TULSA AND SIOUX CITY SPLIT EVEN IN DOUBLE-HEADER

TIMELY HITTING WINS LAST GAME

Oilers Bat Offerings of Three Pitchers Hard and Win 10 to 4.

RASMUSSEN IS EFFECTIVE

Holds Tulsa to Five Hits—P. Slattery Pitches Good Ball in Debut.

By LARRY DAILEY.

Batting the offering of three Sioux City pitchers to all corners of the lot, Tulsa won the second game of yesterday's double header, 10 to 4, after dropping the first contest, 2 to 4. The Oilers made only five hits the first game but made up for it in the second by getting 13 safe blows.

Phil Slattery, one of the players secured from Kansas City in the deal for Jess Haines, made his debut before Tulsa fandom and got away to a nice start, although he lost the first game. It was Slattery's first game pitched for several days and he was wild but he showed splendid assortment of stuff, a baffling change of pace and crossfire similar to that of Eddie Plank, being his chief stock in trade.

Rasmussen for Sioux City was effective and after the first inning pitched a brilliant game. He let the oilers down with five hits and it was his single that helped the scoring in the sixth inning.

Tulsa Starts Scoring.

Tulsa started scoring in the first inning. After Wuffli had grounded to Defate, Joe Slattery singled to right. Dilts followed with a crashing double to center, scoring Slattery. Thompson filed to Dilts but when Defate allowed Cleveland's grounder to get by, Slattery counted.

There was no further scoring until the fifth when Sioux City put across its first marker. With one out, Rasmussen, Moran and Defate were passed. Moran scored on Jones' sacrifice fly to Thomason.

Sioux City put the game on ice in the following inning. Walker grounded to Wuffli. Robinson walked and scored on Brokaw's double to center. Eiffert was hit on the head by a pitched ball and Manager Abbott allowed Gregory to run for the Soo sight fielder. Rasmussen singled to left and Brokaw and Gregory scored when Dilts failed to field the ball.

Tulsa never threatened after the second, only five men getting on after that inning.

Second Game.

Checked in adding to their batting averages in the first game the Abbotts secured revenge in the second tilt, hitting in old style form and winning easily.

Al Sparks was the local mound nominee and after having one bad inning, the second, hurled a grand article of ball, holding the visitors to four scattered hits.

Sioux City started the scoring in the first session. Moran singled to left and was sacrificed to second by Defate. Jones grounded to Tierney, Moran going to third, scoring when Walker singled through the infield.

Adding three to their total in the second frame, the Soos looked like repeaters. Robinson singled to right but was caught at second on Brokaw's roller to Sparks. Brokaw stole second and went to third when Slattery gave Eiffert a life by his fumble. Schmidt's grounder to Slattery was handled slowly and Brokaw counted. Eiffert and Schmidt scored on East's double to right.

That hit of East's or the possibility of three straight defeats, probably a combination of both, made a change and Tulsa scored three in their half of the inning. Dilts walked. Thomason singled to right, Thomason was caught at second trying to stretch the hit. Dilts scored on Cleveland's grounder and after Davis had grounded out, Tierney parked the ball over the right wall, counting Cleveland ahead of him.

Add Four in Fourth.

Tulsa added four more in the fourth. Slattery was given a life by Moran's error of his grounder. Dilts singled. Thomason walked, filling the sacks. Slattery was forced at the plate on Cleveland's grounder to Defate. East's wild throw to the plate on Davis' tap counted Dilts. Thomason and Cleveland counted on Tierney's single to right and Manion's sacrifice fly scored Davis.

After Wuffli had fouled to Jones, Slattery doubled to right. Dilts walked. Both counted on Thomason's double to left. Cleveland's double to center, his second of the game, scored Thomason. After the fifth there was no further counting by either club.

The fourth and last game of the series is to be played today starting at 4 o'clock. Salisbury will probably top the hill for Tulsa with Allison serving the slants for Sioux City.

Red Shackelford, third player secured in the deal for Haines is on his way to Tulsa, according to word received by Manager Abbott last night and will probably arrive in time to work Sunday.

TOMMY MURPHY AGAIN CENTER OF INTEREST

Railbirds Wonder Whether Veteran Reinsman Will Equal or Better 1918 Record.

As time approaches for the opening of the Grand circuit racing season the railbirds are wondering whether or not Tommy Murphy, the king of harness drivers, will equal or better his racing mark during the 1918 season when he won 69 out of 161 contests on the major circuit of the harness horse world.

Year after year Murphy has held the center of the stage as a reinsman. If he did not merit the spotlight because of the number of races won he was sure to come to the fore through victories of notable drives in the classics on the big time circuit. Murphy has been beaten but twice for the honor of being the largest money winning driver.

When the season goes start to fore-gure Murphy's standing they are obliged to go through all of the records of the entire circuit. The Poughkeepsie trotting twirl, grand circuit part the same, and when he starts on the big line he is one of two and keeps plugging until the last notch.

Red Sox Trade Barry and Strunk for Roth and Shannon of Macks

NEW YORK, June 26.—Jack Barry and Amos Strunk of the Boston Americans were today traded to the Philadelphia Athletics in exchange for Bobby Roth and Maurice Shannon. Owner Harry Frazee of the Boston team, in announcing the deal, stated that there was no cash involved in the transaction, the trade being made on even terms.

Both Barry and Strunk were members of Connie Mack's famous baseball machine several years ago and their return to the Athletics will be in the nature of a reconstruction, in part, of the combination which was considered one of the best in the history of the professional game. Barry played either short or second, while Strunk is an outfielder. Roth is an outfielder and Shannon a second baseman. The batting averages of the four players, according to the latest statistics, are: Roth .272, Shannon .247, Strunk .268 and Barry .249.
