WOMAN'S WORLD AND WORK . . .

LILJAN CRAWFORD PERKINS

Great souls forgive not injuries till they
Shine
Till those that put their enemies into their place
That they may show forbearance in their race.

—Taylor.

Let us be more kind to our friends. Each man should remind another that life is short.

In offices of love, how we do trifle!
Life's
Each day is a Golden, in our share of woe.

—Moore.

40 YEARS ON THE JOB

I put in 10 years as a practical druggist trying to fill Allen's Lung Balsam and compounded it according to the formula. The Blood is the source and center of life. I would not recommend any medicine that I did not believe was equal or superior to any other. I have served the effect of Number 40 on thousands of cases and can say it generally gives good results. For a good tonic, I recommend it. For coughs, bronchitis, influenza, pneumonia and all troubles that arise from catarrh, weakness and run-down condition. There is none so good. Used in the world. Does not contain blood medicine. Sold by all druggists. Mendenhall, Evans & Co., Wholesale Agents, Dallas, Texas, and recommended by Kennedy Bros.—Advt.
