of their institution and who also are interested in the other functions of college life.

These conventions are held every four years. The one four years ago was held at Nashville, Tennessee; the one eight years ago at Toronto and the one twelve years ago at Cleveland. At this convention are resentatives from universities from all dred colleges and universities of the United States and Canada. In addition to these there are students representtives from universities from all parts of the world.

The convention is under the leadership and direction of John R. Mott, who stands at the head of student Y. M. C. A. work, not only of this country but of the whole world. Associated with Mr. Mott are Robert E. Speer, of the Presbyterian board of foreign missions, Dr. Samuel Zwemer of Arabia, Johnston Ross, England, Dean Bosworth of Oberlin, Bishop Sherwood, general secretary of the Y. M. C. A. India and a score or more of other men and women of equal importance in Christian work; men and women who are the statesmen of religious work in the colleges and universities throughout the world.

Associated with these men and women will be missionaries from all parts of the world so that the student who gets to go to this coming Rochester convention will have the opportunity of coming in contact with the world's greatest men and women and of getting a vision of the world wide movement toward the Kingdom of God.

It is of the greatest importance that educational institutions of this section of the country send their full quota of delegates and send as delegates their strongest men and women. The possibility of greater breadth of vision and new inspiration for the association's work in these local institutions is very great and depends only upon the power of the men and women who are chosen as delegates to bring back the message which they are there to hear at Rochester.

Mr. Percy L. Corbin, state student secretary of the Y. M. C. A. of Oklahoma, has been traveling with Mr. Aldrich among the colleges of the state. Mr. Aldrich goes from here to the Christian University at Enid, and from there to Kingfisher. After finishing the colleges of Oklahoma he will go to Arkansas and Missouri.
