P. J. White Visits Tulsa.

P. J. White, formerly vice president of the Exchange National bank and at one time an associate of H. W. Sinclair in oil operations in the Tulsa field, is visiting in the city for a few days with Mrs. White.

Mr. White has been interested in the Louisiana field about Shreveport and has spent some of his time since leaving Tulsa in New York. It is reported among his friends here that he is looking over the Osage field with a view of returning to Tulsa, and that he will come back in about two weeks with more definite plans in view.
