TULSA-PAWHUSKA TO BATTLE HERE TODAY

Local Scholastics Open Football Season With Strong Northern School.

A HARD GAME IS EXPECTED

Coach Breneman of Tulsa Presents Veteran Lineup Composed of Nine Letter Men.

Tulsa high school opens its 1919 football season here this afternoon, playing the strong Pawhuska high school eleven. Coach Breneman of the local scholastics has announced the above probable lineup which is composed of nine members of last season's all-victorious machine. The letter men are Roop and Chadwell ends, Carter and Captain Brownfield, tackles; Stout, guard, and Hendricks, Poe, Keese and Morgan backs. Stone and Quilter are members of last season's squad and have shown exceptionally well in practice this season. Other men who are likely substitutes today are Carson, end, Grosshart, Conway, Hushneth, McCray, McCrary, Sheehan and Harrison, linemen, Hughes, Casper, Myers and L. Weinecke, backs.

The new mentor has been putting the candidates through hard workouts for the past three weeks and last night expressed himself as satisfied with the condition of the squad though several players are suffering from minor bruises and injuries common to a knight of the pigskin. Breneman has developed a splendid offensive system with open and straight football, both extensively used, and has also perfected a defense that should be able to hold the attack of Pawhuska.

As this is also Pawhuska's first game of the season no dope regarding the eleven of that high school is available, but as the northerners always put championship contending teams on the field a hard game is expected.

The game starts at 3:45 at Lee field, which may be reached by taking South Main street cars to the end of the line. Admission to today's game is 50 cents. Season tickets for other than high school students are $2.

PAWHUSKA, Okla., Oct. 2.—Coach M. L. Wardell and members of the Pawhuska high school football team left for Tulsa this afternoon where they meet that high school football eleven in the first game of the season on the local's hard schedule. Only one game was played last year, the season being curtailed owing to the influenza epidemic, but Coach Wardell has a wealth of splendid material and has developed a fast, husky eleven.

TENANT SELLS PEACH CROP AND KEEPS ALL OF MONEY

Alleging the defendant, a tenant on the plaintiff's farm in Tulsa county, has sold half of the crops produced last year and threatens to sell the remainder without an accounting to the plaintiff, owner of the property, an injunction was asked in district court yesterday by N. J. McNulty against J. J. Sears to prevent further sale and another order for the appointment of a receiver for the farm was asked of the court.

McNulty claims Sears went on the farm, located in section 7-17-14, Tulsa county, under a contract with the plaintiff to account for the sale of grain, live stock and other products of the place. The plaintiff alleges Sears has not done this and has further refused on demand to make an accounting of any kind.

DOCTOR FINDS A REMEDY FOR COLDS AND FLU

Calotabs, the New Nauseless Calomel Tablets, Cut Short Colds and May Prevent Flu by Keeping Liver Active.

Physicians have learned from experience, during the epidemic of influenza, that one of the most important factors in the prevention of flu and pneumonia is to keep the liver active so that the digestive organs may be in perfect working order and the system thereby enabled to throw off colds, check sore throats and resist serious complications. For this purpose they have found that the new, nauseless calomel tablets called Calotabs, are far more effective even than the old style calomel, which was formerly the universal favorite, as Calotabs do not weaken the patient, nor interfere with the appetite and digestion.

At the first sign of a cold or sore throat, doctors recommend one Calotab at bed time with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your diet, pleasure or work. Next morning you wake up feeling fine, your liver is active, and your appetite is keen for a good breakfast.

For your protection Calotabs are sold only in original sealed packages; price thirty-five cents. All druggists recommend and guarantee Calotabs. Your money back if you are not delighted with them.—Adv.

TORTURED TEXAS WOMAN WRITES

Standing on Her Feet Torture to This Lady; Had to Ride Everywhere She Went Until Cardui Brought Relief.

McKINNEY, Texas.—Mrs. A. D. Stovall, of this place, writes: "Some time ago I was in a critical condition. We only lived two squares from town, yet I wasn't able to walk the two squares.

"I had to ride everywhere I went and suffered at that, but not so much as when I tried to walk. Standing on my feet was torture.

"My greatest suffering was in my right side. It was so sore and I felt if I stepped down or jarred myself the least bit I could not stand it—so just walked mostly tiptoe. This kept up until I was just about discouraged and decided I had best try something else.

"Someone told me of Cardui, and where it had benefited cases similar to mine. I felt at least it would not hurt to give it a trial.

"After my first bottle I felt better—there was less pain and soreness in my side.

"After my third bottle of Cardui I was well and have been ever since."

Cardui may be just what you need. Try it.—Adv.

HALLIBURTON OFF FOR EASTERN MARTS

Manager of Department Store Here Says Women Demand Highest Forms in Dress Creations.

J. C. Halliburton, vice president and merchandise manager of the Halliburton Abbott Co., left last night on a buying trip that will include Chicago, New York and eastern manufacturing points. Already, this is his second buying trip to New York this season, which is only commencing, in addition to regular, frequent trips by the firm's various department buyers.

Said Mr. Halliburton yesterday afternoon, "The women of Tulsa and eastern Oklahoma are demanding merchandise of the highest quality. In women's wear the call is for the thoroughly worth while qualities on up to those exclusive themes, of which are shown only one of a kind. It is realized that dependable quality is in itself a real investment after all."

RETURN OF PROPERTY IS ASKED BY ILLITERATES

Asking the return of title to property in the northeast part of the city, suit was filed in superior court by Sophie Rogers, 19 years of age, and by Callie Rogers, 80 years old, against a number of Tulsa real estate men through whose hands the deed to the property has passed, the plaintiff claiming the property was originally obtained fraudulently.

It is alleged the defendants, W. S. Hall, M. Hughes, D. W. Crouch, W. H. Budkin, W. G. Grayson, E. L. Essley and L. F. Way have transferred the deed which originally was given by the plaintiff both illiterate, under the impression that the instrument was a mortgage on the property.

"I SUFFERED SEVEN YEARS"

Was Eventually Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I suffered for seven long years with a lame back, irregularities and pain. I had one physician after another but they did me no good. I read about Lydia E. Pinkham's Vegetable Compound and gave it a trial and in a short time I felt benefited and am now feeling fine, and without weakness or pain. Many of my friends have also taken Lydia E. Pinkham's Vegetable Compound and been helped by it."—Mrs. MARGARET NESS, 1846 E. Hazzard St., Philadelphia, Pa.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, sideache, headaches or "the blues" should not rest until they have given this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for special suggestions. The result of its long experience is at your service.

Beggs Farmer Pays $50 When He Meets With Pair of Confidence Men

Country boys will come to town. Wayne Miller, a 20-year-old youth of Beggs spent $50 yesterday afternoon to learn city ways. He was at the Frisco station waiting for his homeward train. An easy talking affable sort of youth engaged the Beggs farmer in conversation. Then he told Miller that he could get on earlier train home over the Midland Valley. "Come with me. I'll show you the station." And Miller accepted. Crossing a vacant lot the confidence man met up with his "pal" who held Miller while the other took $50 from his pocket.

"Better go back and get the Frisco," chided the pair as they ran away.

MORE TRUCKS FOR OKLAHOMA

State Highway Engineer Returns From Washington With Promise.

Special to The World.

OKLAHOMA CITY, Oct. 2.—Max L. Cunningham, state highway engineer, has returned from Washington, where he went to appear before the military committee in congress to ask for additional government trucks for federal-state aid highway projects. Oklahoma originally was allotted 184 three and four-ton trucks and more than 100 of these have been received by the highway department, the last shipment containing 14 Ford and Nash three-ton four-wheel drive trucks that have been run a very short distance. Cunningham said that he secured the promise of the release of additional trucks to make the total number delivered to the state at this time 114 and that he was able to secure considerable encouragement that additional ones would be sent to Oklahoma.
