PETROLEUM NOT ONLY WEALTH PRODUCER FROM OUR SOIL

TULSA COUNTY IS SOME FARM AREA

Agricultural Bureau Shows That Oil Is Not Only Industry Near City.

FARMS ARE WELL STOCKED

Wheat, Oats, Corn, Cotton, and Sorghum Bring Up Value of Soil Stuff.

[illegible] of the fact that Tulsa is the center of the oil industry of America, the idea has gone forth that Tulsa county is not famous for anything else, but this impression is erroneous, as a trip through the county in any direction will show.

Well kept out and improved farms, [illegible] known herds of pure bred cattle, [illegible] and dairy, fine sheep, hogs and poultry, are found on almost every farm, while [illegible] are proving themselves to be [illegible] are only a few of the farm [illegible] to be found in Tulsa county.

A closer inspection will [illegible] some [illegible] facts that produce bountiful crops of wheat, corn and sorghums, and raise many [illegible] and [illegible].

[illegible] are always forthcoming, but [illegible] was not [illegible] the [illegible] [illegible] the United States in [illegible] of farm and farm [illegible] [illegible] development has [illegible] surprising facts about [illegible] that have [illegible] [illegible] of the best in Oklahoma.

There are 2,315 individual farms in Tulsa county.

There are 956 individual farm owners.

There are 1,379 rented farms in the county.

The per cent of farms rented is 67.5.

The 1919 crop of wheat, corn, cotton, oats, kafir and alfalfa had a cash value of $3,807,820, divided as follows:

Wheat—17,280 acres, producing 252,000 bushels, worth $190,000.

Corn—62,570 acres, producing 1,067,000 bushels, worth $1,750,000.

Cotton—5,690 acres, producing 1[illegible] bales, worth $280,000.

Oats—8,190 acres, producing 201,700 bushels, worth $122,820.

Kafir—[illegible] acres, producing 1[illegible] bushels, worth $175,000.

Alfalfa—13,726 acres, producing 4[illegible] tons, worth $1,070,000.

[illegible] acreage no allowance [illegible] and from [illegible] which represent [illegible] acres, producing [illegible] proof [illegible] the farmers profitably [illegible] increasing his revenue to [illegible].

ADVENTISTS PLAN A PEOPLE'S HOSPITAL

Pastor Bare Says His Church Believes in Practice What the Master Did.

"The combination of the medical and [illegible] work is religious in [illegible]. The doctrines of Christ [illegible] Two thirds [illegible] healing," said Pastor Bare of the Seventh Day Adventist church in [illegible] and this is the work which we expect to do in the future in Tulsa.

He said an object lesson had been given the people along this line in the person and practice of Dr. [illegible] had last spring. He brought with him a corps of trained nurses, who went from house to house [illegible] classes of actually giving [illegible] treatments and showing the people how to [illegible] methods of artificial sunshine [illegible] of drugs. This [illegible] the operation of a reformed diet of pure food combinations with [illegible] and [illegible] improvement of the [illegible] are [illegible] demonstrated [illegible] of a good home to every mother [illegible] the solution of the [illegible] problem.

All After Best Rooms

Instructions for teachers is one of the [illegible] work [illegible] after [illegible] Hundreds [illegible] help was [illegible] the place of [illegible] [illegible] Spanish [illegible] [illegible] the [illegible] [illegible] to [illegible] [illegible] [illegible]
