Thin People Gained Weight Quickly

By Following This Simple Suggestion.

This man and women who would like to increase their weight with 10 or 15 pounds of healthy "stay-there" fat should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel or what your friends say and think. The scales and the tape measure will tell their own story, and many thin men and women we believe can easily add from five to eight pounds in the first fourteen days by following this simple direction. And best of all, the new flesh stays put.

Sargol does not of itself make fat, but mixing with your food it aims to turn the fats, sugars and starches of what you have eaten into rich, ripe fat producing nourishment for the tissues and blood—ready to be in readily assimilated form which the blood can readily accept. Much of this nourishment now passes from your body as waste. But Sargol works to stop the waste and do it quickly and to make the fat producing contents of the very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe, reliable, efficient and dependable. Get one dollar's worth at any reliable druggist's and see what a few cents' worth will do. Sargol is sold in large moneyed tablets, ready to take with a package—on a guarantee of weight increase or money back as found in each large box.

For Aged Persons
People who are not active suffer from constipation. When the bowels do not act regularly, the whole system becomes disorganized. If permitted to become chronic, the result may be a serious illness. Your physician knows this. That's why he always first gives you a good laxative. The relief of constipation is simple. Take Figsen at night. In the morning you will feel fine. You eat Figsen just like candy and it tastes good; that makes it ideal for children, invalids and other delicate persons. It is the best remedy we ever met with for everybody. If more people only knew the real goodness of Figsen, it would be the only laxative we would sell. It does not gripe, purge or cause any annoyance. Get a box of Figsen to-day and see how good it will make you feel to-morrow.
Figsen is sold only at Nyal Quality Stores. Look for the Drug Store with the green and yellow front. There is one right in your own neighborhood. It is a safe store for even the children to trade at.
