BANQUET AT HOTEL TULSA

Forty Members of New Organization Attend Meeting—Membership Drive Is Planned

With 40 members in attendance the Purchasing Agents' association of Tulsa held what was pronounced the most successful bi-monthly meeting in its short history when the agents who principally represent the larger oil corporations gathered at Hotel Tulsa Tuesday night for dinner and open discussion of matters of interest to their trade.

Officers of the association are R. D. Gwynne, Gulf Pipe Line company, president; H. J. Culver, Mid-Continent company, vice president; J. W. Shields, Oklahoma Producing & Refining Co., secretary; J. A. Horton, Oklahoma Petroleum & Gasoline Co., treasurer.

Following the dinner the purchasing agents adjourned to central high school's auditorium, where H. G. Breckenridge, special representative of the main office of the National Tube company, of Pittsburgh, Pa., delivered a lecture on the manufacture of tubing and pipe. The address was illustrated with several moving pictures taken at the National factory.

J. H. Wolfe, chairman of the membership committee, reported that he had mailed 500 circular letters to purchasing agents of firms throughout the entire state as a special feature of the membership campaign now in force. Wolfe reported that many favorable replies and applications for membership had already been received.

Purchasing agents from any firm in Tulsa or the state at large are eligible to membership. The association was organized three months ago by President Gwynne and members meet the second and fourth Tuesday of each month.
