TULSA BEATS ACADEMY BY BRILLIANT FORWARD PASSING

TULSA WINS BY AERIAL ATTACK

Both Elevens Unable to Gain Consistently With Old-Style Game.

TULSA DEFENSE HOLDS UP

Visitors Unable to Penetrate Local Scholastic First Defense.

By LARRY DAILEY.

Brilliant success with the aerial game and a sturdy defense gave the Tulsa high school football machine victory over the Oklahoma Aggie academy here yesterday afternoon, 26 to 0, in a game replete with sensational plays and which was bitterly fought until the final whistle. Both high and academy elevens were unusually successful in the use of the passing game.

Despite the four touchdowns and three goals of Tulsa to no score of the visitors it was one of the best scholastic games ever played in Tulsa. After Tulsa had made two touchdowns and kicked one goal after touchdown in the initial quarter, Aggies tightened and held the locals scoreless in the second and third quarters, forcing the play in Tulsa's territory a majority of the time. Tulsa backs were unable to gain consistently through academy's line, while the visitors were also unable to penetrate Tulsa first defense, the red and white holding exceptionally well when the Aggies threatened to score. Twice Tulsa was within the shadow of their own goal posts, but each time held and Roop kicked out of danger.

Successful With Pass.

How successful Tulsa was in the use of the passing game is shown by the figures. Eight passes were completed in 12 attempts for a total of 190 yards. Aggies negotiated four passes out of nine efforts for a total of 100 yards.

Roop's brilliant work in receiving passes, the play of the line as a whole and Morgan in particular, and the splendid accurate and effective passing of Hendricks were features of Tulsa's play. Daily's defense and passing featured for the academy.

Despite the hard game it was devoid of roughness only one penalty, that of five yards for offside against Tulsa, being called.

GUN CLUB HOLDS SHOOT AT BRADEN FARM TODAY

The fourth weekly trap shoot for the cup awarded by the Black Diamond Powder company, to the top highest marksmen, will be held today at 2:30 p. m., at the grounds of the Tulsa gun club.

Many good marksmen are staying out of the competition presumably because of doubts of their ability, should be reassured. One of the marksmen in the shoot last week only killed eight of the 25 birds thrown in front of him.

Vernon Wins Minor Series.

LOS ANGELES, Oct. 17.—The Vernon club of the Pacific Coast league won the western minor league baseball championship by defeating St. Paul of the American association in the last of a nine-game series at Washington park today, 2 to 1.

Georgia Tech Meets Vanderbilt Gridsters on Atlanta Gridiron

ATLANTA, Ga., Oct. 17.—The first big game of the 1919 football season will be played tomorrow when Georgia Tech, premier southern eleven for the past three years, and Vanderbilt, which held that title for many years, meet on Grant field here.

The Tech team, admittedly is not as powerful as the eleven of two years ago that defeated the Commodores 83 to 0 and earned the title of the "Golden Tornado." Vanderbilt is represented this year by a much stronger machine than for several years.

The Vandy backs are expected to give Tech's line, possibly the weakest point of the Heismann machine, a severe test tomorrow, and results should indicate what Tech followers now expect a week hence when that line tries to hold the Pittsburgh university rushes.

While interest in this part of the south centers largely on the Vanderbilt-Tech game tomorrow, there are half a dozen games of more than early season significance. These include University of Mississippi and Louisiana State university at Baton Rouge.

WESTERN ELEVENS IN CHAMPIONSHIP GAMES

Eight Western Conference Squads, in Mid-Season Form, Get Into Action Today

CHICAGO, Ill., Oct. 17.—Coached and trained to mid-season form, eight western conference elevens will go into action against each other tomorrow in contests likely to develop into the most important of the season.

The games will bring together Chicago and Purdue at Chicago; Minnesota and Indiana at Indianapolis, Illinois and Iowa at Urbana and Northwestern and Wisconsin at Evanston. The other members of the conference—Michigan and Ohio State, will engage in contests of less importance. Michigan will face the Michigan Aggies at Ann Arbor, while Ohio State will play Kentucky at Columbus.

Maroons Likely Champs

Chicago, if victorious over Purdue by a decisive margin, will be given consideration as a championship contender.

While Illinois has walloped Purdue, tomorrow's game promises to be an epic.

At Evanson, Wisconsin and Northwestern will play their first conference game of the season. Each team has appeared strong in preliminary games and they seem to be evenly matched.

Coach Stagg's Maroons again are "fearing Purdue" on the eve of their annual clash with the Boilermakers. Indications are, however, that their fears are unfounded for Chicago has shown a powerful scoring machine in its preliminary games while the strength of Purdue is doubtful. Minnesota and Indiana will clash at Indianapolis. Despite Minnesota's rather weak showing against Nebraska a week ago, the gophers are the favorites although Indiana has a hard fighting, capable team.

No Trouble for Other Two.

Of the other games scheduled Michigan is regarded as an easy winner over the Michigan Aggies at Ann Arbor and Ohio State should have little difficulty in trimming Kentucky.

The big game in the middlewest outside the Big Ten conference will be at Lincoln, Neb., where the annual Notre Dame-Nebraska struggle will be staged. It will be the fourth meeting of the two big non-conference schools. Nebraska has won twice and Notre Dame once, one game resulting in a tie. Notre Dame is confident of evening the score tomorrow.

ON THE GRIDIRON

CLAREMORE, Okla., Oct. 17.—The Oklahoma Military academy football team defeated the Northeastern State normal eleven here today 11 to 9 in a fast and rough game.

SEDAN, Kan., Oct. 17.—Sedan high school won from Bartlesville high school 127 to 0 on the gridiron here today. Sedan challenges any high school for a game.

NORMAN, Okla., Oct. 17.—Norman high school defeated Ponca City high school in a runaway game today by a lopsided score of 68 to 0. Stars for Norman were Langford, Berry and Johnson, for Ponca City Lamberson and Simmons. Norman used line plunges and forward passes to great advantage. Ponca City was handicapped by lack of team work.

PRINCETON, N. J., Oct. 17.—The Princeton varsity has been given a severe shaking up. In a series of changes Coach Roper has so shifted his line that only one man, Captain Medlraw, is left in his old position. McGraw plays right tackle.

NEW HAVEN, Conn., Oct. 17.—Walter Camp is taking an active part in shaping up the Yale team. Segal and Hubbard are being given tryouts in the positions of Gait and Acosta and are showing up well.

HAMILTON, N. Y., Oct. 17.—In heavy rain and on the muddiest of fields Colgates varsity and scrub teams battled yesterday in practice for the game with Cornell tomorrow. The second team was able to score touchdown on the varsity.

CAMBRIDGE, Mass., Oct. 17.—Injuries sustained in Wednesday's scrimmage have necessitated two changes in the lineup of Harvard's football squad. Brown, right guard, has yielded place to Tom Woods, a 210-pound lineman. Steel has been placed at right end in Tex Desmond's place. Woods will doubtless start the Brown game.

NEW YORK, Oct. 17.—One change was made in Columbia's lineup in preparation for the game with Williams tomorrow. Hinch has been sent to right guard in place of Kleuninger, who will play center.

Banks: "He says the world owes him a living."

Shanks: "That may be all right, but what I object to is the way he tries to collect it from his friends."

ELIMINATION OF BETTING URGED BY CHURCH CLUB

LOUISVILLE, Ky., Oct. 17.—Elimination of the pari-mutuel betting system in vogue at Kentucky race tracks is to be sought by the Churchmen's federation of Louisville, according to Dr. W. S. Lockhart, executive secretary of the organization.

Declaring gambling on race tracks is one of the greatest evils of the state, Dr. Lockhart indicated that the federation will seek to have introduced in the next legislature a bill providing for abolishment of the betting. He said every protestant church in Kentucky will support the bill.

SEVERAL FOOTBALL championships are at stake today when leading elevens in all sections of the country clash on various gridirons. In Oklahoma, Kendall college, leading contender for the state title, meets Central normal at Tulsa and Northwestern and East Central normals, two strong secondary teams, meet in a game which has a bearing on Oklahoma secondary honors. Oklahoma Aggies meet the Texas Christian university at Fort Worth. Other southwestern games are Texas Aggies vs. Trinity at College Station, Rice vs. Southwestern at Houston and Baylor vs. Austin at Waco.

The Nebraska-Notre Dame game is of greatest interest in the Missouri valley. Both of these are strongest elevens outside of the Missouri valley conference. Kansas-Washburn at Topeka, Missouri-Iowa at Columbia and Kansas Aggies-Washington at St. Louis are other important valley battles.

All western conference squads are scheduled for big games, either in the conference or with some strong western eleven. Chicago-Purdue, Illinois-Iowa, Indiana-Minnesota and Northwestern-Wisconsin are "Big Ten" games. Michigan and Michigan Aggies, ancient rivals, meet at Ann Arbor. Kalamazoo Northern, conqueror Michigan Aggies last week, plays Wabash at Kalamazoo. Ohio State, with Chick Harley in the game, plays Kentucky at Columbus.

Harvard will probably receive the stiffest opposition of the so-called "big" eastern elevens from Brown, though Colgate is expected to give Cornell a fight. Other big eastern games are Dartmouth-Penn State, Columbia-Williams and Yale-Boston college.

Georgia Tech-Vanderbilt and West Virginia-Maryland State furnish southern fans with their biggest attractions.

Pittsburg, considered by some as a western eleven, and Syracuse engage in the first big intersectional battle. The game is played at Syracuse, with Warner's Pitt eleven as favorites.

Austin Selected.

ALBANY, Ga., Oct. 17.—Austin, Texas, was selected as the meeting place in 1920 and Theodore Bechtel of Ocean Springs, Miss., was elected president at the closing session here today of the annual convention of the National Nut Growers' association.

SEVERAL IMPORTANT EASTERN GRID GAMES

Chief Interest Centers in Pittsburgh-Syracuse Clash at Syracuse, New York.

NEW YORK, Oct. 17.—The results of several of the football games to be played on eastern gridirons tomorrow will have an important bearing upon the final standing of teams of this section at the close of the season. Chief interest probably centers in the outcome of the struggle in the Syracuse stadium, for both Pittsburgh and Syracuse have powerful elevens, ambitious schedules for the remainder of the season and two of the shrewdest coaches in the history of the game.

Colgate appears to be a slight favorite to win from Cornell, due principally to the decisive defeat administered to Brown a week ago.

The other important games in the east Saturday follow:

FOOTBALL RIVALS TO BATTLE HERE TODAY

Kendall College and Central Normal Meet at McNulty Park—Hard Game Expected

Kendall college and Central normal, ancient rivals, meet on the gridiron for the first time this afternoon at McNulty park, with the odds favoring the local collegians. Victory over Oklahoma university last week with the Sooners defeat of Central should indicate a margin for Kendall, though dope is a poor basis to compare the play of gridiron machines.

In Central, Kendall meets a fast fighting machine, one coached with great success in the open style play and with a strong defense against either open or straight football. Coach Wantland, of the teachers, in announcing his probable lineup last night intimated that Williamson, brilliant halfback, would be kept on the sidelines throughout the game and that it is a practical certainty that he will not start.

Kendall followers are confident of victory, basing their confidence on comparative scores in the Oklahoma university games and in the general superior play and experience of the local collegians. The diversified attack, perfected by Coaches Sam McBirney and Frank Schmidt is expected to carry the orange and black to victory though a hard game is expected.

Today's game starts at 3 o'clock.

Oklahoma Aggies Win From T. C. U. Eleven

FORT WORTH, Texas, Oct. 17.—After holding the Oklahoma Aggies scoreless for three periods, the T. C. U. eleven crumpled before the attacks of Ray and Lockabaugh in the last quarter and the six touchdowns scored, won the game, 14 to 7. T. C. U. scored its touchdown in the third quarter.
