# NORTH MAIN TROLLEY LINE TO BE EXTENDED

**Tulsa Street Railway To Start Work This Week on North Cheyenne Avenue.**

## EFFORTS TO PREVENT FAIL

**Tulsa City Club Defeats Attempt To Prevent Building of Improvements.**

After a long delay work began early this week on the construction of an approximate 3,000 foot extension to the North Cheyenne line of the Tulsa street railway company and the extension will probably be completed within three weeks, it is estimated, barring mishaps.

The line formerly terminated at Cheyenne and Latimer; it is a continuation of the North Main line. The extension will reach to Orlando street, as far as paving is laid.

It was after repeated attempts on behalf of the car company and following a drawn out hearing of injunction proceedings in a local court that the company finally obtained unobstructed right-of-way for the extension. All former attempts of the company to extend have been frustrated by injunction suits filed by resident citizen. In the last case a committee of the Tulsa City club joined in with company officials in demanding that injunctions be overruled and that the company be allowed to proceed.

**Funeral Services Thursday.**

Funeral services for Mrs. Emma Sherwood, 44 years old, who died on Monday afternoon at her home, 123 North Yorktown avenue, will be held Thursday afternoon, provided a sister, Mrs. Mollie Harris, arrives from California. Mrs. Sherwood had been ill just a week when she passed away. Three children survive, Ivan and Mrs. Valentine Burns, daughters, all of Tulsa.

**Announcement.**

The Kennedy restaurant will open Saturday evenings commencing October 18. Dancing; music by Hodgkin's Orchestra. After theater parties reserve tables. Dine with us every day. Good food, quick service, reasonable prices.—Advt.

# TAYLOR SAYS HE HAD SUFFERED FOR ELEVEN MONTHS

**Tulsa Man Had Tried All That Time to Find Treatment That Would End Trouble; Praises Orgatone.**

"A man would have to travel a long ways to find a medicine that will equal Orgatone," said William J. Taylor, a well known car repair man who lives at 901 Maybell street, Tulsa, Okla., while in the Rexall store a few days ago.

"My trouble started about 11 months ago," continued Mr. Taylor, "and I have been trying ever since to find a medicine or a treatment that would overcome it, and this Orgatone as the only thing I have yet found that has been worth a cent to me. My stomach was in such bad condition that I would just simply suffer agony every time I ate anything. My food would sour on my stomach, and I would be terribly bloated up with gas for two or three hours after meals. I was badly constipated all the time, and had to take a laxative of some kind every day nearly, and this condition caused my head to ache nearly every day. I was very nervous, too, and it was a very rare thing for me to have a good night's sleep. Only three weeks ago I was over in Sapulpa at an Odd Fellow's meeting and I got so ill I vomited and fell of gas and was so bad I was almost forced to go home at once for I was entirely too weak and worn out to keep going.

"I commenced to get better by the time I had finished my first bottle of Orgatone, and I am now as well and hearty as any man would want to be. I have the best appetite I ever had in my life, and I eat three square meals every day of my life, and I never have indigestion or sour stomach any more. Why, I actually eat big meals of meat and potatoes, and top it off with some kind of pastry now, and I never suffer a particle afterwards. I go to sleep soon after I hit the bed every night, and I am dead to the world for about nine hours, and the first thing I think about when I wake up is that I am going to eat and enjoy a good hearty breakfast, and then be off to my work with as much life and energy as I ever had. I am gaining in strength every day and in fact, Orgatone has simply made a well sound man of me in every way, and that is why I say that you will have to travel a long way before you find another Orgatone."

Orgatone is not a so-called patent or secret remedy but a new scientific treatment absolutely free from alcohol in any form and is sold in Tulsa exclusively by Roy H. German's Rexall store under the personal direction of a special Orgatone representative. Other agents are The Rexall store, West Tulsa.—Advt.

# HOW TO DARKEN GRAY HAIR

**A Cincinnati Barber Tells How to Make a Remedy for Gray Hair.**

Mr. Frank Harbaugh of Cincinnati, Ohio, who has been a barber for more than 40 years, recently made the following statement:

"Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half-pint of water add one ounce of bay rum, a small box of Barbo Compound, and 1/4 ounce glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look 20 years younger. It is easy to mix, does not color the scalp, is not sticky or greasy and does not rub off."—Advt.

## *Stranger Searches City Five Days for Wife and Children*

If anyone tells you that Tulsa is not a big city, just ask William Relford, ex-soldier, who has been in the Magic City only since last Friday.

During the past five days Relford has been searching everywhere in Tulsa and vicinity for his wife and two children, who preceded him here two days. The Relfords lived at Van Buren, Ark., and finding little work there, they decided to come to Tulsa.

Mrs. Relford left there on last Wednesday, with the babies, and agreed to meet him on Friday. Relford came in that day, but his wife and children were not at the depot to meet him. Since then he has been all over the city, but has failed to find any trace of his family.

On Wednesday morning he called on the home service section of the Red Cross for help, and Mrs. Hallie Golay, the secretary, is also helping Relford in his search. Relford is staying at 322 West Haskell street, and can be reached by Osage 5187, or through the home service section, Osage 7123.

# PRESBYTERIANS TO GREET NEW PASTOR

**Rev. R. H. Clarke Comes to College Hill Church From Cincinnati Pastorate.**

The formal installation of Rev. Robert H. Clark as pastor of the College Hill Presbyterian church will take place on Friday evening.

Dr. Arthur Lee Odell, president of Kendall college, will preach the installation sermon, Rev. C. W. Keir, pastor of the First Presbyterian church, will give the charge to the new pastor, and Rev. Mr. Alexander of Bartlesville will give the charge to the congregation. The moderator will preside.

Rev. Clark comes here from a successful pastorate at the Bond Hill Presbyterian church of Cincinnati, Ohio.

**McCallum to Chicago.**

Charles McCallum, sales manager of the Electric Supply company, left yesterday to attend the national electric show at Chicago, Ill. He will visit in several eastern cities after the electrical show at Chicago is over.

# FAILURE TO WORK ROADS BRINGS ON PROSECUTION

Further prosecution of residents of Tulsa county who have during the year failed and refused to work public roads under the road laws of the state, began in the justice courts yesterday when informations were filed against R. R. Smith, M. B. McKenzie, C. H. Speeker, R. A. Rayson, W. T. Crabtree and Nathan Perryman by G. F. Claypool, road supervisor of Lynn Lane township.

A number of residents of Dawson township were prosecuted last spring for failure to work the roads or to pay the tax penalty, and in addition to a fine of $10 and costs, were required to either work the required time or to pay the fee required by law.

# BOY SCOUTS TO SPEND DAY AT NEAR RESORT

What John M. Lindly, scout executive of the troop organization of the Boy Scouts of America, describes as the most outstanding effort the scouts of Tulsa have ever made, will be the hike to Farthenia park on Friday, October 21.

As many of the boys as possible—already 75 have agreed to go—will trek from Tulsa to the park, and there go into camp that afternoon. They will spend the night and the next day at the resort. While in camp the boys will put up their own tents, cook their meals, and go through the full scout work.

The last scout master's school that Mr. Lindly held on Monday night was intended to train the scout masters in many of the phases of the work that are being emphasized this year. One was that of rope lying, the other first aid.

# LOCAL ROTARIANS GO TO KAYSEE CONFERENCE

C. E. Buchner, president, and Ralph Talbot, secretary, of the Tulsa Rotary club left last night for Kansas City, Mo., where they will attend a conference of presidents and secretaries of Rotary clubs in the Seventeenth district, comprising the states of Oklahoma, Kansas and Missouri.

The Seventeenth district is the largest district in Rotary, with a total of 45 clubs.

# Gigantic Demonstration of Value-Giving Power in Coats, Suits, Dresses and Furs

Tomorrow morning we will open our doors to a sensational stock reducing campaign featuring greater values than we have ever before offered at this season of the year. The unusually warm weather played havoc with our business and as a result we have entirely too many high-grade garments in stock. We are adopting this drastic method in order to quickly reduce our immense stock. Every woman in this town ought to come here tomorrow and see these most extraordinary values.

LIVER AND STOMACH

# BETTER THAN CALOMEL

**Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute**

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "logy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 10c and 25c.

**SANTAL CAPSULES MIDY**

These tiny CAPSULES are superior to Balsam of Copaiba, Cubebs or Injections, and RELIEVES in 24 HOURS the same diseases without inconvenience.
