WILHOIT BREAKS HITTING RECORD--TULSA LOSES DOUBLEHEADER

GREGORY BAFFLES TULSA'S BATTERS

Pitches and Wins Both Games of Sunday's Double-Header.

TEAM HOME AFTER TODAY

Returns Tuesday for Stay of Seven Days—Oilers Drop in Standing.

WICHITA, Kan., July 27.—Joe Wilhoit, center fielder on the Wichita Western League club, today broke the world's record by securing hits in 46 consecutive games. The previous record was held by Jack Ness, Oakland club in Pacific Coast League, who hit in 45 consecutive games in 1915. Wichita fans presented Wilhoit with a purse of $100 that day in appreciation of the feat.

Wilhoit, who was with the New York Giants last year, came to Wichita from Seattle, Pacific Coast League, in May. He started his hitting streak on June 14 and since that time has secured a safe hit in every game played. In the 46 games he secured 103 hits in 197 times at bat, an average of .522. In 27 games he secured more than one hit. His record, including three home runs, six triples and 12 doubles.

Wilhoit's record is not yet ended, as he hit in both games of a doubleheader today and has a chance to add to the number of games in which he has hit.

While Wilhoit was making baseball history, Wichita added both games of a doubleheader to her scores today, defeating Tulsa 4 to 2 and 1 to 1. Gregory pitched both games for the home team. The locals had some trouble with Vangilder in the opening combat, but they hit Payne hard in the second, scoring 14 runs on 21 hits. In addition to doing ineffective hayne he (sic) gave nine base on balls.

The final game of the series will be played Monday afternoon. Tulsa departs for home for seven games.

Big Crowd Attends.

Wichita turned out the largest crowd in several years for the game and more than 3,000 fans witnessed the game.

The first game was the best playing game of baseball that has been seen here for some time. Both teams played brilliant ball back of their hurlers and the few errors were excusable and failed to count against the Witches. Both Vangilder and Gregory were in rare form and only a well placed double by McBride in the seventh gave the visitors their Witches. Both Vangilder pitched a game that would have won in ordinary cases but the locals were not to be denied a victory and bunched their hits well enough to win.

The second game was a walk away for the Witches. Hayne had nothing to guess the local batters while Gregory, who was sent back, pitched an even better game than in the first contest, until the late innings when he let down. And allowed a run in the ninth. Manager Abbott announced that this game would be protested as he claims Gregory was using illegal means of fooling the Tulsa batters.

Slattery Gets Homer.

Slattery's homer with none out in the fourth gave the Oilers a lead in the first game. Wichita tied it up in the fifth on hits by Berger, Marr and Gregory. Both teams threatened at times but tight pitching in the clutches saved scoring. The Witches won the game in the seventh. Marr walked and Gregory sacrificed. Wilhoit was an easy out and Washburn was passed to get McBride. McBride got a double on a fall fly ball inside the left field foul line and scored two. Mueller's single scored McBride. Gregory let up slightly in the ninth and allowed one run. Slattery reached first on an error and stole. Cleveland flied out and Davis came through with a upward Slattery counted. Tierney ended it with an easy grounder.

The Wichita pounded Bayne hard in the second game and secured eight extra base hits, one of them a homer with two on by Yaryan.

Gregory shut out the Oilers until the fifth frame when hits by Tierney, Cleveland and Manion counted one run.

TEARNEY CHARGES MAJORS WITH BREAKING FAITH

CHICAGO, July 27.—A. R. Tearney, president of the Western and Three-I leagues and chairman of a special committee representing the National association of Minor leagues, tonight charged the National league with breaking faith with the minors in regard to drawing up a new agreement to take the place of the so-called national agreement which is being ineffective, bayne hit three and gave nine base on balls.

The final game of the series will be played Monday afternoon. Tulsa departs for home for seven games.

CLEVELAND, July 27.—In the finals of the Ohio state—Ohio, Indiana and Kentucky—championship tennis doubles here yesterday, Fred Alexander of New York and R. Howard Voshell of Brooklyn easily defeated their younger and less experienced opponents, Axel Gravem and Robert Kinsey of California, in straight sets, 6-2, 6-4 and 6-1.

The Californians took the aggressive at the start, but Alexander and Voshell soon tired them with long lobby shots to the far corners of the court and hard smashes near the net. R. Lindley Murray of Niagara Falls, N. Y., national tennis champion, defeated Ichiya Kumagawa, champion of Japan in an exhibition contest on the clay courts here today, 4-6, 6-2, 7-5, 0-6, 7-5.

Reds Advance to Within One Game of Top by Double Win

NEW YORK, July 27.—No change in leadership took place in either major leagues last week, in the American, Chicago gained a half game on Cleveland, increasing the lead to six games and retaining this lead today as both teams lost. New York dropped further to the rear.

In the National the pace set by New York was met by both Cincinnati and Chicago. The Reds crept up to within one game of the lead with a double victory today over Pittsburgh while New York was defeating Boston. Through the addition of their pitching staff [illegible] and Douglas obtained from Chicago for Outfielder Robertson, the Giants hope to outdistance their rivals.

Good pitching featured the National league struggles last week, one-half of the 18 games being shutouts.

New York defeated Cincinnati in the only game played in doubt important series, when Pitcher Fowler won the game with a home run. The Reds offset this victory by taking three straight from Pittsburgh, while the Giants lost one of three games with Boston. Ring allowed the Pirates two hits Friday. Toney blanked Boston Friday, but lost the game Saturday. Braves ended the Giants winning streak at seven straight on Saturday.

Chicago figured in five consecutive shutouts, including Alexander's four-hit victory over St. Louis today. Alexander and Douglas each allowed Brooklyn five hits in Wednesday's doubleheader and Vaughn held St. Louis to two hits Friday. Jacobs of the Cardinals turned the tables Saturday, yielding only four hits to the Cubs.

A thrilling battle last Monday was won by Boston, when Relief Pitcher Ellington allowed St. Louis no hits in the final six innings.

Pitchers Kerr and Cheeta shared in the credit of winning two contests for the Chicago Americans.

In addition to its setback at Chicago, New York dropped two games out of three at Boston. Rolly Hemsley in Thursday's contest with his fifteenth home run of the season. Five pitchers were used by the Yankees in winning Saturday's game.

The leading contest of a five-game series between Philadelphia and Washington was won by Philadelphia today. Walter Johnson shut out the Athletics Thursday for the third time this season.

CINCINNATI, July 27.—The Reds won both games of the doubleheader with Pittsburgh today before the largest crowd of the season. In the first game Sallee was hit hard, but received fast support, while the Reds helped him generously off Cooper, who was relieved in the seventh by Majer.

The second game went only three innings, being the continuation of the game of July 9, which was called at the end of the sixth inning to allow the Reds to catch a train for Boston. The New York club protested this game on the ground that it should have gone nine innings, and President Heydler allowed the protest directing the two teams to play the last three innings today. The lineup of the clubs was the same as that of three weeks ago, except that Barnhart took Wingo's place behind the bat for Cincinnati and Lee caught for Pittsburgh with Barbare at third instead of Caton.
