WOMAN'S WORLD AND WORK....

LILIAN CRAWFORD PERKINS

CON UMORE.

The program promised Grieg and Brahms,
Debussy, Elgar, Schumann, Scott,
The music lover rubbed his palms,
And leaned back to enjoy the lot.
"Piano, viola and cello,"
Said he, "lifeant my soul within."
And by anticipation sifted,
He listened, that is what he heard:

He heard the shuffling tramp of feet
As late arrivals sought their rows,
The slam of many a tip-up seat,
The groans evoked by wounded toes,
He heard the hissing, whispered joke,
The rustling clothes of restless folk
The needless cough, the luckless sneeze,
The stick that slips from slanting knees.

WAR RELICS MUSEUM PLANNED FOR TULSA

W. S. S. Bank Will Be Used Temporarily After Being Removed to City Site on Cincinnati.

A permanent museum for war relics and a lasting memorial to Tulsa's part in the war, was arranged for by Secretary Douglas of the chamber of commerce, and J. Burr Gibbons and D. C. Rose of the Tulsa Historical society before the mayor and city commissioners at the regular session yesterday morning.

The war savings stamp bank, the stucco building at Main and Fourth, is to be removed to city property, between Fourth and Fifth, on Cincinnati, adjoining the new city hall, and fitted up as a municipal museum. This location is only temporary, however, for when the soldiers' memorial is built, after the return of all of Tulsa county's soldiers from overseas, the war museum will be included in the memorial site, according to the plans of the committee.

War trophies, all types of artillery, uniforms, souvenirs of every battle of the world war will be included in the exposition, and will have a singular personal interest in that they were captured by Tulsa men on the battlefields and are lasting evidences of the part this city played in winning the war.

His Answer

The hallway outside the marine recruiting office yesterday morning became a temporary debating center when discharged soldiers from overseas were chaffing each other over the merits of their respective divisions. A marine from the second division happened along, when a jolting voice called out to him:

"Come on, marine, get in the argument. Everybody here is doing press agent work for his own division and one more won't do any harm."

The marine grinned. "No thanks," he said, "guess I'll leave that to the marines press agent."

"Who's that?" asked one.

The marine grew a picture out of his pocket. "Here it is," he announced.

The photograph was a snapshot of a dead German.

Many of them make good reading just from the news and educational standpoint alone.
But more than that:—
Advertisements keep you in touch with the world's progress.
They point the path to little comforts that were unknown in the old days.
They announce the latest styles and tell you where to go to get the most and the best for your money.
They help you to save.
They protect you from fraud.

SOME PEOPLE ARE MISERABLE, HALF SICK, TIRED ALL THE TIME

They Do Not Know What Is the Matter, and Their Physician Cannot Name the Disease.

There are just lots and lots of people who are sick—genuinely sick—yet who manage to drag through their work day after day.

They do not know what is the matter with them and their physician cannot name the disease—that miserable "tired all the time" feeling.

In most cases the real cause of this state of poor health is that the blood is clogged with impurities and the bowels, kidneys and other vital organs are not acting properly. A reliable blood tonic is necessary.

Prescription C-2223 is a blood purifier of unusual merit. It is supplied ready prepared in concentrated form and is taken in small doses. It not only tones up the system and sweeps out of the blood all the impurities that are causing ill health, but also builds up the system.

Prescription C-2223 contains no narcotics, opium, morphine, chloral or alcohol. It was originally the prescription of a prominent physician and used in his practice for the treatment of disorders of the blood.

If you are miserable and have not tried a $1.50 bottle of Prescription C-2223 from your nearest drug store or the Prescription Laboratory, Memphis, Tenn., will mail you a bottle on receipt of price. Clip and mail this advertisement for free literature.
