SOONER STAR WILL COACH AT NEVADA

Special to The World.

NORMAN, Okla., May 27.—Harry Hummel, our right, business star athlete at the University of Oklahoma, has been appointed athletic coach at the University of Nevada, it was announced at the Kappa house in this city after arrival of a wire upon the subject at Pittsburg recently. Hummel is a native of Nevada.

Straight was a halfback on the football team for three years, captain of the team last year and one of the best ever to play for Oklahoma. He also was a pitcher on the baseball team, sprinter and hurdler on track and member of the basketball team. He was one of the few athletes who have won the athletic "O" in four university sports.

DES MOINES SELLS BUZZ MURPHY TO WASHINGTON

DES MOINES, Iowa, May 27.—"Buzz" Murphy, center fielder on the Des Moines Western league team, was sold today to the Washington Americans.

K. O. Celmars Sends Forfeit to Guarantee His Appearance

To show good faith and assure his appearance here next Monday night for a 12 round setto with K. O. Loughlin before the Tulsa Sporting club, K. O. Celmars has sent a forfeit of $100 to the Sporting editor of The World.

Enclosed you will find a New York draft for Celmars' appearance," said Sam Jordan's letter announcing the forfeit. "Celmars is getting in grand shape and will be as fit as a fiddle when he steps into the ring with Loughlin on June 2. This match with Young Denny will just be a warm up for him. Denny's workouts have been a sensation here and he is confident of putting Denny away in short order.

"Celmars will have to give Denny a good three-hitter if he keeps pace with Loughlin next Monday night. Denny's best bright Celmars will again, this time winning or drawing every round. From reports say the Columbus aspirant was given an unmerciful lacing, wholly outpassed by the Pennsylvanian.

"Beisler already has completed his program for next Monday night. In addition to the Celmars event, he is putting on a couple of six round and one eight-round preliminary.

"A telegram received yesterday reported Sam Goldman, Pete Herman's manager, detained in Pittsburg and said a letter was on its way and should arrive Tuesday or Wednesday explaining everything and making a proposition concerning the Ball-Herman bout with Puryear which he believed would meet with Beisler's approval. Unless it is satisfactory, Beisler expects to hop a train this evening and go to St. Louis to close the matches.

"It is now a certainty that Nate Jackson and Knockout Brown will form the main attraction on June 16 with a clean 10-round scramble for a semi-windup.

"Altogether Tulsa seems to have a very satisfactory boxing program mapped out for the next six weeks."

CHALLENGER WORKS HARD DESPITE HEAT

Boxes Six Rounds—"Reformers" Protest Answered by Army, Navy and Civilian Boxing Board.

TOLEDO, Ohio, May 27.—Blistering rays of the sun beat down perspiring Jack Dempsey's training camp today and his handlers again sent him through his paces during cool hours of the morning. It was no hot at the challenger's camp, on the shores of Maumee bay this afternoon that Dempsey and his trainers took a siesta.

Trainer Gunther sent Dempsey through his first vigorous workout. The challenger boxed six rounds, four during sessions with Bill Tate and two with Tony Ross, a light weight. Dempsey was on top of Tate from the start and the giant negro received a punching that he did not and took one right hand uppercut nearly jolted him off his feet. After the boxing Dempsey shadow boxed a half hour and then punched the bag until the rope broke.

The army, navy and civilian board of boxing control, numbering among its members several governors, army and naval officers and representatives of colleges, in a letter today answered the protest of the federated churches of Ohio against the match. The letter read in conclusion:

"If you will ponder our saying so your conception is a half a century behind the times. We consider that there are reasons for this match all excellent and every responsibility as such opposition can lay, reach to the interests of religion in the minds of thousands of men who can see no harm in the exponents of the highest skill in a given sport engaging in a contest for supremacy."

Daily Dope

By Larry Dailey..

Much disappointment was expressed by Tulsa baseball bugs over the failure of the Oilers to win the final game of the first road trip from Sioux City yesterday, and thereby break even. It is disappointing that the club should go to Sioux City with a chance of coming back home in second place and with the balance of the road games at hand, and drop three out of four to the Iowans, cast for a second division berth by most of the critics.

Barring the series just closed, the work of the Oilers on the road has been satisfactory, and justified the confidence reposed in them by Manager Alsop. Before going to Sioux City the club had won five and lost five. In the 14 games played the Oilers won six and lost eight. Not a bad road record for any club. Play around the circuit has improved, most of the clubs including the Indians have strengthened and to win 6 out of 14 games should be good enough in parity even the most rabid fan.

The gang has been hitting well throughout the two weeks, took but their fielding must be considerably improved. This was evident in the last three games, shows the great defensive weakness for a Class A club.

The pitchers have not been going as well as they should. Lefty Heavy has been pounded frequently in late games. Carrington is a warm weather pitcher, is a good enough but isn't an early season winner. Bayne has pitched well and is a splendid prospect. Haines has hurled brilliant ball and is the clubs big ace. Salisbury is steady and dependable.

The Oilers play Jack Holland's Oklahoma City club tomorrow with a double bill scheduled for Friday, Memorial day. Hayne Ratcliffe and Haines will probably take up the mound burden, and with these three marksmen going in, customary good form a clean sweep of the series may be looked for.

Following the three game series here the Oilers go to Wichita for three contests, May 31, June 1 and 2. Jack Holland's Oklahoma City club is played June 4, 5 and 6. June 7 the locals return home to be hosts of Frank Isbell's club for four games.

There is not a one game schedule in the Western League today, but tomorrow sectional games are started and then hot stuff is due to break. In addition to the Oklahoma Tulsa games, which should be swamped all the way are the Des Moines-Omaha and other contests. The Southerners remain in the warmer but for several weeks. Following the finish of sectional games in the north and south the southern teams make their final appearance in the southern and. These series are spaced so as to allow the northern teams ample time to get north for the final sectional games.

Other schedule changes for the week are: Wichita at Joplin, Des Moines at Sioux City and St. Louis at Omaha. Wichita and Joplin play the only game scheduled on the Western League circuit today.
