CADMAN CLUB PROGRAM AT CONVENTION HALL PLEASES

Madame Margaret Matzenauer, the dramatic contralto of the Metropolitan Opera company, gave a concert in Convention hall Monday night before a capacity house. This was the first of the concerts that have been arranged also in some of the larger cities of the southwest by the Cadman Memorial association, and it was a fitting one with which to open the series. The program was made up of numbers by the Indian composer, Mr. Cadman, and was rendered by the Indian singer, Tsianina Redfeather, who was assisted by Madame Matzenauer.

Her selections at the first part and also from the Indian music were given in the Indian dialect. At the close of the program Madame Matzenauer was called back for several encores and responded with another Indian number and a song in English.

Tsianina Redfeather, the Indian girl, is a native of Oklahoma and is a graduate of the Chilocco Indian school. She has been heard in concert in many cities and has been a member of the Cadman Memorial association for several years. She is a graduate of the Institute of Musical Art, New York, and has been heard in concert in Europe and in America. Madame Matzenauer is a native of Austria. She has been a member of the Metropolitan Opera company for several years.

Some features of the program were Indian songs in the native dialect, a Indian dance by Tsianina Redfeather, a group of songs by Madame Matzenauer, a group of Indian songs by Tsianina Redfeather, a group of songs by Cadman, and a group of songs by Tsianina Redfeather and Madame Matzenauer. The program was arranged by Mrs. W. A. Fox on behalf of the club and was approved by Mrs. Frank Gross, president of the Tulsa club, and Mrs. Frank Green, president of the Cadman Memorial association.

Mrs. Fox appointed a committee of ushers and secured uniformed boy scouts for the occasion. The boy scouts rendered a valuable service in carrying programs and ushering people to their seats. The Tulsa club was represented by a large number of its members, who were accompanied by a number of guests from other towns.

STOLEN CAR IS FOUND IN SOUTH MAYBELL GARAGE

Stolen from the farm of William Vance, seven miles south of Tulsa, on August 2, a black roadster was found yesterday morning by Sheriff James Wooley stored in a Tulsa garage the day of the theft from Vance.

The owner of the property, at the sheriff, Maybell, told the sheriff that a man whom he did not know rented the car on August 24 and that three days later the car was stored in the garage. When found only the battery had been taken from the car.

Auto Thief Seeks New Trial

On the allegation that he has discovered three material witnesses in his case, Homer Hitchcock, convicted in district court in Sequoyah of larceny of an automobile, yesterday asked the court for a new trial of the case. Hitchcock's name, in such case, produces the man with whom he traded a small automobile for the Ford car which later proved to be stolen property, and two other disinterested witnesses who, he claims, that they saw the defendant in the Golden refinery at the time the car was stolen from the street in Tulsa.

Hydroplanes will be used in a proposed passenger service that will link several Swiss cities that are located on the shores of lakes.

Actual Conviction

Music lovers of Tulsa who had the pleasure of attending the recital last night may now have the pleasure of comparing the Re-Creations of the artists' voices on the New Edison exactly as they sing in person.

What better assurance do you want for selecting an instrument for your home than a direct comparison—the re-created beside the real.

WORRY AND WRINKLES

Despondency is a thing of evil results. Worry produces nothing but wrinkles and wretchedness. Let the reader put a note on her bureau, on her desk, and at the head of her bed, just two words,

"DON'T WORRY"

Worry is the greatest foe to the happiness of any household. An anxious, despondent face, a fretful, complaining voice, will make every one uncomfortable.

A woman's nerves are more truly the cause of worry than outside troubles. The nerves are to a woman's body the telegraph system which surely warns her of any trouble in the feminine make-up. Doctor Pierce's Favorite Prescription is the ideal woman's tonic for such conditions. It cures and builds up.

When a woman complains of backache, dizziness or pain—when everything looks black before her eyes—a dragging feeling, or bearing-down, with nervousness, she should turn to this "temperance" herbal tonic, known as Dr. Pierce's Favorite Prescription. It can be obtained in almost every drug store in the land and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid. Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., will send a trial size for 10c.
