McALESTER SUGAR IS LOWERED

Wholesalers Voluntarily Reduce the Price to Retailers

Special to The World.

McALESTER, Aug. 14.—Wholesale grocers in McAlester announced today that they have lowered the price of sugar for retailers, voluntarily having followed the procedure adopted in Oklahoma City by state wholesalers after a conference with state officials and announcement that the state had purchased a car of sugar for distribution at cost.

The price reductions put post-war sugar at $9.96 and $9.98 per 100 pounds or a profit of 25 cents per 100, the dealers say.
