OILERS WIN TWO FROM BOOSTERS--LAST OF SERIES TODAY

Effective Hurling and Three Home Runs Net Victories

Davis Hits for Circuit Twice in First While Bayne Holds Des Moines

CLEVELAND GETS HOME RUN

Smash Over Scoreboard Is Start of Rally; Bennett Easily Wins.

By LARRY DAILEY

Lefty Bayne, Yank Davis, Joe Bennett, Harney Cleveland and teammates defeated Des Moines in two games yesterday and thus kept the Oilers within one game of the second place Wichita club. The scores were 4 to 2 and 8 to 4.

Despite the intense heat, both games were well played, lots of spectacular fielding and hard hitting occurring both contests. Because of the humid weather only seven innings were played in the second game.

Davis and Bayne were the main factors in the first victory. It was Yank's home run in the sixth that tied the score and his second circuit blow of the game, a terrific hit over the center field fence, that scored Cleveland ahead of him in the eighth and gave Tulsa victory.

With Davis and other Oilers doing their share on the attack, Bayne pitched brilliant ball, letting the hard-hitting Boosters down with four hits and passing but one man. After the fourth inning only one hit was made by Des Moines, the Boosters never threatening.

Harney Cleveland emulated Davis' example by parking the ball in the third inning, over the scoreboard, with Nagle on second, and though Tulsa easily won, that circuit clout was the turning point of the game and with Nagle's double marked the start of an inning of hard and timely batting in which six runs and five hits were made.

After permitting one run in the first by a hit and an error, Bennett was not scored on thereafter and with the long lead established by the Oilers was an easy winner. In the sixth, two successive singles were made by Des Moines, but Bennett tightened, striking out Milan and Walker and causing Graham to be forced at second on an easy roller to Wuffli.

Des Moines scored first in the first game, getting one run in the fourth and fifth innings. In the fourth, Breen, first up, doubled to center. Sacrifice bunts by Hartford and Allison to Bayne and Cleveland scored the runner. In the fifth, Coffey was hit by a pitched ball, went to second on Hasbrook's sacrifice, Bayne to Slattery, stole third and scored on Schmidt's wide peg.

Tulsa evened it up in the fifth and sixth, counting one each in those frames. Tierney's double, Schmidt's infield single and Dilts' single to right scored the former in the fifth. Davis' home run with two out tied it up in the sixth.

The game was won with two out in the eighth. Cleveland was safe on an infield hit. Davis' second four-ply swat gave the Oilers a two-run margin.

Des Moines scored its only run of the second game in the first. Davis dropped Marr's fly. Coffey sacrificed. Hasbrook doubled to center, Marr counting.

Tulsa made one in its half. Dilts walked and scored on Nagle's double after two were out.

Six were made in the third. Nagle doubled. Cleveland registered his circuit clout. Davis was passed. Tierney singled. Coffey dropped the ball after tagging Tierney when Schmidt grounded to the Des Moines manager and the bases were full. Davis and Tierney scored on Dilts' double and Schmidt and Dilts counted on Wuffli's single.

The final run was made in the fifth. Bennett walked. Dilts singled to center. Dilts was forced at second on Wuffli's grounder to Hartford. Bennett scoring.

Daly; time of game, 1:05.

Notes of the Game.

The final game of the Des Moines series is to be played today. The game starts at 4 o'clock.

Seat reservations for Sunday's double header with Sioux City, which closes the Western league season, may be secured from Secretary Al Wise at the ball park from 11 a. m. until 6 p. m.

The outfielders had a busy day. Twenty put outs were made by the fly chasers, 13 in the first game. Several of them were on hard chances.

Connelley's catch of Tierney's liner in the first inning brought a big hand.

Both games were well played, considering the heat. Fans, players and umpires were all affected by the hot sun and lack of the usual Oklahoma breeze.

WEATHERFORD YOUTH DEFEATS DARROUGH

K. Parks Eliminates Former Champion in Semi-Finals at Net Tourney

NORMAN, Okla., Sept. 10.—In the most spectacular and hardest fought match played on University of Oklahoma courts, in many years, K. Parks, Weatherford youth, eliminated Paul Darrough, Oklahoma City, today in the semi-finals in singles of the Oklahoma state tennis turnament. Scores were 4-6, 6-3, 2-6, 6-2, 6-3.

The Darrough-Parks battle was nip and tuck all the way to the last set when Parks appeared to have the greater reserve strength and wore down his opponent. Thirty-five of 43 games played went to deuce though the set scores do not indicate such close playing.

Darrough started out like a winner and won the first set 6-3. Parks came back and took the second by the same score. Then Darrough won the third, 6-2, and Parks came back just as strong, taking the fourth, 6-2. Parks then continued his advantage and won the fifth and deciding set, 6-3. The count in this set at one time was 4-1 in favor of Parks. Darrough made it 3-4 but could not continue. Darrough, twice state champion, lack accuracy in serving. More than three-fourths of his first balls missing the serving court. Parks, on the other hand, played his best game when serving.

K. Parks played an unusually strong game Wednesday morning when fighting his way to the semi-finals, but he could not stand the pace when facing Monnet. The further the match went the greater was Monnet's advantage. Scores were 6-3, 6-2, 6-0. Only one match was played in doubles, that in the second round. Harrington and Finger won from Baker and Peterson, 6-2, 6-1, and will oppose Parks brothers in the semi-finals, while the Darrough and Monnet teams are competing.

All play will be concluded Thursday. Third round single results Wednesday were: P. Darrough won from Harrington, 6-2, 8-4. B. Parks won from Vogt, 6-3, 6-1. K. Parks won from Behn, 6-0, 6-2, and E. Monnet won from Cook, 6-4, 7-5.

U. S. ENGINEER INSPECTING

Federal Officer Looks After Water Supply of Cities and Railroads.

Special to The World.

OKLAHOMA CITY, Sept. 10.—Simon Fleming, sanitary engineer of the United States public health service, will in the next few days report to Dr. A. R. Lewis, state health commissioner, the results of his investigation of drinking water supplies used by the railroads in Oklahoma.

Fleming, with James R. Evans, sanitary engineer of the state health department, is now on a tour of Blackwell, Yale, Cleveland, Guthrie, Purcell and Stillwater, examining the water supplies of those cities.
