OKLAHOMA CITY TAKES FIRST OF SERIES FROM TULSA, 6-5

THREE PITCHERS USED BY OILERS

Oklahoma City Secures 13 Hits While Tulsa Gets 10 Safeties.

SCORE IS TIED UP IN NINTH

Indians Come Back in Tenth, However, and Score Winning Run.

And still defeat pursues them. Coming home from their long road trip, the last for games of which dates now lift Wichita from far down to tie up in the league standing, the Oilers yesterday tried hard to handle the Oklahoma Indians but with success in sight during the closing innings they found what proved to be insurmountable for them when Oklahoma City which pushed around the decisive tally of a 6 to 5 score in the ninth stanza.

Here and the Tulsa lost five straight to Wichita they might not have lost to Oklahoma City yesterday. Despite the fact that the Indian boys got just here in an effort to stop the demonstration, and in the first party of the day, during which time they displayed a lack of confidence in themselves that aided the visitors in piling up scores. Later on they braced, and fighting desperately behind Shackleford they looked more like the winning club which sprinted headed northward when they departed on their long northern invasion.

It was a free hitting game, with three pitchers falling on the rubber for Tulsa. Dennis of Oklahoma City lasted the entire game, but was in distress several times.

Useless Protests.

Despite the closeness of the score and the extra inning necessary to decide the game, it was not interesting baseball. Frequent disputes of decisions by Oklahoma City players and dilatory tactics forced the contest over the two hour limit.

Oklahoma City was the first to score. After getting by in the first inning Salisbury weakened in the second. Pete Adams, first up, tripled to left. Griffith singled, scoring the star first baseman. Benson followed with another one-base swat to right, sending Griffith to third. Griffith fouled to Manion. Spreitzer lifted to Burke, who made a nice catch and threw to first to snap Benson. Slattery allowed the ball to get past, Griffin counting and Benson going to second. Dennis was walked. Benson counted the third run of the inning when Lindamore sent a Texas leagger to right.

Tulsa came back in her half and shoved one across. Dilts bounced one to Dennis and beat the pitcher in a race for the initial sack. Thinking the runner had been called out on a protest at the decision, Dennis hurled the ball into right field, Dilts going to second. Cleveland popped to Benson, but Davis singled to right, scoring Dilts.

Salisbury is Derricked.

The fourth saw Oklahoma City add two more and resulted in Salisbury being sent to the showers. With one gone, Griffith singled to right. Spreitzer, youthful third baseman, then parked the ball over the right field wall.

Three were made by Tulsa in their half and it looked curtains for Dennis. However, the big pitcher was effective in the pinches thereafter and with the exception of the ninth, did not permit a run. After Slattery had struck out, Dilts was walked. Cleveland's hit was too hot for Lindamore to handle and all hands were safe. Davis secured his second hit of the day, a crashing hit to the right field wall, scoring Dilts and Cleveland. Tierney's single through second counted Davis. Manion singled to right, sending Davis to second. With two down, it looked bright for the locals' hopes, but O'Brien, batting for Salisbury, hit into a double play, Spreitzer to Benson to Adams.

There was no further scoring from the fourth until the ninth. Shackleford, who succeeded Salisbury on the rubber, was effective, while Dennis pulled out of tight places.

With one out in the ninth, Manion doubled to left. Vangilder, batting for Shackleford, struck out. Burke lifted back to first base and when Adams dropped the ball, Manion counted the tiding run. Roche ended the inning by grounding to Lindamore.

Won in the Tenth.

Oklahoma City lost no time in wishing it, counting one in the tenth and holding the Oilers scoreless in their half. Adams was hit by a pitched ball after Falk had fanged. Griffin singled to right, Benson followed with a single to left and the bases were full. Adams was run down between third and the plate, Manion and Cleveland making the put out. Griffith's single to right counted Griffin with the winning tally.

Tulsa went out in order in her half, two Oilers striking out. Vangilder, who pitched the last inning, is charged with the defeat.

The second game of the series is to be played today, with Doyle or Barham as Tulsa hurlers.

DAILY DOPE

By Larry Dailey

Intersectional series were started in the major leagues yesterday though not all teams play until today. Eastern National league clubs invade the west, with western American teams playing in the east.

It looks very favorable for western clubs in both leagues at this writing. Three western clubs in the American, Chicago, Cleveland and Detroit, bettered their standing materially in their last games with the east, while St. Louis held its own. Continued success by western clubs, especially those in the first division, will probably be shown.

Western clubs have also a preponderance of strength in the National, though by a close margin. Three western teams are in the first division in the National. The Giants are the only easterners to show pennant winning class, while Cincinnati and Chicago of the west, the former in particular, are strong pennant possibilities.

Artie Fleming, of Bardstown, Tulsa or Kansas City, whichever it may be defeated Jimmy Minor of Memphis in a 10 round go. Artie is boxing as good as ever now and the army life seems to have agreed with him.

Despite a report in a paper around the Western wheel that Hubert Dennis of Oklahoma City has been traded, the big right hander is still sitting on the mound for the Indians.

Willie O. Loughlin, Bethlehem, Pa., boxer and one of the most popular scrappers ever show here, decisively won from George Chip at Buffalo last week. Loughlin conceded 12 pounds in weight but despite that handicap gave the record New Castle man a beating, holding his own in slugging and outfoxing Chip.

Western Racqueters Near Fifth Round in Kansas City Tourney

KANSAS CITY, July 29.—Contestants in the men's singles were nearing the fifth round at the close of the second day's play in the annual western championship tennis tournament, with the favorites, as in the opening day, showing fine form and disposing of their opponents with little trouble.

A feature of the early day's play was the match between Irwin Jones of St. Louis and H. E. Woods of Chicago. The St. Louis star dropped the first set but won the next two sets, 6-1, 6-4.

Play in the first round of both men's and women's doubles started today. Miss Margaret Dyer of St. Paul and Miss Carrie Reedy of Chicago, ranked as the leading women tennis players of the west, arrived today.

LONDON PROMOTER OFFERS DEMPSEY $175,000 PURSE

LONDON, July 29.—Jack Curran, fight promoter, declared today that he is prepared to offer $175,000 to Jack Dempsey if he will meet the winner of the Carpentier-Beckett bout here September 3.

Callaghan said he had secured a building to seat 22,000 spectators and would deposit the money as soon as Dempsey signed articles.

Tom Cowler to Box Black Jack Johnson in Monterey, Mexico

BUFFALO, July 29.—It's to be Tom Cowler, not Porky Flynn, against Black Jack Johnson for 20 rounds at Monterey, the capital of Nuevo Leon, Mexico. The Commercial announced yesterday that Porky Flynn would fight the ex-heavyweight champion in the land of bandits on July 27. This was the original plan, Johnson and Flynn had the best box been matched about and Cowler will take Flynn's place.

"I'll tell you how this happened," said Al Lange, manager of Cowler. "Johnson is promoting the show himself. Flynn was engaged to meet Johnson on July 27. But Flynn evidently didn't care to risk his hide with the Mexican bandits. So Johnson wired for me and asked if I'd choose Cowler instead. I wired back yes, and Johnson sent us transportation and expense money. So Cowler will fight Johnson in place of Flynn, but not on July 27. Tom Rice been set at East Pembroke with Matt Wells and Bill Heavens for weeks, or since the night he boxed one Round Davis. Tom will leave for Monterey on Thursday night, but he wouldn't get there until Monday, if he takes on some and doesn't have any bad luck. So I set sail for Buffalo to be held on July 27. I suppose it will come off Monday week, maybe sooner, and we can see what Cowler will do to Johnson."

Lange left over the Canadian Pacific with his protegee, Willie K. O. Loughlin. Al will not accompany Cowler to Monterey, which indicates that Al too has a dislike for Mexicans and the country out there. Joe Woodman of Buffalo will be Cowler's chaperon.

THREE FIRST CLUBS IN BIG SERIES CUT

Players on Leading American and National Clubs to Share in World Series Money.

CINCINNATI, July 29.—The national commission announced today that the eight members of both the National and American leagues had voted favorably on a new plan for distribution of the players' share of the world's series, whereby players of the first third in each league will participate in the division of the money.

Sixty per cent of the war tax receipts for the first four games will go into a pool which now is represented by 60 per cent of the players' share of any fifth game played between the teams finishing second and third in both leagues. Seventy five per cent of this pool will go to the teams participating in the world's series, 40 per cent of this to the winner and 35 per cent to the loser. The remaining 25 per cent of the pool will be apportioned between the second and third teams in each major league, 50 per cent thereof to go to the players of the team finishing second and 40 per cent to the teams finishing third.

In calling a telephone number it is necessary to give the prefix "orange" or "cedar" as shown in new directory.—Advt.
