Bob A Heads a Classy Field in Memorial Day Handicap

Makes Sensational Finish—Kuklux Noses Out Our Leader.

JACK HAYES TAKES FIRST

The Favorite of Day Leads Throughout Going; Tiger Jim Is Second.

Railbird's Selections

First — English Lady, Maude E. Mc.
Second race — Lochark, Shillingo, Gordon, Jack's Sidewag.
Third race — Fenimore, Baby, Bob Hoi, Dell.
Fourth race — Bob A, Grumbling Jim, Sweet Cap.
Fifth race — Ed, Barney, Twist, Harry Hughes.
Best chance — Bob A.

BY GAINY DAILEY.

Making a sensational finish the last quarter, Bob A won the Memorial day handicap feature race of the day at Kenwood yesterday, closely pressed by Kuklux and Our Leader. The place at Lahoma horses barred down in the finish with Kuklux winning by a nose. Starter Harris spent less time trouble in the race, for, ready to the attempts of jockeys Singleton and Scoville to get their mounts off to a running start, Scoville finally got Our Leader off in front, but relinquished the lead at the end of the first half mile to Bob A. Kuklux made a sensational finish, beating our Leader to the tape in the final stretch.

Jack Hayes, choice of the day and very favorite, won a pretty race in the first race, of about three furlongs taking the lead at the drop of the barrier and holding it throughout. Tiger Jim proved Jack hard throughout the going and was only a neck back of Wilmore mount at the finish.

Battle in Second Race.

Sahuma Belle was off first in the second race of about five furlongs and maintained her lead, though Coral Tea made a sensational finish and was only a nip back of the winner. Bob A scratched.

A closely bunched field got off well in the third race over the same route with Earl Roberts leading. Shamrock Green took and held the lead at the quarter post with Recluse a good second. Earl Roberts tired after going two furlongs and finished out of the money. Laird's Kickaroo scratched.

After two false starts in the fifth race of six furlongs, one due to Moran falling at the start, Bill Dechman took the lead by a length and was never headed gradually increasing his advantage and winning by three lengths.

Largest Crowd Sees Races.

The largest crowd in the history of Sapulpa meets, which was well over the 1,500 mark, saw the card which was in keeping with the splendid brand of racing that has been served up here in the Creek capital during this meet.

Another classy program of five races is billed for this afternoon with the best ponies on the track entered.

The announcement was made yesterday that the meet will continue throughout next week. This will be hailed with delight by the followers of the sport who have patronized the Sapulpa races.

Supulpa Turf Notes

E. McGown led the riders yesterday, piloting two winners, including the Memorial handicap. Cassidy was in the money four times, two shows and two places. Scoville had two seconds and one third.

Jack Hayes showed expected class in the first race yesterday. This pony is regarded as one of the classiest entered in the meet.

The Memorial day handicap was a new innovation in race circles in Oklahoma and will probably become a regular event, according to the promoters of the meet.

Jockeys Singleton and Scoville delayed the start in the fourth race when they tried for running starts. There was no excuse for those boys not pulling their mounts against the barrier with the rest.

The announcement that the meet will be continued through next week brought applause from the fans, who are pleased with the class of racing provided at Sapulpa during the meet to date.

Tommy Hunt rode Bill Dlechman well in the fifth race and deserved to win. He got his mount off to a good start and held the lead throughout.

Horseman 2, off Meadows 1; struck out, by Alexander 3, by Martin 1.

Langdon Is After Witness to Prove Booze Wasn't His

The preliminary hearing of C. F. Langdon, arrested in this city May 24 on the charge of introducing liquor, which began before J. H. Wilkins, United States commissioner, Friday afternoon, was continued to Monday morning for the purpose of allowing the defendant additional time to produce a witness to prove that Langdon did not own the whisky found in a Pullman sleeper.

Langdon was arrested in the sleeping car by W. S. Ellis, local deputy United States marshal, after the officer seized two hand grips containing whisky found under the birth occupied by the defendant. Langdon denied his guilt and was allowed additional time to produce a witness who will prove that he did not take the hand grips aboard the train at Springfield, Mo., where he entrained.

Wano is Released; Benny Martin and John Young Signed

Release of Bill Wano, first baseman, and the signing of Benny Martin, outfielder, and John Young, pitcher, was announced by Manager Spencer Abbott of the Tulsa Oilers last night before entraining with the club for Wichita.

Wano's hitting the past three weeks has been weak, while his fielding has always been one of the weak spots of the inner defense.

Martin is a hard-hitting outfielder who played in the Three-I League two years ago. Young is a former Kendall college athlete, and returned with the Tulsa aquabancers two weeks ago.

WITNESSES DEFEND AND RAP BURLESON

President Carlton of Western Union Charges Reynolds Tried to Make Government Fail.

WASHINGTON, May 30.—Charges by Newcomb Carlton, president of the Western Union Telegraph company, that Edward Reynolds, former general manager of the Postal Telegraph-Cable company, had attempted to make government ownership of the telegraph lines a failure and an afternoon session of a long day spent in hearing witnesses defend and attempt to explain the conduct of Postmaster General Burleson were defended of before hearing before the senate committee considering the legislation for return of the telephone and telegraph properties.

Mr. Carlton said the complaint that Mr. Reynolds at the request of Mr. Burleson, approached a member of congress on the subject "and in the same time was trying to sell stock of the Postal company, asking them to aid a government operation a failure." Mr. Reynolds subsequently was requested by Mr. Burleson to resign, he said, because of the postmaster general.

Operations of the wire systems under direction of Mr. Burleson were defended by Mr. Carlton, who declared the postmaster general had no more to do with the determination of the telephone and telegraph services than did members of the senate committee. A super man, he said, could not have prevented deterioration, it was a result of natural conditions.

A directly opposite view was expressed by Mr. Reynolds, who took the stand at his own request. Mr. Reynolds quoted some of the declarations of Mr. Carlton concerning relations between the Postal company and Mr. Burleson were "wholly untrue" and charged that under government operation the Postal company "was being robbed of money and deliberately jobbed."

NEW MEXICO GOVERNOR DEFERS TO GOVERNMENT

SANTA FE, N. M., May 30.—"My personal judgment was against granting permission for Mexican troops to pass through New Mexico, but I gave my consent when the government asked it, because I did not wish to hinder the national administration in its foreign policy," said Gov. O. A. Larrazolo at Las Vegas today.

"I believe I understand Mexico and Mexican people better than they do at Washington, but the national government and not I is charged with the duty of conducting the foreign policy of this nation."

The governor said he had received a flood of telegraphic protests against his action in giving permission, including one from United States Senator A. B. Fall.

HOBBY STILL INSISTING ON AMERICAN PROTECTION

AUSTIN, Texas, May 30.—Gov. W. P. Hobby in his address today at the first simple protection will be provided Texas and that their property will be protected by the government of Mexico before it will give its approval to the passing of Mexican troops through Texas, the other governors expressed themselves in the exchange of messages with the governor of Mexico, Governor Hobby said. "We are not going to be bullied into anything by the Mexicans. We are not going to do anything that we think is right and proper, but we will not be influenced by Mr. Wilson nor by Mr. Carranza. We will do what
