MORE THAN AN AGENCY FOR COLLECTING COMMISSIONS

Throughout the world, wherever enlightenment has dispelled the age-old shadows that have hovered over human life, since the Wise Men of the East brought gifts to the Infant Christ, without hope of reward, beyond spiritual blessings, the Spirit of Christmas has entered into the hearts of men, sometimes uninvited, many times unaccountably and always without effort. It is possibly the most infectious thing in the world and brings, once a year to every heart, a tenderness, a human touch, a sense of happiness and good will so complete, so super-human as to force on us the consciousness that the Spirit of Christmas springs from a purely divine impulse to forget and, if necessary sacrifice self in the service of others. Can we think of anything more beautiful?

To my clients, friends and competitors in wishing you a Merry Christmas, I can think of no greater gift than the spirit of Christmas abiding with each of you, not merely during the Yuletide, but throughout the year to come, manifesting itself more and more with the passing days in a better, nobler, more helpful Service to all mankind.

We would like to tell each one of you of our good wishes for your happiness and to thank you for the generous share of your business that has been accorded our firm during the past year.

It is our sincere wish that the Holiday Season may bring you much pleasure and that the New Year may be a very prosperous one.
