NORTHEAST ROAD IS NEARING COMPLETION

Convict Road Near Delaware and Mayes County Lines to Soon Be Finished.

Tulsa's new outlet to the northeast is nearing completion, according to latest reports from the Chamber of the convict road camp now working near the Mayes County line, northeast of Salina. During the last month and a half the camp has been working on the cutoff on the south side of Sycamore creek, by which it is proposed to connect the state highway of Mayes county with the state highway of Delaware county, thus giving this section of Oklahoma a direct route to Grove, Jay and other Northeastern towns in northeastern Oklahoma.

This new highway leaves the White river road at Salina on the east bank of the Grand river and connects with the Grove road at Grove. It also gives that section of the country a connection with the Jefferson highway at Pryor and with the Albert Pike highway at Muskogee or Tulsa as the tourist may select. Following the completion of the connection where the work is now in progress an earnest effort will be made to put in the earliest connection from Tulsa to the Jefferson highway at Chelsea via Inola, thus reducing the distance from Tulsa to Pryor, Salina and points east nine and one-half miles compared with the road as now in use.

Local tourists through Mayes county report the highway of that county in the best condition, both as to maintenance and construction of any dirt roads in eastern Oklahoma and speak in high praise of the county commissioners on account of their continued and successful use of convict labor.

FINAL PEACE TERMS GIVEN TO AUSTRIA

CONTINUED FROM PAGE ONE

vided by the allied and associated governments in proportions determined upon in advance on a basis of general equity.

The Austrian section of the reparations commission shall include representatives of the United States, Great Britain, France, Italy, Greece, Poland, Rumania, the Serbo-Slovene state and Czecho-Slovakia. The first four shall each appoint a delegate with two votes and the other five shall choose one delegate each year to represent them all.

Pay for Sins on the Seas.

Withdrawal from the commission is permitted on 12 months' notice.

Austria, recognizing the right of the allies to ton-for-ton replacement of all ships lost or damaged in the war, cedes all merchant ships and fishing boats belonging to nationals of the former empire, agreeing to deliver them within two months to the reparations commission. With a view to meeting good the losses on the river Danube she agrees to deliver up 20 per cent of her river fleet.

The allied and associated powers require and Austria undertakes that, in part reparation she will devote her economic resources to the physical restoration of the devasted areas. Within 40 days of the coming into force of the treaty the governments concerned shall file with the reparations commission lists of industrial machinery, livestock and other articles destroyed by Austria and which the governments desire replaced in kind, and lists of the materials which they desire produced in Austria for the work of reconstruction and which should be delivered in the light of Austria's ability to deliver them.

BIG RECEPTION FOR OKLAHOMA NEGROES

Elaborate Plans Made When Oklahoma Boosters Stop in Tulsa En Route to Kansas City.

Colored people of Tulsa have arranged the most elaborate reception ever staged by colored citizens of this city for the Oklahoma boosters, who stop here Tuesday on their way to Kansas City, Mo., to attend the annual convention of the Western Negro Press Association, of which F. A. Stockbridge, editor of the Tulsa Star, is president.

No less than 1,000 citizens from all parts of Oklahoma will be in Tulsa Tuesday for the reception to be held in Convention hall. Mayor A. H. Hubbard will deliver the address of welcome. J. C. Johnson of Wewoka will deliver the response. The speaking program includes some of the finest orations of the middle West, interspersed with several musical selections and an aesthetic dancing number. The meeting will close with several plantation melodies.

"A cordial invitation is extended to the white people of Tulsa to attend the meeting," said President Shutherman last night. "A section of the auditorium will be reserved for them and we believe they will find the affair very enjoyable."

Tuesday morning the party of negro boosters will leave in 30 automobiles on the trip to the convention in Kansas City. Delegations of colored people from all over Oklahoma, Kansas and Missouri will attend the meeting and a large party will be there to represent Tulsa.

TWO FRENCH CABINET POSTS ARE CHANGED

Food Administrator and Minister of the Liberated Regions Are Ousted Following Criticism.

By the Associated Press.

PARIS, Saturday, July 19.—It was announced in the lobby of the chamber of deputies this afternoon that not only will Victor Boret be succeeded by Joseph J. de Nouden as food minister, but that Albert F. Lefebvre, minister of the liberated regions, will be succeeded by Senator Charles Jonnart, now governor of Algeria, taking Jonnart's post.

This change is supposed to be due to criticisms of the slowness with which the government is solving reconstruction problems.

Some of the deputies who voted against M. Boret are supporters of the government on general policies and would vote differently on an issue upon which the fate of the whole cabinet would depend. M. Nouden's great popularity in the chamber is also an element of strength. Nevertheless the current is said by some experts to be running strongly against the cabinet on financial and general economic policies.

DARK HORSE IN TULSA AD CLUB' PROGRAM TUESDAY

Mystery surrounds the program of the Tulsa Ad club which will meet for its regular noon luncheon Tuesday. The only information on the menu scheduled is that the program will be rendered by "A Dark Horse," according to the regular announcement of the meeting mailed to members by Secretary E. A. Guise.

In addition to the deep dark mysteries that the members are looking forward to with great curiosity, it is an open secret that the National convention of Associated Advertising clubs of the world which meets in New Orleans September 21 will be discussed at the meeting. A number of Tulsa men are expected to attend the convention.

Upon motion of Commissioner W. L. North the following resolution was passed:

Resolved, Whereas, the state highway commissioner has promised to aid Tulsa county in constructing its system of improved roadways by recommending that the sum of $500,000.00 federal aid be granted to said county, and

Whereas, the proceeds of the bond issue voted for the purpose of building these roads is insufficient to complete the proposed system within said

Now, therefore, be it resolved by the Board of County Commissioners of Tulsa county that under such system of roads to be built with the aid of the federal government, the maintenance of the same will be well and promptly done by the County of Tulsa and that as much as necessary to properly perform such work of maintenance will be expended each year from the county road maintenance fund of said county, which fund amounts to $125,000.00 for the fiscal year ending June 30th, 1919, and which amount the law governing the estimates can be only estimated as equal to that amount for the fiscal year ending June 30th, 1919.

Passed and approved this 29th day of May 1919.

A motion was made by W. L. North and seconded by C. E. Suppes that the section line between sections 34, Township 20, Range 12, and Section 4, Township 19, Range 12, be and is hereby declared open for public travel, and the township road commissioner be and is hereby instructed to grade said roadway for public travel, by order of the Board this 2nd day of June, 1919.

Upon motion of Commissioner W. L. North, the following resolution was passed:

Whereas, The state highway Commissioner has promised to aid Tulsa County in constructing its system of improved roadways by recommending that the sum of $500,000.00 Federal Aid be granted to said County, and

Whereas, the estimated cost of building said system of highways comprising 76 miles as set forth in the plans for said work, is $2,148,932.40, and

Whereas, the Secretary of Agriculture of the U. S. before granting Federal Aid to any County or State requires that a showing be made that the County or State has or will have sufficient funds, including the amount of Federal Aid recommended to carry through said improvement and finish same, and

Whereas the County of Tulsa now has available from sale of Highway bonds the amount of $1,700,000.00,

NOW THEREFORE BE IT RESOLVED, that there is hereby set aside solely for the purpose of consummating of said system of improved highways, the sum of $1,700,000.00 or as much thereof as may be necessary.

I Certify that the above is a true and correct copy of the minutes of the Commissioners of Tulsa County, Oklahoma.

Done at Tulsa, Oklahoma, May 20th, 1919.

SEAL.
