DISCHARGED NEGRO SOLDIER KILLED BY ARKANSAS MOB

PINE BLUFF, Ark., Sept. 4.—Clinton Briggs, aged 26, a discharged negro soldier, was shot and killed by a mob of 20 men, three miles south of Star City, Ark., Monday afternoon, according to belated reports received here today. He was accused of having insulted a young white woman, when he met her near her home. Reports of the circumstances of the negro's death vary. One said he was marched down the road by the mob, but before a tree was reached, shots were fired in his back, killing him. The body was left at the roadside. At an inquest at Star City yesterday, a coroner's jury found that Briggs came to his death by gunshot wounds inflicted by unknown persons.
