CITY NEWS

[illegible]

THE SWIMMING PERIOD at Sand Springs park for Tulsa Boy Scouts has been changed to each Monday and Tuesday, from 4:30 to 5:30 o'clock. Messrs Bonsaren and McCloskey will be in charge of the swimming hour on the days mentioned and every supervision will be maintained over the youngsters.

THE FIRE DEPARTMENT was called twice to the new eight-story Elkhorn building yesterday. A pile of trash in the hallway on the second floor was the cause of an alarm yesterday morning and in the late afternoon some burning trash at the rear of the building brought out the department. Both blazes were extinguished with chemicals, with no loss.

AL BURNHOOKS of Oklahoma City, one of the largest plumbing and steam heating contractors in the southwest, arrived in Tulsa yesterday for a stay of two or three days on business matters. He reports that Oklahoma City is fast regaining her old time "speed" and that much building activity is going on there. He takes off his hat to Tulsa, however, and says that they'll both make good cities.

TWO ELECTRIC FANS were installed in the homes of needy folks in Tulsa yesterday by the Public Service Corporation, which concern has offered to do free wiring, furnish fans and give the electricity without charge to sick persons who cannot afford this necessity. Physicians testified to the worthiness of the applications yesterday and the Public Service Corporation last no time in making good on their offer. The offer will hold good for the summer.

COTTON PRICES BREAK SHARP.

Market Declined Half a Cent a Pound Yesterday.

NEW YORK, July 9.—There was a break of fully one-half a cent in cotton today, the culmination of heavy selling which has been in progress for the past several months, and which has caused a decline of 5 cents a pound in cotton since last October. The break was followed by a sharp rally, but closing prices showed a loss of 11 to 21 points compared with yesterday's quotations. Pronounced weakness in the regular market, lower quotations from Brazil and reports of a continued flat trade demand contributed to the break, which was supposed to reflect the liquidation of old longs in advance of competition and new crop cotton, which is now beginning to move in some volume.

Gardner in the Finals.

SEABRIGHT, N. J., July 9.—J. P. Gardner of Boston won his place in the final round of the Achelis challenge cup lawn tennis singles today. In the semi-final round, he defeated W. M. Washburn at 2-6, 6-4, 6-2.

In the men's doubles, second round, Nathaniel W. Niles and Alfred S. Dabney defeated T. R. Pell and Bernon S. Prentice, 6-8, 9-7; Carl H. Behr and Frederick Inman defeated Wm. A. Larned and George L. Wrenn Jr., 6-2, 5-7, 11-9.

COURT NOTES

CHARLES MITCHELL, negro, charged with stealing lumber was ordered bound over for trial in the superior court after a preliminary trial before Justice Slack. His bail was fixed at $1000 which he failed to furnish.

OLIVER BUCKLES charged with passing a bad check for $6 on a local clothing store yesterday waived a preliminary hearing when brought before Justice of the Peace Slack. Sickles intends to plead guilty and take the minimum of one year in the penitentiary.

YESTERDAY was divorce day in the Superior court and Judge Breckenridge granted four petitions for separations. Dollie Ernest was divorced from James Earnest on the grounds of abandonment; Alice Van Kirk from E. E. Van Kirk, cruelty; Florence Ralphbit from E. D. Ralphbit, abandonment and Hettie St. Clair from Giles St. Lair, cruelty.

A RECEIVER for the Lucas Oil company was asked in a petition filed in the District court by Clyde C. Massey and Indian minor yesterday. Massey is the owner of land on which the oil company owns an oil lease. The company has only partly drilled on the land and the petition alleges that the company is insolvent and therefor unable to drill offset wells to protect the interests of the minor.

TWO MARRIAGE licenses were issued yesterday by the clerk of the county court to the following couples: Jeff Martin 21 and Mrs. Lizzie A. Elaster 28, both of Cleveland; and Robert Brooks 18 and Mrs. Pearl Armstrong 28, both of Tulsa.

ELKS TO REBUILD HOME

NEW YORK, July 9.—The Grand Lodge of Elks, in forty-ninth reunion here today accepted the $260,000 bid of a Salt Lake City contractor and will build a new national home. Whether the home shall be on the site of the present home in Bedford, Va., or elsewhere, rests with the national home commission, of which Gary Hermann of Cincinnati is chairman. For three consecutive years the commission had favored erecting the home on the old site, the only expressed objection to which is that the inmates are isolated. The Bedford home has been in existence 10 years. Bedford, Ind., today offered a $250,000 site.

A per capita tax of 25 cents will be levied on the members of subordinate lodges, giving approximately $105,000 to apply on the new home.

At the night session a report was made on the proposed tuberculosis home for Elks. Grand Secretary Robinson declined to make public the report and the action taken.

MAY HAVE ONE MORE RACE MEETING HERE

CHANCE TO RUN IN ANOTHER GOOD RUNNING MEETING BEFORE LAW CHANGE.

The final running race meeting for Tulsa is now being arranged, according to a current rumor in sporting circles. The new anti-racing law will not become effective for about three months and there will be ample time in which to give another rousing meeting at the Tulsa fair grounds.

Whether or not the present management of the race course will stage the meeting cannot be ascertained. Secretary Younkman is said to be negotiating with horsemen in Canada with that end in view, however. If the horses can be secured the meeting will be held, it is said.

The Dry Farming congress officials are planning to lease the fair grounds for the balance of the year and will use the site for the big exposition here in October, as well as several money-making affairs prior to that time, for the purpose of helping finance the exposition and it is barely possible that the local board of control will stage a race meeting.

It is said that the meeting will open the latter part of this month and run for forty days.

The Spring meeting held here this year was one of the most successful ever staged in Tulsa and all the horsemen will want to come back for a grand closing state meeting.
