OILERS RAINED OUT; LEFTY BAYNE SOLD TO BROWNS

SALE OF PITCHER NOT A SURPRISE

Youthful Southpaw Has Been One of League's Leading Hurlers.

DOUBLE HEADER ON TODAY

Des Moines and Tulsa Play Two; Abbott Signs New Pitcher.

Special to The World.

PERRY, Iowa, August 13.—The Tulsa-Des Moines game, transferred here from Des Moines, was postponed today because of rain.

William "Lefty" Bayne, star pitcher of the Tulsa Western league baseball club, was sold to the St. Louis American league club yesterday, according to word received from Manager Spencer Abbott from Des Moines. Bayne will not report to the Browns until the close of the Western league season.

After joining the Oilers a few days after the start of the schedule Bayne easily established a reputation as a splendid hurler, one with big league capabilities. Veteran players and umpires have declared the youthful southpaw has every requisite necessary for a winning pitcher and that with proper handling, he will make good in the big top. Bayne, on some occasions, has been bothered with wildness, but his control, on the whole, has been very good. Bayne's pitching the past month has done much to keep the Oilers up in the race.

Averages released last Sunday credit Bayne with nine victories and six defeats for a mark of .600, 100 points higher than the club average. This record, however, does not justify his work as every club uses its best pitchers against "Lefty." In addition to his hurling, Bayne is a hard hitter and fields his position well.

Bayne has just passed his majority, is a quiet, modest fellow and intensely popular around the western wheel, with fans, players and umpires.

It is probable that the entire Des Moines-Tulsa series will be transferred to Perry, Iowa. Yesterday's game was to have been played in that city. A double header will be played today.

Pitcher A. M. Holtshauser was signed by Abbott yesterday and will join the club at Wichita. No word regarding the new slabman was sent by Abbott, except that he should be an aid to the club in the last lap of the pennant chase.

AKRON SEEKS BERTH IN AMERICAN ASSOCIATION

TOLEDO, Aug. 12.—Efforts are now being made to organize a club in Akron, Ohio, which will seek a franchise in the American association next season, and if the project is successful, Hans Wagner, it is said, will pilot the team and partly control the stock in the club. Wagner, since his retirement from baseball, has devoted his time to chicken raising at his home in Carnegie, Pa., but it is reported that the famous old slugger longs for the stress and strife of a pennant fight and that he is eager to get back into the game. Wagner never has had any managerial experience, but he is a past master of the art of baseball in all its phases and undoubtedly would be a good man to lead a club.

"Red" Doolin Resigns Job.

READING, Pa., Aug. 12.—Manager Charles S. ("Red") Doolin of the Reading International league club has resigned and Second Baseman Mike Doolan and Utility Player Jimmy Walsh have been released.

Doolan, batting at a .311 clip, may sign with Newark and Walsh with Toronto. Charles Keicher, business manager and scout, will have charge of the team the remainder of the season.

Fight for Bantam Title.

Joe Lynch, the west side bantamweight, who gained international fame in his two bouts with Jimmy Wilde, England's sensational boxer, will get a chance at the bantamweight championship title Labor day, when he is scheduled to box Pete Herman of New Orleans, the titleholder. The contest will be promoted at Waterbury, Conn., under the auspices of the army, navy and civilian boxing board of control. Joe Mulvihill of Danbury, Conn., has arranged the bout.

RED PITCHERS ANXIOUS TO HELP WIN PENNANT

CINCINNATI, Aug. 12.—"Speaking for all pitchers," says Slim Sallee of the Reds, "I'll say that we are willing, yes, anxious, to work overtime both at home and on the last eastern trip. You can't win anything without working for it. I don't remember that I ever pitched both halves of a double header, but I am willing to if I am going well, because any time one pitcher gets away with two games in a single afternoon, it gives his club a big boost and makes it easier for the remaining pitchers. I know that the others think the same way, and you can count on us taking more than regular turns, if need be, and never murmuring."

"I'll work both ends of a double header any time Pat asks me, too," says Hod Eller. "Man's the time I felt better and stronger in the ninth inning than in the first, and I'd tackle any club for two games if I was going well as the first one ended. Hope I get a chance to make good on that proposition, that's all."

"I repeat," says Huether, "as I have often said, that I want to face the tough clubs. Give me a little more than my share of the Giants, and I'm satisfied. Wish we had a flock of games with New York on the home grounds, and that I could get three or four whacks at them."

HARRY GREB IS VICTOR OVER "TERRY" KELLER

DAYTON, Ohio, Aug. 12.—Terry Keller, Dayton, who was a sparring partner of Jack Dempsey, was easy for Harry Greb, Pittsburgh, in their 15-round go before the Miami Athletic club last night. The 10 rounds between Tommy Garry of Dayton and Eddie Mullen, Muncie, Ind., ended by the local lad stopping the Hoosier in the second round.

GRACE DIRECT VICTOR OF BELMONT FEATURE RACE

PHILADELPHIA, Aug. 12.—Grace Direct, the speedy daughter of Walter Direct, won a hollow victory in the $2,000 stake for 2:04 pacers, the feature of the opening day of the third annual Grand Circuit meeting at the Belmont Driving club's track at Narberth today. The race had only three starters and was decided in straight heats.

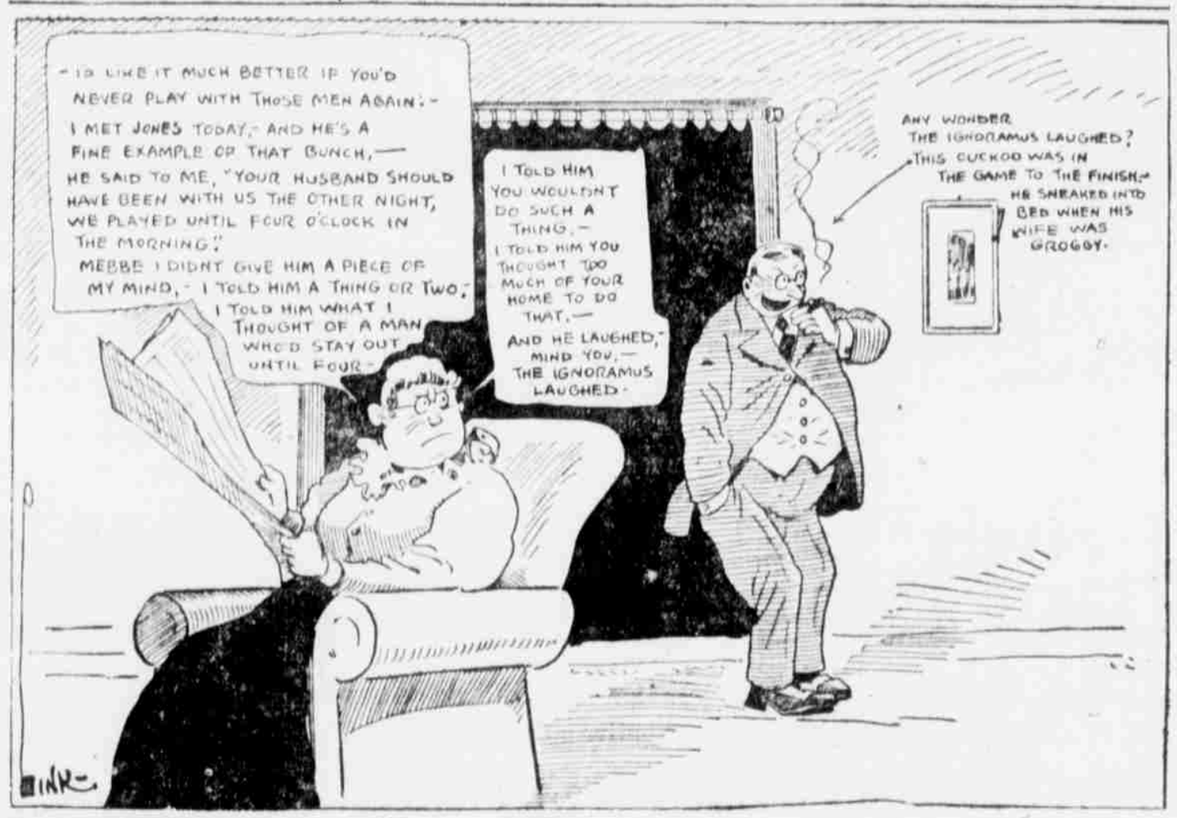
The 2:14 pace went four heats and furnished the best contest of the day. Ed Geers' Homefast, driven by Ben Walker, won the opening heat, Prince Pepper the second and Harper the third. The three heat winners met in the fourth heat, which Harper won easily in 2:12¼.

The 2:24 trot, for the A. B. Mathews cup and a purse of $1,000, furnished good racing. Oscar Wilde took the first heat from Hollywood Kate, which got off to a bad start, but Dodge's mare easily outclassed the field and captured the next two in close finishes.

Marine Makes New Record.

CALDWELL, N. J., Aug. 12.—A record of 45 consecutive "bullseyes" at 600 yards, without telescopic sights, was made here today by Corporal Clarence P. Kennedy of the marine corps rifle range detachment, Quantico, Va., in the members' match of the National Rifle association. Although a perfect score consisted of only 10 "bullseyes," Kennedy continued shooting until he made a "four" on the 45th shot. He averaged three shots a minute, a speed record for the match.

"THAT LITTLE GAME" — If Wifey Only Knew



Daily Dope By Larry Daileyⁿ

Major league intersectional tilts are resumed today, with western National league clubs opening in the east. Eastern American league nines get off in the west tomorrow. This is the final invasion of the east by western National clubs and the last trip in the west by eastern Americans.

Of great interest in the National league will be the play of the Cincinnati Reds and New York Giants. These two clubs appear to have outclassed the field and on the result of the games in the east may depend the probable standing. The Reds open a three-game stand at New York today and record crowds are predicted. If the Morans take two or are able to win one and make a creditable showing in the other two, then their prospects will be brighter than those of the Giants.

Outside of Gotham and a few veteran Giant rooters, the Reds are the popular favorites. There are several reasons for the popularity of the Morans and the disfavor of the fans toward the Giants. John McGraw is not a popular hero, while Pat Moran, on the other hand, is liked by all. Then, the methods of the Giants, such as buying stars from other clubs, has not made them public choice. The fact that the Reds have never won a pennant in the new National league and the long record of victories for the Giants, has also made the Reds favorites.

In the American, interest will be centered on at least five clubs, with another sharing a margin of interest. Chicago, New York, Cleveland and Detroit all have a chance at the bunting, with St. Louis capable of making trouble. Boston, too, is a hard team to beat.

The New York Yankees, the only eastern club, will undoubtedly find the going hard. The Yanks must meet the four western nines, all of whom are in the pennant race, on their own ballwicks, while the western clubs should win the majority of their games with comparative ease.

The Yankees can't afford to let up in their play throughout the entire trip, as all the four opposing clubs will be in there to give their best, which is as good or better than that offered by the hill toppers.

It's about a 50-50 break in the National league, though even here the western clubs have a slight edge. Cincinnati, Chicago and Pittsburgh offer capable resistance to the New York, Brooklyn and Philadelphia attacks. Boston and St. Louis are not dangerous.

Bert Kennedy Asked to Return as Coach of Kansas Athletics

LAWRENCE, Kan., Aug. 12.—A boom for the return of Dr. Bert Kennedy to K. U. as athletic manager has been started by the University of Kansas faculty and is gaining popular support among the students here. Registrar George O. Foster and Doctor Kennedy made a trip to Topeka to see the state board of administration concerning athletic matters here Sunday, but will give out no information. Dr. W. N. Wilson of the board says that action can't be taken until the board gets together in a few weeks.

Doctor Kennedy, Registrar Foster, Band Leader McCaniel, William McKeever and Professor Baumgartner left for Kansas City today and it is understood that they will try to collect the support of prominent K. U. alumni for the Kennedy boom. Kennedy has made no application for the position. Alpha Brownage, captain of the eleven here in 1903, is also one of the men mentioned for the place along with Bill Caldwell of the all-victorious team of 1908. Brighton prospects are booming daily and things will be well under way when the managerial question is settled.

Special to The World.

PAWHUSKA, Okla., Aug. 12.—Claim to the state independent baseball title is advanced by the Pawhuska baseball club, under the management of G. W. Wilson, third baseman and former Western leaguer. Thirty-two games have been played by Pawhuska this year and only one defeat was suffered, that at the hands of the Oklahoma City Western league club, in a 12-inning game, 3 to 2.

Several leading semi-pro clubs of Oklahoma have been played, including Bartlesville, Chandler and Pawnee. The Bartlesville Empires were defeated five times, Chandler twice and Pawnee, with Yellow Horse pitching, twice.

Pawhuska will play any independent club in the state, either here or on foreign fields, and especially desires a game with Ollton. For challenges, address G. W. Wilson, Pawhuska, Okla., or phone 286.

PETE ADAMS TRADED TO COLUMBUS TEAM

Two Pitchers Secured By Holtzman—Al Sparks, Former Tulsa Pitcher, Joins Indians.

Special to The World.

OKLAHOMA CITY, Aug. 12.—Realizing that the strength of its pitching staff must be [illegible] if the Indians are to [illegible] the race, Owner Jack Holtzman announced that he had traded Pete Adams, first baseman, to the Columbus club of the American association. Two pitchers, who [illegible] announced later, will come to Oklahoma City as a result of a trade that sends Adams to Columbus [illegible] pany.

Adams, a young player who combined a natural aptitude for the base play with a fine throwing arm and ability to hit, was the best performer on the Indian roster, and if he continues improve seems destined for a trial in the majors. However, he had [illegible] pitchers badly and was traded to Columbus to bolster the Indian slab corps.

Griggs to First Base.

Griggs, who has been in right field, will play first base for the present while Pitts, who reported to the team at Omaha Sunday, will be sent to the vacant post in the outfield and will top the batting order. Pitts is a clever lead-off man, fast on the paths and an excellent fielder. With Pitts in the lineup, Lindmore, who has been leading off, will be dropped to a lower batting berth, a place which should help the Indian offense as Lindmore has been hitting the ball more consistently than any other member of the team.

Pitcher Sparks, who was with Oklahoma City last season and was until recently with the Tulsa team, has been signed and will report to the Indians today at Sioux City. Another hurler is expected to join the team at Des Moines.

Two Pitchers May Go.

At least two of the present members of the pitching staff may not be with the team when it reaches home. Ramsey, the Newkirk recruit, has won his two starts with Oklahoma City and probably will be retained. Applegate and Stoner are the only hurlers that are likely to be sent away, as neither has been able to win consistently for the Indians recently, though both have stuck flashes of excellent form. If Stoner goes, Holland will keep a string on him, as the youngster appears to need only experience to make him a winner in Class A company.

Mays Hearing Postponed.

NEW YORK, Aug. 12.—At the request of attorneys representing President Johnson of the American league, counsel for the New York club agreed today to postponement until Friday of arguments on a motion to make permanent a temporary injunction restraining Johnson from depriving the Yankees of the services of Pitcher Carl Mays. Argument was to have been heard tomorrow.
