Wilcox Increasing Capital

At a meeting of the stockholders of the H. E. Wilcox Oil & Gas Co., Sand Springs, the directors of the company were instructed to amend the company's charter so as to increase the capital from $2,000,000 to $5,000,000.

At the same time the following directors were elected to serve for the ensuing year: H. E. Wilcox, H. Gillingham, W. J. Garrett, J. K. Gill, J. Ross Weyer, M. C. Bartlett, C. A. Pike, L. E. Myers, E. A. Sweet, H. Y. Craner, J. Ross Dunn, C. A. Sweet.

A similar report of the operations of the company during the past year was submitted to the stockholders at the meeting, showing a very substantial increase in its income from its various operations.

The great response of the stockholders to support the necessary assessment to increase the capital stock and thus provide for the enormous expansion that has already taken place, or are now actually underway, greatly increased their high appreciation of the able management of the company's affairs.

The directors declared a 3 per cent dividend and approximately 20 per cent stock dividend, as of record October 15, 1919.

Sinclair to Build Pipe Line to the Coast

The Sinclair Companies have an option on land on which to build the Wood pipe line, formerly known the Kansas & Texas Pipe line, in Louisiana which together with the properties already acquired give the company a pipe line system from the coast to points in that field.

The contract provides, however, that the transportation lines, the Sinclair pipe line, will build a standard gauge pipe line extending from the Sinclair properties in the Sinclair field, a distance of about 200 miles.

This line will have a capacity of about 20,000 barrels of crude oil daily. Construction is under way in Louisiana and it is said that the Sinclair companies will be able to deliver oil to the Atlantic seaboard within 60 days.

It is also understood that the Sinclair Companies and Mandalay and a corporation controlled Mandalay are A. Walter, Joseph M. Gulany, Alfred H. Dupont, Frank Sweetser, J. W. Rand, Wm. F. Phillips, Edward Luther, J. J. Eagan, Percy Pierce and T. F. Wilson. These directors are among the owners of S. D. Warner, R. W. Hargrave, R. Parker, T. Hubbard, J. A. Lawrence, G. Kennedy, A. Brunner and C. M. Cushing. A vacancy in the W. Walter, who died recently, will be filled by a successor at meeting.

The announcement is given that the Sinclair Companies would construct the line in Hancock county, Ohio, and Mr. Walter was not unexpected and a serious loss of the rapid growth along conservative lines of the Sinclair organization. This company is selling from 7 million to 8 million barrels of oil in Arkansas and has put a force of men to work to extension in that state, soon after the tragic. It will be the largest money maker in the history of the companies before many years.
