WANTED REAL ESTATE 89

BIG CROPS IN NORTHWEST TEXAS ON THE NEW LINE OF THE SANTA FE—The Federal Railroad Administration has authorized the construction of the new Stratford branch of the Santa Fe railroad to take care of this year's big crops, which are and promise to be the heaviest ever produced in the Panhandle and Southern Plains country. This will open the rich lands in a wheat and stock growing section of Deaf Smith and Hansford counties in northwest Texas near Oklahoma state line where the first crop has to a good bar of rain paid for the land, and where cattle and hogs can be raised at a low cost. Land is of a prairie character, ready for the plow, no stone, stumps, no brush to be cleared, attractive price on easy terms, climate healthful, rain falls during growing season. Write for free illustrated booklet giving experience and results settlers have accorded in short time on small capital. T. C. Stevenson, 924 Railway Exchange, Chicago, Ill.
