REACTION IN STOCKS APPEARS IN TRADING

Tendencies Are for Setback After Week's Lively Dealing—Peace Progress Is Encouraging.

NEW YORK, March 13.—Reactionary tendencies were uppermost during the greater part of today's very lively stock market. Cables continued to lengthen the impression in financial circles of an early determination of the fundamental features before the peace conference and Washington reported headway in the conferences between the administration and railroad executives although rails were almost a negligible factor in the day's business.

The one outstanding or sensational feature was furnished by Industrial Alcohol, which next to United States Steel was the most active issue of the day at an extreme advance of 15 points, nearly all of which it held at the end.

United States Steel fluctuated within a radius of almost 2 points, but was under constant pressure, closing at a fractional loss, but related industrials and equipments, also leathers, tobaccos, some of the oils and fertilizers were firm to strong.

Trading in bonds was broader and firm, although liberty issues were irregular and Anglo-French 5s yielded a trifle. Total sales aggregated $11,250,000. Old United States bonds unchanged on call.

STATE MEDICAL OFFICERS ARE DECORATED BY BRITISH

WASHINGTON, March 13.—Sixty-six American army medical officers and men have been decorated by the British government for bravery and distinguished service in the war, Surgeon Ireland was advised today by the British war office.

Maj. Emanuel Goldstein of New York city and Capt. George P. O'Malley, Cleveland, were made honorary companions of the distinguished service order, and 40 captains and first lieutenants were awarded the military cross. The distinguished conduct medal and military medal of Great Britain was conferred upon 15 enlisted men.

The officers awarded the military cross included:

Capt. Lawrence M. Tasker, Tampam, Mexico, and Lieutenant Louis W. Despres, Memphis, Tenn.; Roy A. Douglass, Nashville, Tenn.; Roy G. Giles, Belton, Texas; Allen G. Heard, Galveston, Texas; Charles E. Nourse, Lexington, Okla.; Fred Oscar Stone, Maynardville, Tenn., and Roy L. Vineyard, Amarillo, Texas.

Enlisted men receiving the distinguished conduct medals were James K. Falson, 118th infantry, and Jacob Semberg, 106th infantry.

GERMANS ARE AROUSED AT LOSS OF TERRITORY

By The Associated Press

BERLIN, Wednesday, March 12.—Reports from Paris to the effect that the peace treaty will provide that Poland shall have Danzig and that a buffer state shall be formed along the Rhine, have stirred up the German press, both conservative and radical.

It is to be hoped there is nobody in Germany who would suffer such a treaty to be signed," says the Tageblatt.

The Lokal Anzeiger says:

"We regard it as absolutely certain that these demands will be rejected if they are made."

The newspaper says that if Danzig were given to the Poles they would get little enjoyment from it.

"This stolen property," it declares, "would burn in their hands." It also says that Germany would be justified in refusing to sign the treaty if it contained these conditions, setting forth President Wilson's program as justification for the refusal.

FIRST DEATH IS REPORTED FROM 'SLEEPING SICKNESS'

NEW YORK, March 13.—The first death in this city from "sleeping sickness" was reported to the health department today. Erskine W. Martin, a clerk, 35 years of age, became ill five days ago, went to sleep a day later and remained in a state of coma until he died according to the attending physician.

Health Commissioner Copeland, declaring only 18 cases of the malady had been reported in Europe and three others in this country, of which two had been fatal, said there was no cause for alarm.

DENIES REPORTS ON OUR TROOPS HELD IN ITALY

WASHINGTON, March 13.—Major General Treat, commanding the American troops in Italy, cabled the war department today that a personal inspection of the 332d infantry had failed to support "the sensational charges made in newspapers" regarding the condition of the unit. He said the men had never been fed horse meat and were never compelled to steal food, and added that "the allied commanders and the general public without exception voluntarily give highest praise to this regiment."

Former Judge Phillips Dead.

HOT SPRINGS, Ark., March 13.—John F. Phillips, former judge of the United States court for the western district of Missouri, died today at the home of Col. P. W. Fordyce, near this city. He was 85 years old. Judge Phillips served in the 44th and 45th congresses and at one time was a law partner of United States Senator Vest of Missouri.

Probe Negro Report.

WASHINGTON, March 13.—Investigation of a report that negro workmen employed in steel plants at Coatesville, Pa., are being deported by the state constabulary, was ordered today by the department of labor.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up, the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

Personals

E. F. Bergolle, former sales manager of the Kanotex Refining company, has taken a position with the Acme Petroleum company and is now manager of the Kansas City office.

Jess P. McBride has wired his father, A. P. McBride, of the Red Diamond Oil company, that he has landed at Newport News, Va. He was assistant purmaster of the 5th division and has been in France nearly a year. He is certainly a fine young man, as his many friends will testify, and doubtless has made good in the service.

Two of the most prominent members of the scouting department of the Sinclair oil & Refining company are ill this week. Chief of Scouts Jones is confined to his home with typhoid fever, while his able assistant, "Hank" Waters, is quite ill with the "flu." The condolence of the entire oil fraternity is extended the sufferers.

CATARRHAL DEAFNESS AND HEAD NOISES

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME.

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmint (Double Strength). Take this home and add to it ¼ pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this offhandedness treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless home treatment.

WOMEN OF MIDDLE AGE

How Lydia E. Pinkham's Vegetable Compound Relieves the Ailments of Change of Life.

"During Change of Life I had hot flashes, dizzy spells and every month I was wild with misery. I had a constant, dull pain, and would always feel tired. I suffered in this way for five or six years and was treated by a physician and took different remedies without benefit. Lydia E. Pinkham's Vegetable Compound was recommended to me and I took it, and I believe I would never have been well if it had not been for the Vegetable Compound and Lydia E. Pinkham's Sanative Wash. I am recommending your medicine to all women ailing as I was, for I think it will carry them safely through the Change of Life, and relieve the ailments that come at that period."—Mrs. ALEXIE NANGLE, Galatia, Ill.

Women who suffer from nervousness, "hot flashes," backache, headaches, and "the blues," should try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, and if complications exist write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years' experience in such cases is at your service.
