Producers Overcome Jinx and Take All of Series Instead of Two.

Price is Again Batting Star; Heatly's Bludgeon Also There.

Special to The World.

OKLAHOMA CITY, May 10.—Although given three runs in the first inning while the visitors went scoreless for four, the Senators could not take even one game out of three from Tulsa. The Producers finally won by a score of 7 to 4.

Had he been given a proper kind of support Liz Smith, who signed an Oklahoma City contract Wednesday morning, would have won his game, for he had everything his own way until Clements and Brannon began their habitual erring and then he was hit hard. Producers' four bobbles were bunched in the first inning with two Oklahoma City hits and a base on balls and were productive of three runs.

The other Oklahoma City run was made in the sixth when Nagle drove the first ball pitched over the center field fence. Two were down when Clements' muff of Wooley's Texas leaguer started the visitors on their way to victory. Before the ball could be recovered Wooley was perched on second. He scored on Price's single. Price went down on the throwin and registered on Heatley's hit. Another error by Clements gave Olson a life at the opening of the seventh. He advanced on McCoy's out and walked home when Wooley dropped the ball outside the lot. Price doubled and was safe at third when Brannon dropped Dowie's perfect peg. He scored on Clements' third error, a low throw of Heatley's grounder. A home run by Brady and another by Heatley in the ninth brought Tulsa's total to seven. Both teams go to Tulsa for a three-game series, beginning Thursday.

Nokes was put out of the game in the seventh for disputing a decision of Morgan's in calling him out on a third strike play and Darcy was fined $10 for a similar offense at first base. Sorey's fielding at short was the feature of the game.

Fort Smith Will Dedicate New Baseball Stadium With Exercises.

FORT SMITH, Ark., May 10.—Final plans were made yesterday for Fort Smith's new era jubilee which is to commence Thursday and close Saturday, featuring the dedication of the stadium, Fort Smith's magnificent offering to clean athletics. Saturday will be known as merchant's trade day and beyond special offerings by the business houses there will be no further observance.

What is said to be the bigest auto parade ever seen in Fort Smith is scheduled for Thursday afternoon.

Members of the Twins and the champion Denison club, city commission, citizens and others will occupy the machines. At 3:30 o'clock the dedicatory exercises at the park will begin with Dr. Charles H. Brough, the next governor of the state, delivering the address.

The public schools will be dismissed Friday so that the children may participate in the exercises.

WELCOME HOME THE WINNING PRODUCERS

League Leaders to Tangle With the Senators at the Dell Today.

(By X. Q. JINX)

Well, they're here; they're back again.

Mandarin Price and his miracle men.

Back to murder the pill and set the league a grilling pace;

Heatley and Hopper and Brady and Lamb,

Olson and Wooley and Clements and Sam.

All of them full of the punch it takes to cop the summer race.

Set the dell for the editor's show,

Primed the crew for the Senator go,

Thrilled the fans to hear the sound of Moore's eternal clout:

And we should worry if business gets by,

Fret a great lot if the oil wells go dry,

See the Producers are back for a spell, the sun's again come out.

Rich man, poor man, beggar man—in fact every man of whatever color, denomination or creed, providing he can thank a merciful providence for one whole peeper, and providing his residence is contiguous to our snug pastiming dell, is expected to attend the reception which will be paid our unnerving wrecking crew on this blossomy May afternoon when they continue their disastrous way down the hit-punctured trail which leads to a tattered bit of bunting.

The already down-trodden and skidding Senators will again interpose their mangled frames into the path and if the omens do not fail, three more scalps will dangle gorefully from the locals belts when the final whistle blows.

The little sprint up the road for a visit to the Senators proved entirely successful from a homeling's point of view. The Producers had little trouble in taking the first two games, despite the fact that Charles Brill, a sport scribbler of some consequence in his own domain, only graded them as middling when he viewed them in the early spring.

Manager Price admits that he feels entirely secure in the initial position now. He declared that time had already proven that the driving pace set by the Producers was not a mere flash butwas thereal bonafide proposition.

ANCIENT DOPE HEADS FIND HAPPY DREAMS IN THE "LOCO" WEED.

Special to The World.

BARTLESVILLE, Okla., May 10.—Unable to kill their craving for narcotics, after being cut off from habit-forming drugs by the provisions of the Harrison federal law, "dopes" in this vicinity have found a substitute in the use of "loco" weed which grows out on the prairie lands of this section.

The weed is picked, dried and then smoked in a pipe. It has much the same effect of opium, it is said.

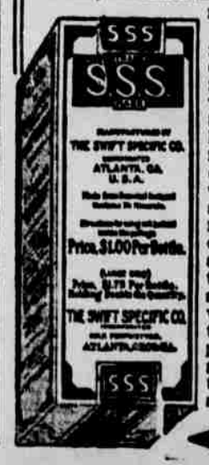
'Healthgrams' On Skin--Flashed to Thousands


One of Nature's signals is an unhealthy skin. It is a scientific fact that the skin indicates the condition of the blood and the blood is the building material for the body and all its vital parts. Unless the blood is nourished and kept rich and healthy, it will evenually react on the organs it feeds and reduce the individual to a pitiable condition. Little do people realize the physical ailments that drain away strength and vitality and that can be traced straight to the poor supply of blood. Pimples, Eczema, Salt Rheum, Rheumatism, Carbuncles, Boils, Catarrh with its obnoxious results and the tendency to easily catch cold, Malaria and scores of other equally serious ailments, are all manifestations of bad blood. For over 50 years S. S. S. has been a mighty remedy for these disorders. Thousands of men and women have been relieved or actually cured by S. S. S. Many of them had spent years and hundreds of dollars for other remedies in a fruitless endeavor to regain health—a marvelous tribute to S. S. S. S. S. S. is purely vegetable and when taken into the stomach is absorbed by the blood, supplying certain elements which stimulate the action of the blood corpuscles and help them drive out impurities and build up the system. With such a tried and true medicine awaiting you at the closest drug store, will you go on suffering and looking badly when so many others similarly afflicted have turned to S. S. S. and found the meaning of perfect health. Our Medical Department will gladly advise you about your case without cost to you if you wish to avail yourself of this service.
